Background/Issues & Analysis

A "Statement of Cash Receipts and Disbursements" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of August 24, 2018.

It is important to note that there will always be timing differences with these balances - for example while all departments take deposits to the bank on a daily basis, revenue reports are only prepared twice a month and there is usually a lag time between when the reports are prepared and when they are entered into the system.
