

PROCLAMATION

Energy Efficiency Day October 2, 2019

WHEREAS, energy efficiency is the art of getting the same or better performance using less energy – all while cutting utility bills for residential, business, industrial customers and saving citizens money; and

WHEREAS, more than 2.3 million Americans work in the energy efficiency sector in local, good-paying, clean energy jobs that can't be outsourced and increasing efficiency will create more of them; and

WHEREAS, reliable, affordable energy is vital to our economic prosperity and energy efficiency is the most productive and cost-effective way to meet our energy needs; and

WHEREAS, Carson City government has embraced energy efficiency by installing 465 kilowatts of solar production capacity and completing a major energy conservation project both of which are at no net cost to the City; and

WHEREAS, Carson City continues to embrace energy efficiency by continuing to seek cost effective means of conserving energy; and

WHEREAS, a nationwide network of energy efficiency groups and partners has designated October 2nd as the national annual Energy Efficiency Day; and

WHEREAS, together the residents of Carson City, NV can continue to contribute to our sustainability efforts by learning more about energy efficiency and practicing smarter energy use in their daily lives;

NOW THEREFORE, I, Robert Crowell, Mayor of Carson City NV, do hereby proclaim Wednesday, October 2nd as “Energy Efficiency Day” in Carson City and encourage citizens to join us in supporting our clean energy goals and moving toward more energy efficiency now and in the future.

Dated this 19th day of September 2019.

Robert L. Crowell, Mayor
