

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** December 5, 2019

Staff Contact: Carol Akers and Rich Hardcastle

Agenda Title: For Possible Action: Discussion and possible action regarding the purchase of 29 vehicles and 1 utility bed swap for several departments throughout the City, utilizing the State of Nevada's competitive bid list and cooperative purchasing agreements through Sourcewell and HGACBuy for a total not to exceed amount of \$2,140,809.70. (Carol Akers, CAkers@carson.org and Rich Hardcastle, RHardcastle@carson.org)

Staff Summary: Multiple city departments are looking to replace vehicles due to the age and/or condition of the vehicles. The vehicles being replaced are at the end of their useful lives and it is not cost-effective to continue to maintain these vehicles. Staff seeks approval for a total of 29 vehicles to be replaced and 1 utility bed to be swapped to a different vehicle. These requested purchases were planned for and are funded as part of the approved FY 20 Capital Improvement Vehicle Replacement Program.

Agenda Action: Formal Action / Motion **Time Requested:** 5 minutes

Proposed Motion

I move to approve the purchases as presented.

Board's Strategic Goal

Efficient Government

Previous Action

On August 15, 2019 the Board of Supervisors approved the purchase of 15 vehicles for a total not to exceed amount of \$1,040,205.36.

Background/Issues & Analysis

Please see the attached spreadsheet for all replacement information. These proposed purchases are part of the City's vehicle replacement program. With approval, two new vehicles will be added to the fleet, a new pickup for the Parks-Rangemaster and a new backhoe for Street Maintenance. The vehicles being replaced are at the end of their useful lives and will be sent to auction for sale.

Emergency Vehicle Group, Inc. (EVG) is proud to be in the business of serving those who bravely serve our communities and help ensure the safety of our families and friends. Our pledge is to offer you the same quality of service and expertise that is demanded from you. Over the years we have introduced fire departments, municipalities and private companies to the absolute best in service, sales and support for emergency vehicle products.

We proudly serve California, Arizona and Nevada and offer you premium custom products along with the best value available in the industry. EVG accomplishes this by representing Spartan Emergency Response, SMEAL Fire Apparatus, LTC, US Tanker, SVI Trucks, Wheeled Coach Ambulance, Road Rescue Ambulance, and McCoy Miller Ambulances as well as offering ambulance remount services and command vehicles built by EVG.

EVG employs EVT and ASE Certified Mechanics with decades of experience in servicing emergency vehicles, fire apparatus and ambulances. EVG recognizes the importance of these vehicles as a life saving device and take great pride in serving those that bravely serve and protect us. Our corporate office, remount and main service facility is located in Anaheim, CA.

Our mission is to develop long-term relationships and provide our customers with "honest, intelligent effort" in everything we do for you. We are committed to do whatever it takes to surpass customers' expectations. All of us at Emergency Vehicle Group, Inc. believe in long-term relationships and we look forward to the opportunity of working with you and the City of Carson. I would again like to thank you for the opportunity. Each of us at EVG offer you our sincere pledge of "Honest, Intelligent Effort" in everything we do for you now, and in the future.

Sincerely,

Chris Rasmussen

Nevada State Bid 998WC-S490

Many options require other options when selected, but are not always shown. Please contact us to verify options for proper pricing. With medium duty trucks, it is essential to know what GVWR you need, as well as payload, towing requirements, and upfit equipment to be installed in order to properly build your truck. If you choose to send us a spec sheet of your required items, we will be glad to price out the vehicle and send you a quote. Total Sales Price is state bid price for base unit with no options, for ordered units only. Out of stock units are higher, and are based on a case by case basis. We are always happy to do dealer trades for vehicles that are needed immediately and can not be ordered. Please contact us directly for any up fit items not listed by factory. Nevada State Bid 998WC-S490

Many options require other options when selected, but are not always shown. Please contact us to verify options for proper pricing. With medium duty trucks, it is essential to know what GVWR you need, as well as payload, towing requirements, and upfit equipment to be installed in order to properly build your truck. If you choose to send us a spec sheet of your required items, we will be glad to price out the vehicle and send you a quote. Total Sales Price is state bid price for base unit with no options, for ordered units only. Out of stock units are higher, and are based on a case by case basis. We are always happy to do dealer trades for vehicles that are needed immediately and can not be ordered. Please contact us directly for any up fit items not listed by factory.
