Legislative Counsel's Digest:

The Nevada Public Safety Communications Committee was established by Governor Sandoval in 2014 with one of its goals being to advise the Statewide 911 Coordinator. (Executive Order 2014-01) Since the position of Statewide 911 Coordinator does not currently exist, the Committee created the NPSCC Statewide 911 Coordinator Subcommittee to determine the duties and responsibilities of the Statewide 911 Coordinator. As a result, the NPSCC Statewide 911 Coordinator Subcommittee submitted its Recommendations Report to the Committee in 2016 outlining the duties, education and experience requirements and funding mechanisms for the Statewide 911 Coordinator. This bill carries out the Recommendations Report of the NPSCC Statewide 911 Coordinator Subcommittee by creating the Nevada Statewide 911 Coordinator and other entities and funds. Section 19 of this bill creates the Office of the Nevada Statewide 911 Coordinator within the Department of Public Safety. Sections 40 and 41 of this bill make conforming changes. Section 19 requires the Director of the Department to appoint the Nevada Statewide 911 Coordinator, who is required to manage the Office. Section 20 of this bill authorizes the Coordinator to employ certain persons to assist the Coordinator in carrying out his or her duties and responsibilities.

Section 21 of this bill: (1) requires the Coordinator to meet certain education and experience requirements; and (2) provides further guidance as to the qualifications of the Coordinator. Sections 22-25 of this bill set out the

various duties of the Coordinator. Federal regulations authorize a state to apply for funds from the 911 Grant Program. To make such an application, a state must: (1) have a State 911 Plan; (2) have a project budget and a supplemental project budget; (3) identify a single officer or government body to serve as the 911 Coordinator of implementation of 911 services; and (4) have the 911 Coordinator sign certain certifications required under federal regulations. (47 C.F.R. § 400.4(a)). Section 22 of this bill identifies the Nevada Statewide 911 Coordinator as the designated 911 Coordinator of Nevada for the purpose of applying for funds from the 911 Grant Program. Section 23 of this bill requires the Coordinator to serve as the Executive Director of the Nevada Public Safety Communications Advisory Committee and provides for the responsibilities of the Coordinator in serving as the Executive Director. Section 24 of this bill provides for the fiscal responsibilities of the Coordinator, including administering the State 911 Fund and approving expenditures from the Fund. Section 25 of this bill provides for the various other duties of the Coordinator, including creating, implementing, managing and updating the State 911 Plan for the purpose of applying for funds from the 911 Grant Program. Section 26 of this bill requires the Coordinator to adopt certain regulations concerning public safety answering points and 911 systems. Section 26 further authorizes the Coordinator to adopt such other regulations as are necessary for the Coordinator to carry out his or her duties and responsibilities. Section 27 of this bill provides that the Coordinator is entitled to receive compensation for travel while carrying out his or her duties and responsibilities. Section 28 of this bill authorizes the Coordinator to apply for and receive gifts, grants, contributions or other money. Sections 29-31 of this bill impose a surcharge and various taxes that must be used to fund the duties and responsibilities of the Coordinator and the Nevada Public Safety Communications Advisory Committee. Section 29 of this bill requires the board of county commissioners in each county in this State to impose a surcharge that does not exceed 75 cents each month on: (1) the access lines or trunk lines of each customer of a telecommunications provider; (2) the mobile telephone service provided to certain customers of that service; and (3) any Internet Protocol enabled service or Voice over Internet Protocol service provided to certain customers of that service. Section 29 authorizes the board of county commissioners to impose a schedule of penalties for the delinquent payments of this surcharge from such providers or suppliers. Sections 44 and 46 of this bill make conforming changes. Section 30 of this bill imposes an excise tax on each retail sale in this State of a prepaid cellular device by any retailer at a rate of 3 percent of the sales price of the prepaid cellular device. Section 31 of this bill requires the board of county commissioners in each county in this State to impose a tax in any year that does not exceed 5 cents on each \$100 of the gross receipts from the rental of transient lodging in that county. Section 31 requires the board of county commissioners to impose a schedule of penalties for the delinquent payments of the tax. Sections 42, 43 and 45 of this bill make conforming changes. Sections 29-31 require any revenue received from this surcharge and these taxes to be deposited with the State Treasurer for credit to the State 911 Fund. Sections 32-37 of this bill create the Nevada Public Safety Communications Advisory Committee and provide the duties of the Advisory Committee. Section 32 of this bill creates the Advisory Committee and specifies its membership. Section 35 of this bill provides for the duties of the Committee, including advising the Coordinator. Section 36 of this bill authorizes the Co-Chairs of the Committee, with the approval of the Committee, to appoint any subcommittees that the Co-Chairs of the Committee deem necessary to assist in carrying out the duties of the Committee. Section 37 of this bill requires the Governor to provide such staff assistance to the Committee as the Governor deems appropriate. Section 38 of this bill creates the State 911 Fund in the State General Fund and requires the Coordinator to administer the State 911 Fund. Section 38 requires any revenue received from the following sources to be deposited with the State Treasurer for credit to the State 911 Fund: (1) the 911 Grant Program; (2) any gifts, grants, contributions or other money received by the Coordinator under section 28; (3) the surcharge imposed by section 29; (4) the excise tax imposed by section 30; and (5) the tax imposed by section 31. Section 38 requires: (1) all expenditures from the State 911 Fund to be approved in advance by the Coordinator; (2) the money in the State 911 Fund to be used for certain purposes; and (3) that the Coordinator may not use more than 5 percent of the money collected in a fiscal year for administrative expenses.
