AN ORDER ABANDONING A 60 FOOT WIDE, UP TO 508.94 FOOT LONG PORTION OF HEMLOCK STREET, LOCATED BETWEEN SILVER SAGE DRIVE AND CENTER DRIVE WITHIN A PORTION OF THE SOUTHWEST 1/4 OF THE SOUTHEAST 1/4 OF THE NORTHEAST 1/4 OF THE SOUTHWEST 1/4 OF SECTION 32, TOWNSHIP 15 NORTH, RANGE 20 EAST, M.D.B.&M, BEING A 30,297 SQUARE-FOOT AREA, MORE OR LESS, ON PROPERTIES LOCATED ADJACENT TO 501 ARTHUR STREET, 601 ARTHUR STREET, 5320 CENTER DRIVE, 420 CLEAR CREEK AVENUE AND 480 CLEAR CREEK AVENUE, ASSESSOR'S PARCEL NUMBERS 009-236-02, 009-236-03, 009-236-04 009-239-03 AND 009-239-04, IN CARSON CITY, NEVADA.

WHEREAS, on November 17, 2016, Carson City Public Works duly filed a written application seeking vacation and abandonment of a portion of public right-of-way, being within a portion of the southwest 1/4 of the southeast 1/4 of the northeast 1/4 of the southwest 1/4 of section 32, Township 15 North, Range 20 East, M.D.B & M. approximately 30,297 square feet, adjacent to APN(s) 009-236-02, 009-236-03, 009-236-04, 009-239-03 and 009-239-04, in Carson City, Nevada; and

WHEREAS, the application was thereafter referred to the Carson City Planning Commission and a public hearing was thereafter duly noticed and held before the Planning Commission on January 25, 2017. At the public hearing testimony was taken and the Commission, after discussion and deliberation, recommended approval of abandonment of the subject right-of-way to the Carson City Board of Supervisors, finding that the public would not be materially injured by the vacation; and

WHEREAS, the Carson City Board of Supervisors, at their regular and duly noticed meeting of _____ 2017, found that the public

would not be materially injured by the proposed vacation, and accordingly ordered the abandonment of the public right-of-way in question pursuant to the provisions of NRS 278.480, which among its provisions, requires a written order to be prepared and recorded in the office of the Carson City Recorder; and

WHEREAS, the vacation and abandonment of the right-of-way is more particularly described on the attached Exhibit(s) "A" of written descriptions of the right-of-way abandonment, and maps are shown as the Exhibit(s) "A-1", and the attached utility statements are shown as Exhibit(s) "B".

NOW, THEREFORE, the Board of Supervisors hereby orders:

1. That the above-described right-of-way is hereby abandoned according to the provisions of NRS 278.480.
2. That if a utility company has a utility or an easement over or under the property hereby vacated and abandoned by this order, said easement or easements shall be continued and shall not be affected by the abandonment.
3. That utility facilities, which may presently exist within the areas affected by abandonment's, will be protected by easements. The abandonment may be subject to reserving easements for utility companies and/or Carson City, if requested.

ORDERED this ____ day of _____, 2017, by the Carson City Board of Supervisors.

ROBERT L. CROWELL, Mayor

STAFF REPORT FOR THE PLANNING COMMISSION MEETING OF JANUARY 25, 2017

FILE NUMBER: AB-16-186

AGENDA ITEM: F-1

STAFF AUTHOR: Kathe Green, Assistant Planner

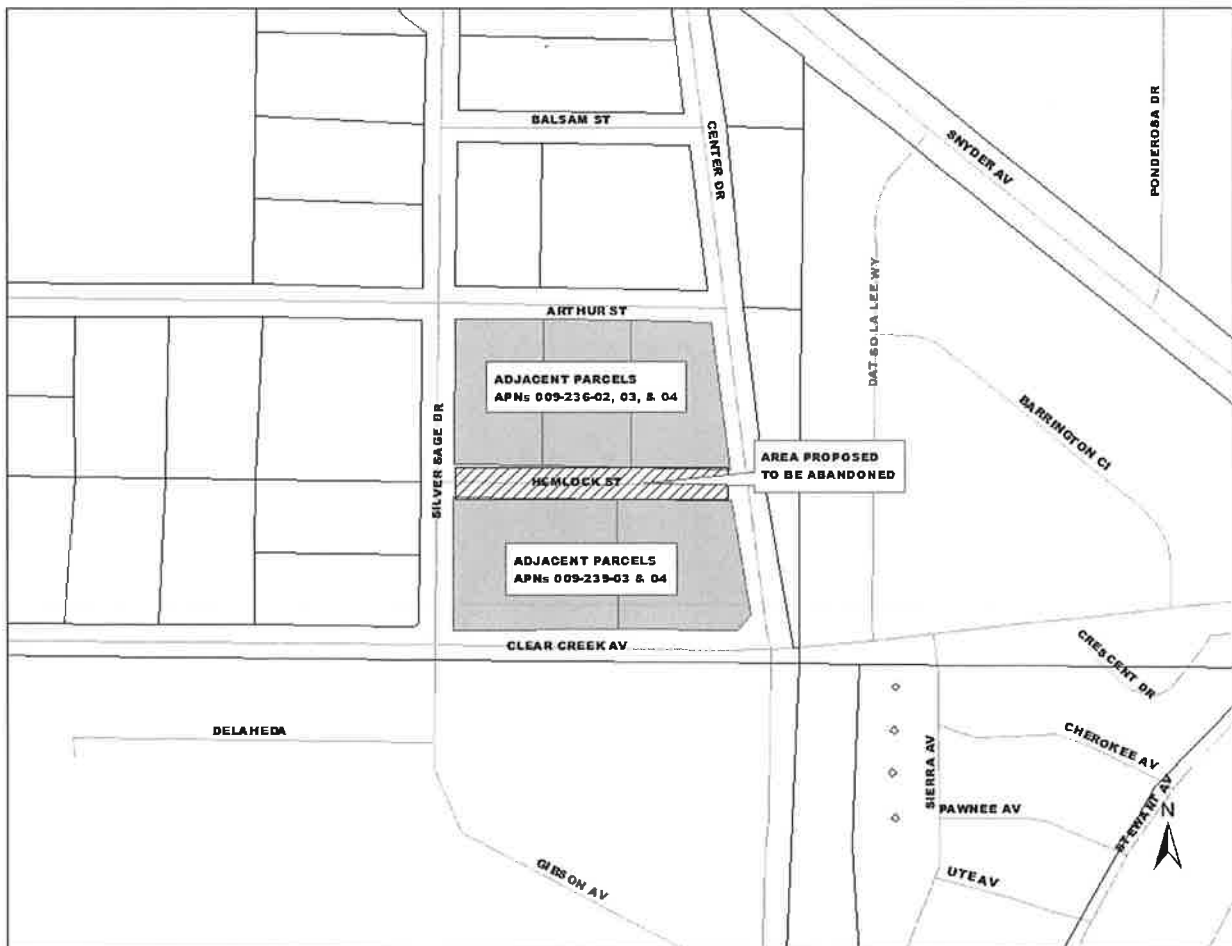

OWNER: City of Carson City

APPLICANT: Carson City Public Works

AGENT: Stephanie Hicks, Real Property Manager, Carson City

REQUEST: Abandonment of Hemlock Street public right-of-way between Silver Sage Drive and Center Drive, an area 60 foot wide and up to 508.94 foot long totaling 30,297 square feet, more or less, adjacent to properties located at 501 Arthur Street, 601 Arthur Street, 5320 Center Drive, 420 Clear Creek Avenue and 480 Clear Creek Avenue, Assessor's Parcel Numbers 009-236-02, 009-236-03, 009-236-04, 009-239-03 and 009-239-04.

RECOMMENDED MOTION: "I move to recommend that the Board of Supervisors approve an abandonment of public right-of-way application, AB-16-186, for an abandonment of Hemlock Street, an area 60 foot wide by up to 508.94 foot long, totaling 30,297 square feet, more or less, located between Silver Sage Drive and Center Drive, adjacent to properties located at 501 Arthur Street, 601 Arthur Street, 5320 Center Drive, 420 Clear Creek Avenue and 480 Clear Creek Avenue, APNs 009-236-02, 009-236-03, 009-236-04, 009-239-03 and 009-239-04, based on seven findings and subject to the conditions of approval contained in the staff report."

RECOMMENDED CONDITIONS OF APPROVAL:

1. Prior to the recordation of said abandonment, the applicant shall be responsible for the submittal of all necessary legal documentation and title search materials as required by the Planning Division in order to fully complete the abandonment process.
2. The applicant must sign and return the Notice of Decision for conditions of approval within 10 days of receipt of notification. If the Notice of Decision is not signed and returned within 10 days, then the item will be rescheduled for the next Planning Commission meeting for further considerations (this Notice of Decision will be mailed to the applicant for signature after approval by the Board of Supervisors).
3. A minimum 7.5 foot wide utility easement must be supplied for AT&T Telephone Company on the eastern portion of the proposed abandonment, running north and south. The documents creating this easement shall be supplied by the applicant.
4. The applicant must provide legal descriptions of the resulting parcels upon approval of the abandonment of the right-of-way.
5. This abandonment pertains to:
 - APN: 009-236-02: The area of the proposed abandonment adjacent to this parcel is 4,825 square feet more or less, being the northerly 30.0 feet of Hemlock Street east of Silver Sage Drive, lying southerly of and contiguous to the southerly line of that certain Parcel 1 as said parcel is shown and delineated on Parcel Map No. 519, filed as Document No. 64592 of the Official Records of Carson City.
 - APN: 009-236-03: The area of the proposed abandonment adjacent to this parcel is 4,825 square feet more or less, being the northerly 30.0 feet of Hemlock Street southerly of and contiguous to the southerly line of that certain Parcel 2 as said parcel is shown and delineated on Parcel Map No. 519, filed as Document No. 64592 of the Official Records of Carson City.

DISCUSSION:

This request is to allow the abandonment of the entire right-of-way area of Hemlock Street between Silver Sage Drive and Center Drive, totaling a 30,297 square foot area, more or less, adjacent to properties located at 501 Arthur Street, 601 Arthur Street, 5320 Center Drive, 420 Clear Creek Avenue and 480 Clear Creek Avenue, APNs 009-236-02, 009-236-03, 009-236-04, 009-239-03 and 009-239-04.

The entire length of Hemlock Street is located between Silver Sage Drive and Center Drive and is an undeveloped right-of-way area. The Planning Division staff conducted a site visit and found the subject area to be relatively flat with no development or improvement in the area where right-of-way is proposed to be abandoned. Nothing is located in this area other than vegetative growth. As stated in the submitted application, the intention of the right-of-way abandonment is to revert the property to the adjacent property owners as the right-of-way is not utilized as a roadway and contains landscape improvements from abutting property owners.

NV Energy, Charter Communications and Southwest Gas have indicated they do not have utilities in the public roadway easement proposed for abandonment and do not want an easement reservation to be continued. AT&T Telephone Company does have an easement at the eastern portion of the area proposed to be abandoned and has requested that an easement be created or continued at this location. A document for the creation of the easement is to be created by the applicant and recorded and will need to be reviewed by the Carson City Engineering Division with the submitted application paperwork. Completion of this documentation and recording of appropriate paperwork will be a required condition of approval.

Pursuant to NRS 278.480 Vacation or Abandonment of a Street or Easement: If upon public hearing by the Board of Supervisors, the Board is satisfied that the public will not be materially injured by the proposed vacation it shall order the street or easement vacated.

With the recommended conditions of approval and if it is determined that based on the findings of fact that the public will not be materially injured by the proposed vacation, it is recommended that the Planning Commission make a recommendation to the Board of Supervisors for approval of AB-16-186, subject to the recommended conditions of approval.

The Engineering Division has provided detail regarding the Chain of Title as follows: This right-of-way, Hemlock Street, was created when the Bureau of Land management (BLM) issued patents in the early 1960's. The original patent easement for right-of way and utilities was 33-feet on each side of centerline (Patent numbers 1224119, 1124710 and 1224924). Later, a parcel map shows the right-of-way easement as being 30 feet on either side of the centerline with a 7.5 foot public utility easement along the northern right-of-way line of Hemlock (Parcel Map No. 519). There is no indication the City ever paid for the right-of-way.

PUBLIC COMMENTS: A public notice was sent by certified mail to the five adjacent property owners per NRS on January 6, 2017. At the writing of this report, there have been no comments in opposition or support of the proposed abandonment.

CITY DEPARTMENT/OUTSIDE AGENCY COMMENTS: The following comments were received from City departments. Recommendations have been incorporated into the recommended conditions of approval, where applicable.

Engineering Division:

The Engineering Division recommends APPROVAL of the proposed abandonment.

Building Division: No comments

Fire Department: No comments

RIGHT-OF-WAY ABANDONMENT FINDINGS: In accordance with the policy for right-of-way abandonments adopted by the Board of Supervisors on October 1, 1998, the staff recommendation is based upon the following findings, which are substantiated in the public record.

1. Will the public be materially injured or not?

Per the information provided by the applicant, the adjacent property owners will not be damaged by this abandonment application, nor will the public be materially injured by the abandonment.

Per the information provided by Stephen Pottey of the Engineering Division as well as the Planning Division, the public will not be materially injured by the proposed abandonment of the right of way.

There will be no landlocked parcels created as a result of the proposed abandonment.

2. Whether the street was dedicated or not?

There are no records indicating that the City ever paid for the right-of-way. Since Carson City did not pay for the right-of-way, it is staff's conclusion that no charge for the right-of-way be required.

3. What should the reasonable consideration be if the street was not dedicated?

It has been determined by the Engineering Division that there are no indications that the City of Carson City ever paid for the right-of-way in question. It is recommended that there be no charge.

4. If abandonment has a public benefit, how much of the public benefit should be offset against the determination of reasonable consideration?

No charge for this abandonment is recommended. Therefore, this item does not apply to this abandonment.

5. Applicability of the parking value analysis applied to this request.

There is no parking currently in the area of the proposed abandonment. No impact to parking is anticipated as a result of an approval of the request to abandon this right-of-way area. This item is not applicable to the proposed abandonment and will not result in elimination of desirable on-street parking.

6. Should utilities easements be reserved, continued or vacated?

The following utility companies, NV Energy, Charter Communication and Southwest Gas have indicated they do not have utilities in the public roadway proposed for abandonment and do not want an easement reservation. AT&T Telephone Company does have an interest in the creation of a utility easement at the eastern end of Hemlock Street and is requiring an easement to be created and filed. The Carson City Engineering Division will review the documents when they are created by the applicant and will verify the required information is completed. The document will then need to be recorded.

7. Imposition of any conditions of approval by the Board of Supervisors or recommended by the Planning Commission or staff.

Staff has included within this staff report conditions of approval, which relate to the responsibilities of the applicant in the event this application is approved.

RE: AB-16-186 Abandonment of Hemlock Street between Silver Sage and Center,
apns 009-236-02,03,04 & 009-239-03,04
Engineering Division 1st Submittal Review Comments

The Development Engineering Division has completed a review of the above referenced project. Based on our review, the following recommendation and conditions of approval are offered:

RECOMMENDATION:

The Engineering Division recommends APPROVAL of the proposed abandonment.

CONDITIONS OF APPROVAL:

The Development Engineering Division offers no conditions of approval for this project.

DISCUSSION: The Engineering Division has reviewed the request within our areas of purview relative to adopted standards and practices. The following discussion is offered.

1. Will the abandonment result in material injury to the public?
Development Engineering is in agreement with the following comment from Public Works and has no additional comments:
Adjacent property owners will be benefited by the proposed abandonment as they will become the owners of portions of the right of way abutting their property. If approved, the right of way area would be split at the center of the right of way area running east and west, and assigned to the property owners adjacent to the right of way on the north and south. The public will not be damaged by this abandonment as the areas being abandoned are not currently used for public purposes. Additionally, there will be no land locked parcels recreated as a result of this abandonment.
2. What is the history regarding the street being dedicated or not?
Development Engineering is in agreement with the following comment from Public Works and has no additional comments:
Hemlock Street was created when the Bureau of Land Management (BLM) issued patents in the early 1960's . The original patent easement for right-of-way and utilities was 33-feet on each side of the centerline (Patent # ' s 1224119 , 1224710, and 1224924) . Later , a parcel map shows the right - of-way easement being 30 - feet on either side of the centerline with a 7.5- foot

public utility easement along the northern right-of-way line of Hemlock (Parcel Map #519)

3. What should the reasonable consideration be if the street was not dedicated?
Development Engineering is in agreement with the following comment from Public Works and has no additional comments:
Since there are no records indicating that the City ever paid for the right of way, it is recommended that there be no cost to the adjacent property owners for gaining the abandoned right of way.
4. If an abandonment has a public benefit, how much of the public benefit should be offset against the determination of reasonable consideration?
Development Engineering is in agreement with the following comment from Public Works and has no additional comments:
No charge for the abandonment is recommended . Therefore , this item does not apply to this abandonment.
5. What is the applicability of the parking value analysis applied to this request?
Development Engineering is in agreement with the following comment from Public Works and has no additional comments:
The abandonment will not result in the elimination of on - street parking. The subject area is not currently used as a roadway or for parking area .
6. Should utilities easements be reserved, continued or vacated?
Development Engineering is in agreement with the following comment from Public Works and has the following additional comment:
The utility companies NV Energy, Charter Communication and Southwest Gas have indicated they do not have utilities in the public roadway proposed for abandonment and do not want an easement reservation . Nevada Bell Telephone Company dba AT&T has indicated that they do have a utility in the right-of-way being abandoned and desire the creation of a public utility easement (PUE) along the alignment of the existing utility. The Carson City Engineering Division will review the documents and will verify the required information is recorded .

Development Engineering has reviewed the submitted map. There is a 7.5' PUE retained along the utility alignment in question. This easement and this documentation are sufficient for to accommodate this need.
7. Are any conditions of approval by the board of supervisors or recommendations by the planning commission or staff included?
Development Engineering offers no conditions of approval.

Briefly describe location, width and length of the proposed abandonment:
The City is requesting the abandonment of Hemlock Street located between Silver Sage Drive and Center Drive. The right of way is 60 feet wide and approximately 505 feet in length.

JUSTIFICATION: Explain why the request is being made, if the subject right-of-way was ever dedicated to Carson City, when and by whom, and why the abandonment will not damage any adjacent properties: Hemlock Street was created when the BLM issued patents in the early 1960's. This right-of-way was set out to be a maximum of 33 feet on each side of the centerline. Later parcel maps show the right-of-way being 30 feet each side.

If you are abandoning an access, explain how the parcel will be accessed:
All parcels are currently accessed off of either Clear Creek Avenue or Arthur Street.

Subject: Justification for Abandonment of Hemlock Street

Dear Ms. Sullivan:

Please accept this letter as the project description and statement of justification for a request for abandonment of Hemlock Street in Carson City, Nevada. This request is to abandon the entire 60-foot right-of-way between Silver Sage Drive and Center Drive, adjacent to properties located at 501 Arthur Street, 601 Arthur Street, 5320 Center Drive, 420 Clear Creek Avenue, and 480 Clear Creek Avenue. The area to be abandoned totals approximately 30,297 square feet and is more particularly described as in the attached exhibits.

Hemlock Street was created when the Bureau of Land Management (BLM) issued patents in the early 1960's. The original patent easement for right-of-way and utilities was a maximum of 33-feet on each side of the centerline. Later, parcel maps show the right-of-way easement being 30-feet on either side of the centerline with a 7.5-foot public utility easement along the northern right-of-way line of Hemlock. The City of Carson City is currently the owner of this right-of-way.

The intention of the proposed right-of-way abandonment is to revert the property to adjacent property owners as the right-of-way is not utilized as a roadway and contains landscape improvements from abutting property owners.

Pursuant to Carson City Municipal Code 17.15.010, we have addressed the required findings below.

1. *Will the abandonment result in material injury to the public?*

Comment: Adjacent property owners will be benefited by the proposed abandonment as they will become the owners of portions of the right of way abutting their property. If approved, the right of way area would be split at the center of the right of way area running east and west, and assigned to the property owners adjacent to the right of way on the north and south. The public will not be damaged by this abandonment as the areas being abandoned are not currently used for public purposes. Additionally, there will be no land locked parcels recreated as a result of this abandonment.

2. *What is the history regarding the street being dedicated or not?*

Comment: Hemlock Street was created when the Bureau of Land Management (BLM) issued patents in the early 1960's. The original patent easement for right-of-way and utilities was 33-feet on each side of the centerline (Patent #'s 1224119, 1224710, and 1224924). Later, a parcel map shows the right-of-way easement being 30-feet on either side of the centerline with a 7.5-foot public utility easement along the northern right-of-way line of Hemlock (Parcel Map #519).

3. *What should the reasonable consideration be if the street was not dedicated?*

Comment: Since there are no records indicating that the City ever paid for the right of way, it is recommended that there be no cost to the adjacent property owners for gaining the abandoned right of way.

4. *If an abandonment has a public benefit, how much of the public benefit should be offset against the determination of reasonable consideration?*

Comment: No charge for the abandonment is recommended. Therefore, this item does not apply to this abandonment.

5. *What is the applicability of the parking value analysis applied to this request?*

Comment: The abandonment will not result in the elimination of on-street parking. The subject area is not currently used as a roadway or for parking area.

6. *Should utilities easements be reserved, continued, or vacated?*

Comment: The utility companies NV Energy, Charter Communication and Southwest Gas have indicated they do not have utilities in the public roadway proposed for abandonment and do not want an easement reservation. Nevada Bell Telephone Company dba AT&T has indicated that they do have a utility in the right-of-way being abandoned and desire the creation of a public utility easement (PUE) along the alignment of the existing utility. The Carson City Engineering Division will review the documents and will verify the required information is recorded.

7. *Are any conditions of approval by the board of supervisors or recommendations by the planning commission or staff included?*

Comment: There are no additional conditions from the Engineering Division.

Nevada 031183

The United States of America,
To all whom these presents shall come, Greeting:

WHEREAS, a Certificate of the Land Office at **Reno, Nevada,** has been issued showing that full payment has been made by the claimant **Jack R. Cooney,** pursuant to the provisions of the Act of Congress approved June 1, 1938 (52 Stat. 609), entitled "An Act to provide for the purchase of public lands for home and other sites," and the acts supplemental thereto, for the following-described land:

Mount Diablo Meridian, Nevada.

T. 15 N., R. 20 E.,

Sec 32, N½SE¼NE¼SW¼.

The area described contains **5.00** acres, according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the Tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States. Excepting and reserving, also, to the United States all oil, gas and other mineral deposits, in the land so patented, together with the right to prospect for, mine, and remove the same according to the provisions of said Act of June 1, 1938. This patent is subject to a right-of-way not exceeding **33** feet in width, for roadway and public utilities purposes, to be located **along the boundaries of said land.**

Subject to such rights for electric transmission line purposes as the Sierra Pacific Power Company may have under the Act of March 4, 1911 (36 Stat. 1253), as amended (43 U.S.C. sec. 961).

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat., 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.
