Previous Action

On March 15, 2018 the Board approved the purchase of Body Worn Camera System utilizing joinder contract with Axon Enterprise, Inc. (formally TASER International) through the State of Nevada RFP/Contract #3273 for an amount not to exceed \$387,913.34 over a five (5) year period to be funded from the 911 Surcharge Fund.

Background/Issues & Analysis

The 2017 Legislative Session passed SB176 mandating the equipping of audio/video devices by all law enforcement agencies statewide. To fund implementation by July 2018, in accordance with NRS 244A.7643, local governments are permitted to apply the costs of audio/video devices to funds generated by the 911 surcharge fee.

On July 6, 2017, the Carson City Board of Supervisors approved a "Draft" 911 Surcharge Master Plan", including a five-year proposed budget plan, recommending a change to Carson City Municipal Code 4.05, raising the surcharge fee applied from .25 cents per line, and \$2.50 per trunk line, to \$1 per line and \$10 per trunk line. The proposed plan as presented assessed the current need shortfalls in funding for the Public Safety 911 Operations Center, a five-year financial needs assessment, and fiscal implementation needs to support the mandated equipping of audio/video recording devices for the law enforcement agency.

On August 3, 2017, a business impact statement was sent to the Carson City Area Chamber of Commerce and approximately 100 businesses that currently pay the surcharge to Carson City. The business impact statement

was sent to over seventy phone providers. The statement outlined the proposed changes to the Municipal Code and the fee increase.

On September 7, 2017 the Board accepted the business impact statement and approved the first reading of the ordinance to change the Municipal Code.

On September 21, 2017 the Board approved the final changes to the Municipal Code. Each step in this process has been reviewed and approved by the 911 Surcharge Committee.
