Staff Contact: Aubrey Rowlatt, Clerk/Recorder

Agenda Title: For Possible Action: Discussion and possible action regarding the purchase of additional voting equipment through a Sales Order Agreement with Elections Systems & Software (ES&S) for a not to exceed amount of \$135,240, and an additional \$11,570 for a two-year term for hardware maintenance fees and firmware license, maintenance and support fees, with automatic renewal for successive two-year terms for such maintenance at a rate not more than a 5% increase over the amount of the most recent maintenance fees paid in the immediately preceding term, for a total initial contract amount of \$146,810. (Aubrey Rowlatt, arowlatt@carson.org)

Staff Summary: The Carson City Clerk-Recorder administers all federal, state and local elections within its boundaries. The State of Nevada passed Initiative Petition No. 1 (IP 1) in the 2018 General Election which mandates automatic voter registration through the Nevada Department of Motor Vehicles. In addition, the 2019 Nevada Legislature passed Assembly Bill (AB) 345 which mandates same day voter registration. Both of these mandates will increase the voter turnout and require additional voting equipment to prepare for proper voter accommodations.

Agenda Action: Formal Action / Motion **Time Requested:** 10 minutes

Proposed Motion

I move to approve the Sales Order Agreement as presented.

Board's Strategic Goal

Efficient Government

Previous Action

April 18, 2019 - Funding in the amount of \$164,444 was approved for the FY 2020 Capital Improvement Program for the purchase of additional voting equipment based on the passage of IP 1 (automatic voter registration) and the anticipated passage of AB 345 (same day voter registration).

Background/Issues & Analysis

Automatic voter registration was passed in the 2018 General Election as Initiative Petition No. 1. The effective date of this enactment is January 1, 2020. Additionally, AB 345 was passed in the 2019 Legislative Session which mandates same day voter registration. With these enactments, Carson City must anticipate an increase in voter turnout which will require additional voting equipment.

Carson City purchased voting equipment in 2017 from Elections Systems & Software (ES&S). The voting equipment portion of the system includes 100 ExpressVote ballot marking devices, and 4 DS200 polling place tabulators/scanners. With an anticipated increase in voter turnout, the Carson City Clerk-Recorder is

requesting the purchase of 30 additional ExpressVote ballot marking devices and 4 additional DS200 polling place tabulators/scanners.

The 30 additional ExpressVote ballot marking devices will be used to open an additional Early Voting location for the upcoming 2020 General Election. Currently, Carson City has one location for Early Voting which will continue to exist; however, in anticipation of a larger voter turnout and a Presidential election, an additional location will be required for the November General Election. The 4 additional DS200 polling place tabulators/scanners are required to increase the number of ballot tabulators available within the polling locations to allow for more voter access and less demand on the equipment. This will also allow for back-up tabulators/scanners in the extreme circumstance that one is required.

Financial Information

Is there a fiscal impact? Yes

If yes, account name/number: 2101002-506523 Capital Projects Fund / Voting Equipment

Is it currently budgeted? Yes

Explanation of Fiscal Impact: \$164,444 was approved during the FY20 Capital Improvement budgeting process based on the passage of IP 1 (automatic voter registration) and the anticipated passage of AB 345 (same day voter registration). Subsequently, AB 345 included an appropriation from the State General Fund of \$90,000 to Carson City for costs associated with the implementation of same day voter registration. This appropriation may be used to offset the Sales Agreement as presented as the voting equipment is a necessary expense in preparing Carson City for an increased voter turnout. The \$90,000 will be added to both a revenue account and the voting equipment expense account during the January 2020 augmentation process.

Cost for the additional voting equipment presented in this Sales Agreement: \$135,240

The annual maintenance, license and support fees for the additional voting equipment is included in the first year of purchase and is to be billed annually as set out below upon the expiration of the first year:

Annual Hardware and maintenance fee:	\$3,515
Annual Firmware license, maintenance and support fee:	\$2,270
	\$5,785

These fees are budgeted in account 1010216-500433 (Software Maintenance Cost) and will be billed for each renewal period in an amount not to exceed a 5% increase of the most recent fees.

In addition to the voting equipment presented in this Sales Agreement, the Clerk-Recorder will require the purchase of the following items pursuant to the legislative mandates of IP 1 and AB 345:

10	ExpressPoll electronic pollbooks (CIP budget approved item)	\$14,650
1	WiFi access point	\$1,500
12	Hand scanners for additional electronic pollbooks	\$5,400

(CIP budget approved item)

4	Laptop computers for polling locations	\$6,556
3	Cradle Points for WiFi access for electronic pollbooks (CIP budget approved item)	\$2,905
	Election worker training/new same day registration procedures	\$3,000

\$34,011

The State and Nevada counties are currently drafting regulations which could identify additional requirements and expenses associated with facilitating a same day registration election. These regulations may identify additional expenses that are unforeseen at this time.

Any CIP funds that remain after all necessary expenses have been identified for the implementation of these legislative mandates will revert back to the City's General Fund.

The terms, conditions, and pricing for the Hardware Maintenance and Software License, Maintenance and Support Services (Post-Warranty Period) are set forth in Exhibit A attached hereto.

SEE GENERAL TERMS AND CONDITIONS

GENERAL TERMS

1. **Purchase/License Terms.** Subject to the terms and conditions of this Agreement, ES&S agrees to sell and/or license, and Customer agrees to purchase and/or license, the ES&S Equipment, ES&S Software and ES&S Firmware described on the front side of this Agreement. The ES&S Firmware and ES&S Software are collectively referred to hereinafter as the "ES&S Software." The payment terms for the ES&S Equipment and ES&S Software are set forth on the front side of this Agreement. Title to the ES&S Equipment shall pass to Customer when Customer has paid ES&S the total amount set forth on the front side of this Agreement for the ES&S Equipment. The consideration for ES&S' grant of the license during the Initial Term for the ES&S Firmware is included in the cost of the ES&S Equipment.

2. **Grant of Licenses.** Subject to the terms and conditions of this Agreement, ES&S hereby grants to Customer nonexclusive, nontransferable licenses for its bona fide full time, part time or temporary employees to use the ES&S Software and related Documentation in the Jurisdiction while Customer is using the ES&S Equipment and timely pays the applicable annual ES&S Software License, Maintenance and Support Fees set forth on Schedule A1. The licenses allow such bona fide employees to use and copy the ES&S Software (in object code only) and the Documentation, in the course of operating the ES&S Equipment and solely for the purposes of defining and conducting elections and tabulating and reporting election results in the Jurisdiction.

3. **Prohibited Uses.** Customer shall not take any of the following actions with respect to the ES&S Software or the Documentation:

a. Reverse engineer, decompile, disassemble, re-engineer or otherwise create, attempt to create, or permit, allow or assist others to create, the source code or the structural framework for part or all of the ES&S Software; or

b. Cause or permit any use, display, loan, publication, transfer of possession, sublicensing or other dissemination of the ES&S Software or Documentation, in whole or in part, to or by any third party without ES&S' prior written consent; or

c. Cause or permit any change to be made to the ES&S Software without ES&S' prior written consent; or

d. Allow a third party to cause or permit any copying, reproduction or printing of any output generated by the ES&S Software (except finished ballots by ballot printers selected by Customer) in which ES&S owns or claims any proprietary intellectual property rights (e.g., copyright, trademark, patent pending or patent), including, but not limited to, any ballot shells or ballot code stock.

4. **Term of Licenses.** The licenses granted in Section 2 shall commence upon the delivery of the ES&S Software described in Section 2 and shall continue for a **one (1) year period** (the "Initial License Term"). Upon expiration of the Initial License Term, the licenses shall automatically renew for an unlimited number of successive one-year periods (each a "License Renewal Term") upon the payment by Customer of the annual software license and software maintenance and support fee as set forth on the front side of this Agreement. ES&S may terminate either license if Customer fails to pay the consideration due for, or breaches Sections 2, 3, or 9 with respect to, such license. Upon the termination of either of the licenses granted in Section 2 for ES&S Software or upon Customer's discontinuance of the use of any ES&S Software, Customer shall immediately return such ES&S Software and the related Documentation (including any and all copies thereof) to ES&S, or (if requested by ES&S) destroy such ES&S Software and Documentation and certify in writing to ES&S that such destruction has occurred.

5. **Updates.** During the Initial License Term or any License Renewal Term, ES&S may provide new releases, upgrades or maintenance patches to the ES&S Software, together with appropriate Documentation ("Updates"), on a schedule defined by ES&S. Customer is responsible for obtaining any upgrades or purchases of Third Party Items required to operate the Updates as well as the cost of any replacements, retrofits or modifications to the ES&S Equipment which may be necessary in order to operate the Updates. All Updates shall be deemed to be ES&S Software for purposes of this Agreement upon delivery. Customer may install the Updates in accordance with ES&S' recommended instructions or may request that ES&S install the Updates. ES&S may charge Customer at its then-current rates to (i) install the Updates; (ii) train Customer on Updates, if such training is requested by Customer or (iii) provide maintenance and support on the ES&S Software that is required as a result of Customer's failure to timely or properly install an Update. Customer shall be responsible for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee which is caused by Customer's failure to install and use the most recent Update provided to it by ES&S. If Customer proposes changes in the ES&S Software to ES&S, such proposals will become ES&S' property. ES&S may, in its sole discretion, elect to make or not to make such changes without reference or compensation to Customer or any third party. ES&S represents to Customer that the Updates will comply with all applicable state law requirements at the time of delivery. Customer shall be responsible to ensure that it has installed and is using only certified versions of ES&S Software in accordance with applicable law. In the event that any Updates are required due to changes in state law, ES&S reserves the right to charge Customer for the following:

- (i) the total cost of any third party items that are required in order to operate the Updates;
- (ii) the total cost of any replacements, retrofits or modifications to the ES&S Equipment contracted for herein that may be developed and offered by ES&S in order for such ES&S Equipment to remain compliant with applicable laws and regulations; and
- (iii) Customer's pro-rata share of the costs of designing, developing and/or certification by applicable federal and state authorities of such state mandated Updates.

Customer's pro-rata share of the costs included under subsection (iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the Equipment and/or Licensed Software purchased and licensed by Customer under this Agreement. Customer shall pay ES&S the entire costs incurred for design, development and certification of any Update which is required due to a change in local law or is otherwise requested or required by Customer.

6. **Delivery; Risk of Loss.** The Estimated Delivery Dates and First Election Use (if any) set forth on the front side of this Agreement are estimates and may only be established or revised, as applicable, by the parties, in a written amendment to this Agreement, because of delays in executing this Agreement, changes requested by Customer, product availability and other events. ES&S will notify Customer of such revisions as soon as ES&S becomes aware of such revisions. Risk of loss for the ES&S Equipment and ES&S Software shall pass to Customer when such items are delivered to Customer's designated location.

7. **Warranty.**

a. **ES&S Equipment/ES&S Software.** ES&S warrants that for a **one (1) year period** (the "Warranty Period"), it will repair or replace any component of the ES&S Equipment or ES&S Software

which, while under normal use and service: (i) fails to perform in accordance with its Documentation in all material respects, or (ii) is defective in material or workmanship. The Warranty Period will commence upon delivery. The Warranty shall not include the repair or replacement of any ES&S Equipment components that are consumed in the normal course of operating the ES&S Equipment, including printer ribbons, printer cartridges, paper rolls, batteries, removable media storage devices, PCMCIA cards or marking devices. Any repaired or replaced item of ES&S Equipment or ES&S Software shall be warranted only for the unexpired term of the Warranty Period. All replaced components of the ES&S Equipment or ES&S Software will become the property of ES&S. This warranty is effective provided that (I) Customer notifies ES&S within three (3) business days of the discovery of the failure of performance or defect and is otherwise in compliance with its obligations hereunder, (II) the ES&S Equipment or ES&S Software to be repaired or replaced has not been repaired, changed, modified or altered except as authorized or approved by ES&S, (III) the ES&S Equipment or ES&S Software to be repaired or replaced is not damaged as a result of accident, theft, vandalism, neglect, abuse, use which is not in accordance with instructions or specifications furnished by ES&S or causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, and (IV) Customer has installed and is using the most recent update provided to it by ES&S. This warranty is void for any units of equipment which: (i) have not been stored or operated in a temperature range according their specifications, (ii) have been severely handled so as to cause mechanical damage to the unit, or (iii) have been operated or handled in a manner inconsistent with reasonable treatment of an electronic product. The terms of post-warranty license, maintenance and support are set forth on Exhibit A.

b. **Exclusion Remedies/Disclaimer.** IN THE EVENT OF A BREACH OF SUBSECTION 7(a), ES&S' OBLIGATIONS, AS DESCRIBED IN SUCH SUBSECTION, ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES. ES&S EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, WHICH ARE NOT SPECIFICALLY SET FORTH IN THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FURTHER, IN THE EVENT CUSTOMER DECLINES ES&S' INSTALLATION AND ACCEPTANCE TESTING SERVICES OR IN ANY WAY AT ANY TIME ALTERS, MODIFIES OR CHANGES ANY EQUIPMENT, SOFTWARE, THIRD PARTY ITEMS AND/OR NETWORK (COLLECTIVELY "SYSTEM") CONFIGURATIONS WHICH HAVE BEEN PREVIOUSLY INSTALLED BY ES&S OR WHICH ARE OTHERWISE REQUIRED IN ACCORDANCE WITH THE CERTIFIED VOTING SYSTEM CONFIGURATION, ALL WARRANTIES OTHERWISE PROVIDED HEREUNDER WITH RESPECT TO THE SYSTEM PURCHASED, LEASED, RENTED AND/OR LICENSED UNDER THIS AGREEMENT SHALL BE VOID AND OF NO FURTHER FORCE AND EFFECT.

8. **Limitation Of Liability.** Neither party shall be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement. Neither party shall be liable for the other party's negligent or willful misconduct. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. By entering into this Agreement, Customer agrees to accept responsibility for (a) the selection of, use of and results obtained from any equipment, software or services not provided by ES&S and used with the ES&S Equipment or ES&S Software; or (b) user errors, voter errors or problems encountered by any individual in voting that are not otherwise a result of the failure of ES&S to perform. ES&S shall not be liable under this Agreement for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee that is caused by (y) Customer's failure to timely or properly install and use the most recent update provided to it by ES&S or (z) Customer's election not to receive, or to terminate, the Hardware Maintenance Services or the ES&S Software Maintenance and Support.

9. **Proprietary Rights.** Customer acknowledges and agrees as follows:

ES&S owns the ES&S Software, all Documentation and training materials provided by ES&S, the design and configuration of the ES&S Equipment and the format, layout, measurements, design and all other technical information associated with the ballots to be used with the ES&S Equipment. Customer has the right to use the aforementioned items to the extent specified in this Agreement. ES&S also owns all patents, trademarks, copyrights, trade names and other proprietary or intellectual property in, or used in connection with, the aforementioned items. The aforementioned items also contain confidential and proprietary trade secrets of ES&S that are protected by law and are of substantial value to ES&S. Customer shall keep the ES&S Software and related Documentation free and clear of all claims, liens and encumbrances and shall maintain all copyright, trademark, patent or other intellectual or proprietary rights notices that are set forth on the ES&S Equipment, the ES&S Software, the Documentation, training materials and ballots that are provided, and all permitted copies of the foregoing.

ES&S acknowledges that the Customer is a governmental entity and, as such, the Customer is subject to the Nevada Public Records Act. ES&S is to mark all information as "confidential" and/or "trade secret" which is to be provided to the Customer under this Agreement and which ES&S requests be withheld from disclosure pursuant to the Nevada Public Records Act. In the event a request is made under the Nevada Public Records Act for this information provided by ES&S to the Customer under this Agreement, Customer shall notify ES&S of such request in order to provide ES&S the opportunity to obtain an appropriate order to withhold the requested information. Notwithstanding the foregoing, in the event ES&S fails to obtain an appropriate order and the Customer releases any information which is not marked as "confidential" and/or "trade secret," the City shall not be liable to ES&S for any damages for the disclosure of such information which is subject to a valid open records request.

10. **Indemnification**

a. **By Customer.** To the fullest extent permitted under applicable law, Customer shall indemnify and hold harmless ES&S from and against any and all claims, damages, amounts paid in settlement and reasonable fees and costs (including reasonable attorneys' fees) (collectively "Adverse Consequences") arising out of or relating to the following:

i. Any claim that any of the ES&S Equipment or ES&S Software infringes upon any third party's copyright, trademark or patent existing as of the date hereof (a "Third Party Infringement Claim") resulting from (i) Customer's failure to timely or properly install and use any Update provided to it by ES&S; (ii) the use of any ES&S Equipment or ES&S Software in combination with other equipment, hardware or software not meeting ES&S' specifications for use with such ES&S Equipment or ES&S Software; or (iii) Customer's modification or alteration of any item of ES&S Equipment or ES&S Software without the prior written consent of ES&S;

ii. Any claims by third parties arising out of or relating to the use or misuse by Customer, its employees and any other persons under its authority or control ("Customer's Representatives") of any third party items;

iii. Personal injury (including death) or property damage that is caused by any negligent or willful act, error or omission of one or more of Customer's Representatives; and

iv. Customer's election not to receive, or to terminate, Hardware Maintenance Services or Software Maintenance and Support.

b. **By ES&S.** To the fullest extent permitted under applicable law, ES&S shall indemnify and hold harmless Customer from and against any Adverse Consequences arising out of or relating to the following:

i. a Third Party Infringement Claim. Customer shall notify ES&S immediately if it becomes aware of any Third Party Infringement Claim. Customer hereby gives ES&S full and complete authority, and shall provide such information and assistance as is necessary (at ES&S' expense with respect to reasonable out-of-pocket costs), to enable ES&S to defend, compromise or settle a Third Party Infringement Claim. In addition, if Customer is prevented by a Third Party Infringement Claim from using any of the ES&S Equipment or ES&S Software in substantially the manner contemplated by this Agreement, ES&S, at its sole option and expense, shall procure for Customer the right to continue such use or shall replace or modify the infringing item. If neither option is commercially reasonable, ES&S may direct Customer to cease use of the infringing item, and shall refund the depreciated cost for the infringing item (as determined in accordance with GAAP) to Customer, and Customer shall cease and desist from any further use thereof and return the infringing item to ES&S; provided, however, that if loss of the infringing item causes the voter tabulation system to fail to (i) perform in accordance with its Documentation, (ii) be compliant with all applicable federal and state election laws and regulations, or (iii) remain certified by the appropriate state authorities for use in the Jurisdiction, and ES&S is unable, despite commercially reasonable efforts, to modify the voter tabulation system to resolve such failures, then ES&S shall instead refund the depreciated amount paid by Customer for the voter tabulation system under this Agreement (as determined in accordance with GAAP). **THE FOREGOING STATES ES&S' ENTIRE LIABILITY FOR ANY INTELLECTUAL PROPERTY INFRINGEMENT ARISING UNDER THIS AGREEMENT;**

ii. Personal injury (including death) or property damage that is caused by any negligent or willful act, error or omission of one or more of ES&S or ES&S' representatives; and

Each party shall notify the other immediately if it becomes aware of any claim for which it may be entitled to indemnification under this Section 10, and hereby gives such party full and complete authority, and shall provide such information and assistance as is necessary (at the indemnifying party's expense with respect to reasonable out-of-pocket costs), to enable the indemnifying party to defend, compromise or settle any such claim.

11. **Termination.** This Agreement may be terminated, in writing, at any time by either party if the other party breaches any material provision hereof and does not cure such breach within 30 days after it receives written notification thereof from the non-breaching party. All payments and services provided under this Agreement are contingent upon the availability of the necessary public funding, which may include various internal and external sources. In the event that Customer does not acquire and appropriate the funding necessary to perform in accordance with the terms of the Agreement, the Agreement shall automatically terminate upon Customer's notice to ES&S of such nonappropriation, and no claim or cause of action may be based upon any such nonappropriation.

12. **Disputes.**

a. **Payment of Undisputed Amounts.** In the event of a dispute between the parties regarding (1) a product or service for which payment has not yet been made to ES&S, (2) the amount due ES&S for any product or service, or (3) the due date of any payment, Customer shall nevertheless pay to ES&S when due all undisputed amounts. Such payment shall not constitute a waiver by Customer or ES&S of any of its rights and remedies against the other party.

b. **Remedies for Past Due Undisputed Payments.** If any undisputed payment to ES&S is past due more than 30 days, ES&S may suspend performance under this Agreement until such amount is paid. Any disputed or undisputed payment not paid by Customer to ES&S when due shall bear interest from the due date at a rate equal to the lesser of one and one-half percent per month or the maximum amount permitted by applicable law for each month or portion thereof during which it remains unpaid.

13. **Assignment.** Except in the case of a reorganization of the assets or operations of ES&S with one or more affiliates of ES&S or the sale, transfer or assignment of all or substantially all of the assets of ES&S or any business operations thereof to a successor who has asserted its intent to continue the applicable business of ES&S, neither party may assign or transfer this Agreement or assign, subcontract or delegate any of its rights, duties or obligations hereunder without the prior written consent of the other party hereto, such consent not to be unreasonably withheld or conditioned, nor unduly delayed.

14. **Compliance with Laws.** ES&S warrants to Customer that, at the time of delivery, the ES&S Equipment and ES&S Software sold and licensed under this Agreement will comply with all applicable requirements of federal and state election laws and regulations that are mandatory and effective as of the Effective Date and will have been certified by the appropriate state authorities for use in Customer's state. The ES&S Equipment and ES&S Software, including all components will be provided to Customer with a hardened network for the election management software ("EMS"), in accordance with the guidelines of the United States Election Assistance Commission. During the Term of this Agreement, in the event Customer fails to maintain EMS in the hardened network or allows any internal or external access to the hardened network, Customer agrees to indemnify and hold harmless ES&S from and against any and all claims, damages, losses, liens, obligations, liabilities, judgments, assessed damages, costs, expenses (including reasonable attorney's fees) and the like arising out of or related to the Customer's breach of its obligations hereunder.

15. **Voting System Reviews.** In the event that the Jurisdiction or the State require any future reviews or examinations ("Reviews") of current or previous versions of state-certified ES&S voting systems or components thereof that are not otherwise required as a result of any changes or modifications voluntarily made by ES&S to the ES&S Software and/or ES&S Equipment licensed and sold hereunder, Customer shall be responsible for:

(i) Customer's pro-rata share of such Review costs;

(ii) Customer's pro-rata share of the costs of designing, developing, manufacturing and/or certification by applicable federal and state authorities of any mandated modifications to the ES&S Equipment and/or ES&S Software that may result from such Reviews; and

(iii) the total cost of any third party items that are required in order for the ES&S Equipment and/or ES&S Software to satisfy any new requirements resulting from such Reviews in order to remain certified;

Customer's pro-rata share of the costs included under subsections 14(ii) and 14(iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the ES&S Equipment and/or ES&S Software purchased and licensed by Customer under this Agreement.

16. **Entire Agreement.** This Agreement, including all exhibits hereto, shall be binding upon and inure to the benefit of the parties and their respective representatives, successors and assigns. This Agreement, including all Exhibits hereto, contains the entire agreement of the parties with respect to the subject matter hereof and shall supersede and replace any and all other prior or contemporaneous discussions, negotiations, agreements or understandings between the parties, whether written or oral, regarding the subject matter hereof. Any provision of any purchase order, form or other agreement which conflicts with or is in addition to the provisions of this Agreement shall be of no force or effect. In the event of any conflict between a provision contained in an Exhibit to this Agreement and these General Terms, the provision contained in the Exhibit shall control. No waiver, amendment or modification of any provision of this Agreement shall be effective unless in writing and signed by the party against whom such waiver, amendment or modification is sought to be enforced. No consent by either party to, or waiver of, a breach by either party shall constitute a consent to or waiver of any other different or subsequent breach by either party. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Customer resides, without regard to its conflicts of laws principles. The parties agree that venue for any dispute or cause of action arising out of or related to this Agreement shall be in the state and federal courts of the United States located in the State in which the Customer resides. ES&S is providing equipment, software and services to Customer as an independent contractor, and shall not be deemed to be a "state actor" for purposes of 42 U.S.C. § 1983. ES&S may engage subcontractors to provide certain of the equipment, software or services, but shall remain fully responsible for such performance. The provisions of Sections 1-5, 7(b), 8-10, 12(b), and 13-16 these General Terms shall survive the termination of this Agreement, to the extent applicable.

Customer may request that Routine Maintenance Services be performed more than once during the Initial Term or any Renewal Period. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Schedule A1 and shall be due within thirty (30) days after invoice date. ES&S will schedule the Routine Maintenance Services with Customer. The Routine Maintenance Services will be provided at Customer's Designated Location. Customer's "Designated Location" shall mean Customer's owned or leased facility at which Customer desires ES&S to perform the Hardware Maintenance Services.

b. **Repair Services.**

i. **Defects Under Normal Use and Service.** If a defect or malfunction occurs in any Product while it is under normal use and service, Customer shall promptly notify ES&S, and ES&S shall use reasonable efforts to restore the item to Normal Working Condition as soon as practicable. The services provided by ES&S pursuant to this Subsection 1(b)(i) are referred to herein as "Repair Services". ES&S will perform Repair Services in conjunction with a Routine Maintenance Service event at the Customer's Designated Location.

ii. **Defects Due to Customer Actions or Omissions.** If a defect or malfunction occurs in any Product as a result of (1) repairs, changes, modifications or alterations not authorized or approved by ES&S, (2) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S or (3) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations, and utility or communication interruptions, rodent infestation, or if Customer does not notify ES&S within 72 hours after it knows of the defect or malfunction, Customer shall pay ES&S for the Repair Services at ES&S' then-current rates, as well as for the cost of all parts used in connection with such Repair Services.

iii. **Timing.** The date(s) on which any Repair Services shall be provided shall be mutually agreed upon by ES&S and Customer. If Customer requires ES&S to provide "emergency" Repair Services (which shall be defined as Repair Services that are provided by ES&S within 48 hours after Customer notifies ES&S of the need therefore), and such emergency Repair Services are not needed as a result of an action, error or omission by ES&S, Customer shall pay a surcharge, as set forth on Schedule A1.

iv. **Loaner Unit.** At Customer's request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Repair Services are being performed (a "Loaner Unit"). If the Repair Services are being performed pursuant to Subsection 1(b)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S' then-current rates including the cost of shipping.

c. **Exclusions.** ES&S has no obligation under this Agreement to (i) assume the obligations under any existing or expired warranty for a Third Party Item; (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, printer ribbons, printer cartridges, paper rolls, batteries, removable media storage devices, PCMCIA cards or marking devices, or (iii) repair any Product from which the serial number has been removed or altered. In addition, ES&S may, at any time in

its discretion, determine that any Product is no longer fit for Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days in the respective period within the Initial Term or Renewal Period for which such fee was paid and the denominator of which is the total number of days in the respective period within such Initial Term or Renewal Period.

d. **Sole Provider; Access.** Customer shall not permit any individual other than an ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets.

e. **Environmental Conditions.** Products should be stored in a clean, dry and secure environment. During the storage and operation of the Products, the temperature and moisture ranges should be maintained in accordance with the Products' Documentation.

f. **Reinstatement of Hardware Maintenance Services; Inspection.** If the Initial Term or any Renewal Period thereof expires without being renewed, Customer may thereafter resume receiving Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are in Normal Working Condition. The cost of such inspection will be at ES&S' then current rates and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any labor (charged at ES&S' then current rates) and parts used in such repairs or replacements, or (ii) shall not provide any Hardware Maintenance Services with respect to such Product(s).

ARTICLE III **SOFTWARE LICENSE, MAINTENANCE AND SUPPORT SERVICES**

1. **License and Services Provided.** ES&S shall provide license, maintenance and support services ("Software License, Maintenance and Support") for the ES&S Software and ES&S Firmware (collectively, "ES&S Software"), to allow Customer to continue to license and use the software in accordance with the license terms set forth in Sections 2-4 of the General Terms as well as to enable it to perform in accordance with its Documentation in all material respects, and to cure any defect in material or workmanship. beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (d) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, or (e) Customer's failure to notify ES&S within three (3) business days after Customer knows of the need for such services. Any such Software License, Maintenance and Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software License, Maintenance and Support arises. Replacement versions of Software requested by Customer as a result of items set forth in this Section 3 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates.

4. **Proprietary Rights.** ES&S shall own the entire right, title and interest in and to all corrections, programs, information and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Exhibit A, including all proprietary rights therein or based thereon. Subject to the payment of all Software License, Maintenance and Support Fees, ES&S hereby grants to Customer a non-exclusive license to use that portion of such corrections, programs, information and work product that ES&S actually delivers to Customer pursuant to this Exhibit A. All licensed items shall be deemed to be ES&S Software for purposes of this Exhibit A. Except and to the extent expressly provided herein, ES&S does not grant to Customer any right, license, or other proprietary right, express or implied, in or to any corrections, programs, information, or work product covered by this Exhibit A.

5. **Reinstatement of Software License, Maintenance and Support.** If the Initial Term or any Renewal Period thereof expires without being renewed, Customer may thereafter receive a Software License and resume receiving Software Maintenance and Support upon (a) notification to ES&S, (b) payment of all fees, which would have been due to ES&S had the Initial Term or any Renewal Period not expired, and (c) the granting to ES&S of access to the ES&S Software, so that ES&S may analyze it and perform such maintenance as may be necessary before resuming the Software License, Maintenance and Support services.
