Agenda Title: For Possible Action: To adopt a Resolution moving specific fee amounts for liquor license fees from the Carson City Municipal Code Title 4, Licenses and Business Regulations, Chapter 13, Liquor Board and Liquor License and Sales, to a separate fee schedule which will be maintained by the Business License Division and which may be amended with approval of the Board of Supervisors. (Susan Pansky, SPansky@carson.org)

Staff Summary: This Resolution is proposed in conjunction with the amendment to the Liquor Ordinance and will remove specific fee amounts from the Liquor Ordinance in favor of adopting them in a separate fee schedule. Financial Information

Is there a fiscal impact? Yes No

If yes, account name/number: N/A

Is it currently budgeted? Yes No

Explanation of Fiscal Impact: A Business Impact Statement is not required in this case pursuant to NRS 237.080, Section 2, as the proposed fees for brew pub, brewery and craft distillery liquor licenses are consistent with the fee amounts for existing liquor license classes of a similar nature. This does not impose a direct and significant burden on a business or directly restrict the formation, operation or expansion of a business.

RESOLUTION NO. 2017-_____

A RESOLUTION ADOPTING A FEE SCHEDULE INCLUDING VARIOUS FEES FOR LIQUOR LICENSES IN CARSON CITY, NEVADA.

WHEREAS, the Board of Supervisors finds it appropriate to remove the liquor license fees from the Carson City Municipal Code in favor of adopting fees for liquor licenses through Resolution henceforth; and

WHEREAS, no modification to the fees for background investigations per Carson City Municipal Code, Section 4.13.070 (Investigation – Fees) is proposed at this time; and

WHEREAS, no modification to the fees for liquor license applications per Carson City Municipal Code, Section 4.13.105 (Application Fees) is proposed at this time; and

WHEREAS, no modification to the initial, annual or penalty fees for existing liquor license classes per Carson City Municipal Code, Section 4.13.110 (License – Fees) is proposed at this time; and

WHEREAS, no modification to the fee for the reissuance of a liquor license under certain circumstances per Carson City Municipal Code, Section 4.13.120 (License – Transferability, Use and Reactivation) is proposed at this time; and

WHEREAS, new fees are proposed for liquor licenses associated with the newly adopted classes of brew pub, brewery and craft distillery in Carson City Municipal Code, Section 4.13.010 (Definitions) and Section 4.13.050 (Classes of Licenses – Separate Entity); and

WHEREAS, prior to the amendment of the Carson City Municipal Code, Section 4.13.010 (Definitions) and Section 4.13.050 (Classes of Licenses – Separate Entity) to add the definitions and license classes for brew pub, brewery and craft distillery, licenses for those classes would still have been issued liquor licenses under existing, less specific liquor license categories; and

WHEREAS, the proposed fees for brew pub, brewery and craft distillery liquor licenses are consistent with the fee amounts for existing liquor license classes of a similar nature, leading staff and the District Attorney's office to determine that a Business Impact Statement per

NRS Chapter 237 is not warranted at this time.

NOW, THEREFORE, the Board of Supervisors hereby resolves that the fee schedule attached as Exhibit "A" is hereby adopted as the Liquor License Fee Schedule, with an effective date of February 16, 2017.
