Agenda Item No: 13.B

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** January 2, 2020

Staff Contact: Sheri Russell , Chief Financial Officer (srussell@carson.org)

Agenda Title: For Possible Action: Discussion and possible action to prioritize the appropriation of

excess undesignated General Fund ending fund balance from fiscal year (FY) 2019 in the

amount of \$2,523,236. (Sheri Russell srussell@carson.org)

Staff Summary: At the December 5, 2019 Board of Supervisors meeting, the Board requested that staff bring back an item for Board discussion and possible action on how to prioritize the \$2,523,236 in General Fund savings from FY 19. The following are staff recommendations based on FY 20 Board actions, Board direction, and future capital needs:

Rifle and Pistol Range Safety Improvements \$ 432,039 Subscriber Radio Replacement FY 21 and FY 22 1,091,690 Capital Needs FY 21 999,507 Total FY 19 Savings \$ 2,523,236

Agenda Action: Formal Action / Motion **Time Requested:** 10 Minutes

Proposed Motion

I move to appropriate the FY 19 excess undesignated General Fund ending fund balance as proposed.

Board's Strategic Goal

Efficient Government

Previous Action

December 5, 2019 - The Carson City Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2019 was presented.

Background/Issues & Analysis

At the November 7, 2019 Board of Supervisors meeting, staff provided the Board with a status update on the rifle and pistol range. Based on current available funding, staff had recommended that a request for bids be done for the shooting bays and short range improvements. Instead the Board gave direction to staff to include the long range, short range and shootings bays in the request for bids to determine what savings could be realized by doing the improvements to all three ranges at the same time. Based on the bids that were received, \$432,039 is needed from the General Fund to complete the entire project. \$4,500 is for project management, and the remaining \$427,539 for Construction. The engineers estimate for this item was \$933,960 and total bid with alternate and contingency is \$809,410. The City set aside \$250,000 in the Fiscal Year 2020 Capital Improvement Program (CIP) and secured Grant Funding of \$131,871. Contingency amount of \$73,583 will only be transferred if needed.

Another item that came before the Board on December 5, 2019 was the Radio System Plan. Part of that plan included \$1,091,690 for subscriber radio replacement, split between two years FY 21 and FY 22. These purchases are necessary to implement the City's 2019 Public Safety Radio System Plan. Staff is recommending setting aside this amount from General Fund ending fund balance to ensure funding is available for these future costs.

Lastly, a General Fund 5-year projection has been included which shows that the available capital funding for FY 21 is \$4 million, \$3.5 million and \$3.3 million less than what we had available for FY 19 and FY 20, respectively. Therefore staff is recommending the remaining fund balance be saved for FY 21 capital needs. Note that the 5-year projection shows \$4,018,452 for CIP funding. The breakdown of this is \$1,434,269 for Landfill capital, \$760,354 for Fleet (1% General Fund Expenditures), and \$691,829 for Extraordinary Maintenance (5 cents, property taxes), which leaves \$1,132,000 for all other general government capital needs (facilities, parks, equipment, etc.).

N/A

Financial Information

Is there a fiscal impact? Yes

If yes, account name/number: General Fund (Contingency)/ Fund Balance

Is it currently budgeted?

(Vote Recorded By)

Explanation of Fiscal Impact: Impact will depend on the discussion; however, if recommendations are approved total budget will be added to contingency for budget purposes. The funding for the Rifle and Pistol Range Safety Improvements will be transferred from Contingency to the Quality of Life Fund during the FY20 augmentation process and the remaining balance will be held in contingency and actual dollars will be designated as assigned fund balance at year end, so it can be used for FY21 and FY22 budget needs.
