

STAFF REPORT

Report To: Board of Supervisors

Meeting Date: April 20, 2017

Staff Contact: Darren Schulz, PE Public Works Director

Agenda Title: For Possible Action: To authorize Public Works to work with Cashman Equipment Company to perform a Caterpillar Certified Powertrain Plus Rebuild of the Caterpillar Landfill Compactor, for an amount not to exceed \$400,246, to be funded from the Capital Projects Fund, Landfill Equipment Account (Zach Good, zgood@carson.org).

Staff Summary: The Caterpillar Compactor 826H is used at the Landfill to move and compact trash in an effort to maximize the life of the Landfill. The compactor was purchased in 2006, has approximately 14,000 hours of use, and needs to be rebuilt. A factory certified rebuild is approximately half the cost of a new compactor. The certified rebuild dealer, Cashman Equipment Company, is the only company in Nevada, excluding White Pine County, that can rebuild CAT equipment and provide a CAT certified rebuild piece of equipment.
