

## STAFF REPORT

**Report To:** Board of Supervisors

**Meeting Date:** January 16, 2020

**Staff Contact:** Carol Akers, Purchasing and Contracts Administrator and Andy Hummel, Wastewater Utility Manager

**Agenda Title:** For Possible Action: Discussion and possible action regarding Contract No. 19300020, Reuse Master Plan, with Manhard Consulting for a total contract amount of \$131,200 to be funded from the Wastewater Professional Services Account and a reimbursement of \$50,000 from Carson Water Subconservancy District (CWSD) to the City. (Carol Akers; CAkers@carson.org and Andy Hummel, AHummel@carson.org)

Staff Summary: Carson City's Water Resource Recovery Facility treats approximately 5 million gallons of sanitary sewage a day. This treated effluent is then utilized for irrigation at 3 local golf courses and the State of Nevada Prison Farm; during the winter Brunswick Reservoir is utilized for storage. Reuse Master Planning was last performed in 2006. Over the last 14 years, treatment process changes, a substantial drought and recession with subsequent water-usage reductions, new-found growth, and State of Nevada effluent reuse code changes have all occurred. These provide new opportunities and restrictions, prompting the development of a Reuse Master Plan Update to provide valuable guidance to Carson City in the future.

### **Previous Action**

On July 18, 2019, the Board of Supervisors approved the Interlocal Contract between the Carson Water Subconservancy District (CWSD) and Carson City, whereby, CWSD agrees to provide up to \$50,000 to fund the update of the Reuse Master Plan.

### **Background/Issues & Analysis**

Utilizing treated effluent for irrigation at area golf courses and the Prison Farm accounts for approximately 25% of Carson City's water usage. Given the importance of treated effluent as part of Carson City's overall water portfolio, the Carson Water Subconservancy District was approached for funding; \$50,000 was provided to assist in Reuse Master Planning.

The Request for Qualifications was published in the Reno Gazette Journal and on Carson City's website on July 23, 2019. Two proposals were received. The Review and Selection Committee selected Manhard Consulting to recommend to the Board for award of the contract for the Reuse Master Plan.

After reviewing and ranking both proposals, Manhard was selected as most qualified to update Carson City's Reuse Master Plan. A scope of work was developed to review past reports, plans, permits, and documents; develop future flow estimates, evaluation system infrastructure and existing users; develop and evaluate new disposal options; perform public outreach; and develop draft and final Reuse Master Plan. This scope of work is being presented for consideration.

## 7. CONTRACT TERMINATION:

### 7.1 Termination Without Cause:

7.1.1 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

7.1.2 **CITY** reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for SERVICES actually completed. If termination occurs under this provision, in no event shall **CONSULTANT** be entitled to anticipated profits on items of SERVICES not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. **CONSULTANT** shall require that all subcontracts which it enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subconsultant to make claims against **CONSULTANT** for damages due to breach of contract, of lost profit on items of SERVICES not performed or of unabsorbed overhead, in the event of a convenience termination.

### 7.2 Termination for Nonappropriation:

7.2.1 All payments and SERVICES provided under this Contract are contingent upon the availability of the necessary public funding, which may include various internal and external sources. In the event that Carson City does not acquire and appropriate the funding necessary to perform in accordance with the terms of the Contract, the Contract shall automatically terminate upon **CITY'S** notice to **CONSULTANT** of such nonappropriation, and no claim or cause of action may be based upon any such nonappropriation.

### 7.3 Cause Termination for Default or Breach:

7.3.1 A default or breach may be declared with or without termination.

7.3.2 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

7.3.2.3 If **CONSULTANT** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

Contract No. 19300020

Title: Reuse Master Plan

7.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONSULTANT'S** ability to perform; or

7.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONSULTANT**, or any agent or representative of **CONSULTANT**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

## 7.4 Time to Correct (Declared Default or Breach):

7.4.1 Termination upon a declared default or breach may be exercised only after providing 7 (seven) calendar days written notice of default or breach, and the subsequent failure of the defaulting or breaching party, within five (5) calendar days of providing that default or breach notice, to provide evidence satisfactory to the aggrieved party demonstrating that the declared default or breach has been corrected. Time to correct shall run concurrently with any notice of default or breach and such time to correct is not subject to any stay with respect to the nonexistence of any Notice of Termination. Untimely correction shall not void the right to termination otherwise properly noticed unless waiver of the noticed default or breach is expressly provided in writing by the aggrieved party. There shall be no time to correct with respect to any notice of termination without cause or termination for nonappropriation.

## 7.5 Winding Up Affairs Upon Termination:

7.5.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this **Subsection 7.5** (Winding Up Affairs Upon Termination) survive termination:

7.5.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; and

7.5.1.2 **CONSULTANT** shall satisfactorily complete SERVICES in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**; and

7.5.1.3 **CONSULTANT** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**; and

7.5.1.4 **CONSULTANT** shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance **Section 19** (CITY OWNERSHIP OF PROPRIETARY INFORMATION).

## 7.6 Notice of Termination:

7.6.1 Unless otherwise specified in this Contract, termination shall not be effective until seven (7) calendar days after a party has provided written notice of default or breach, or notice of without cause termination. Notice of Termination may be given at the time of notice of default or breach, or notice of without cause termination. Notice of Termination may be provided separately

at any time after the running of the 7-day notice period, and such termination shall be effective on the date the Notice of Termination is provided to the party unless a specific effective date is otherwise set forth therein. Any delay in providing a Notice of Termination after the 7-day notice period has run without a timely correction by the defaulting or breaching party shall not constitute any waiver of the right to terminate under the existing notice(s).

## 8. REMEDIES:

Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorney's fees and costs. The parties agree that, in the event a lawsuit is filed and a party is awarded attorney's fees by the court, for any reason, the amount of recoverable attorney's fees shall not exceed the rate of \$125 per hour. **CITY** may set off consideration against any unpaid obligation of **CONSULTANT** to **CITY**.

## 9. LIMITED LIABILITY:

**CITY** will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise expressly provided for elsewhere in this Contract. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

## 11. INDEMNIFICATION:

11.1 To the extent permitted by law, including, but not limited to, the provisions of NRS Chapter 41, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this Section.

11.2 As required by NRS 338.155, if this Contract involves a "public work" construction project as defined above, **CONSULTANT** shall defend, indemnify and hold harmless the **CITY**, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including without limitation, reasonable attorney's fees, to the extent that such liabilities, damages, losses, claims, actions or proceedings are caused by the negligence, errors, omissions, recklessness or intentional misconduct of the **CONSULTANT** or the employees or agents of the **CONSULTANT** in the performance of the Contract. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this section. However, with respect to any anticipated benefits to **CITY** resulting from the Scope of Work, **CONSULTANT** shall not be responsible or liable to **CITY** for any warranties, guarantees, fitness for a particular purpose or loss of anticipated profits resulting from any termination of this Contract. Additionally, **CONSULTANT** shall not be responsible for acts and decisions of third parties, including governmental agencies, other than **CONSULTANT'S** subcontractors, that impact project completion and/or success.

11.3.1 a written request for a legal defense for such pending claim(s) or cause(s) of action; and

11.3.2 a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

11.4 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

11.5 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

## 12. **INDEPENDENT CONTRACTOR:**

12.1 **CONSULTANT**, as an independent contractor, is a natural person, firm or corporation who agrees to perform SERVICES for a fixed price according to his or its own methods and without subjection to the supervision or control of the **CITY**, except as to the results of the SERVICES, and not as to the means by which the SERVICES are accomplished.

12.2 It is mutually agreed that **CONSULTANT** is associated with **CITY** only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted SERVICES pursuant to this Contract. **CONSULTANT** is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract.

12.3 Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for **CITY** whatsoever with respect to the indebtedness, liabilities, and obligations of **CONSULTANT** or any other party.

12.4 **CONSULTANT**, in addition to **Section 11** (INDEMNIFICATION), shall indemnify and hold **CITY** harmless from, and defend **CITY** against, any and all losses, damages, claims, costs, penalties, liabilities, expenses arising out of or incurred in any way because of, but not limited to, **CONSULTANT'S** obligations or legal duties regarding any taxes, fees, assessments, benefits, entitlements, notice of benefits, employee's eligibility to work, to any third party, subcontractor, employee, state, local or federal governmental entity.

12.5 Neither **CONSULTANT** nor its employees, agents, or representatives shall be considered employees, agents, or representatives of **CITY**.

## 13. **INSURANCE REQUIREMENTS (GENERAL):**

13.1 **NOTICE: The following general insurance requirements shall apply unless these general requirements are altered by any specific requirements set forth in CITY'S solicitation for bid document, the adopted bid or other document incorporated into this Contract by the parties.**

13.2 **CONSULTANT**, as an independent contractor and not an employee of **CITY**, must carry policies of insurance in amounts specified and pay all taxes and fees incident hereunto. **CITY** shall have no liability except as specifically provided in this Contract.

13.3 **CONSULTANT** shall not commence work before: (1) **CONSULTANT** has provided the required

evidence of insurance to **CITY** Purchasing and Contracts, and (2) **CITY** has approved the insurance policies provided by **CONSULTANT**.

13.4 Prior approval of the insurance policies by **CITY** shall be a condition precedent to any payment of consideration under this Contract and **CITY'S** approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of **CITY** to timely approve shall not constitute a waiver of the condition.

13.5 *Insurance Coverage (13.6 through 13.23):*

13.6 **CONSULTANT** shall, at **CONSULTANT'S** sole expense, procure, maintain and keep in force for the duration of this Contract the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by **CITY**, the required insurance shall be in effect prior to the commencement of work by **CONSULTANT** and shall continue in force as appropriate until the later of:

13.6.1 Final acceptance by **CITY** of the completion of this Contract; or

13.6.2 Such time as the insurance is no longer required by **CITY** under the terms of this Contract.

13.6.3 Any insurance or self-insurance available to **CITY** under its coverage(s) shall be in excess of and non-contributing with any insurance required from **CONSULTANT**. **CONSULTANT'S** insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by **CITY**, **CONSULTANT** shall provide **CITY** with renewal or replacement evidence of insurance no less than thirty (30) calendar days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by this Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as **CONSULTANT** has knowledge of any such failure, **CONSULTANT** shall immediately notify **CITY** and immediately replace such insurance or bond with an insurer meeting the requirements.

13.7 *General Insurance Requirements (13.8 through 13.23):*

13.8 **Certificate Holder:** Each certificate shall list Carson City c/o Carson City Purchasing and Contracts, 201 N. Carson Street, Suite 2, Carson City, NV 89701 as a certificate holder.

13.12 **Deductibles and Self-Insured Retentions:** Insurance maintained by **CONSULTANT** shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by **CITY**. Such approval shall not relieve **CONSULTANT** from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed \$5,000.00 per occurrence, unless otherwise approved by **CITY**.

13.13 **Policy Cancellation:** Except for ten (10) calendar days' notice for non-payment of premium, premium, **CONSULTANT** or its insurers must provide thirty (30) calendar days prior written notice to Carson City Purchasing and Contracts if any policy will be canceled, non-renewed or if required coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by mail to Carson City Purchasing and Contracts, 201 N. 13.19 **Review and Approval:** Documents specified above must be submitted for review and approval by **CITY** Purchasing and Contracts prior to the commencement of work by **CONSULTANT**. Neither approval by **CITY** nor failure to disapprove the insurance furnished by **CONSULTANT** shall relieve **CONSULTANT** of **CONSULTANT'S** full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of **CONSULTANT** or its subcontractors, employees or agents to **CITY** or others, and shall be in addition to and not in lieu of any other remedy available to **CITY** under this Contract or otherwise. **CITY** reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

**RE: REUSE MASTER PLAN UPDATE**

Dear Mr. Hummel:

We are pleased to present you with this proposal for the Reuse Master Plan Update for Carson City (City). Manhard Consulting, Ltd. (Manhard) will perform the services as described herein.

**Project Need**

Disposal of Carson City's treated effluent is 100% reuse with no direct discharge to the Carson River. Effluent produced during the winter is stored in Brunswick Canyon Reservoir, during summer months effluent is delivered to 3 local golf courses and the State of Nevada Prison farm. The Brunswick Reservoir is an unlined earthen embankment facility which loses water to evaporation and seepage:

- The Reuse Master Plan Update will cover:
  - Document review and meetings with City staff.
  - Future flow development and Brunswick Reservoir & irrigation disposal.
  - Infrastructure improvements assessment.
  - Existing reuse irrigation users.
  - New disposal options.
  - Master plan and Capital planning.
  - Public meetings and Presentations.
  - Management issues recommendations.

The City Reclaimed Water Analysis was originally developed in 2014 and looked at usage trends of various sites coupled with plant generation and reservoir storage. The next analysis was the Reclaimed Water Storage and Utilization Considerations done in 2016. This analysis looked at the utilization of additional reclaimed water that will come from lining the reservoir and future growth. The next analysis was the Brunswick Effluent Design Performance Assessment, done in 2019. This analysis provided an assessment of the air release and combination valves and surge tank for the effluent line from the treatment plant to the reservoir. This Reuse Master Plan Update will build on the previous reports including the 2006 Reuse Master Plan Update report and expand in areas of water balance, reservoir

integrity, infrastructure improvements, new options for additional discharge, and ultimate capital improvement programs.

This work will be performed for the lump sum amount of **\$131,200** upon approval by the City. We appreciate this opportunity to be of service to the City. Please forward any comments or concerns to Ralph Wenziger at [rwenziger@manhard.com](mailto:rwenziger@manhard.com) or by phone at 775-887-5256.

Yours truly,

Document Review and Meetings with City Staff</b></p> <ul style="list-style-type: none"> <li>• Manhard will review existing and past effluent reuse system documents and including the sewer master plan, wastewater master plan, water resources report, corrosion reports and activities, and any related documents and will summarize issues which result from the review.</li> <li>• Manhard will meet with City maintenance staff, plant operators and supervisors with responsibility for the reuse system to determine issues to be addressed in subsequent reuse plan efforts. Discussion will include pipeline maintenance, controls/Scada, reservoir, water quality monitoring, springs, and other system issues.</li> <li>• The Springs NDEP permit will be reviewed and any implications for future issues identified.</li> <li>• Data will be gathered to provide for updating reuse flows, reservoir storage volumes and loss and irrigation usage by the various applicators. Meter/Scada data and correlation to wastewater flows will be included.</li> <li>• Existing reuse water quality will be reviewed and implications of possible future changes will be reviewed.</li> </ul> <p><b>Deliverables:</b> Summary memo and associated spread sheets. A meeting with City staff will be conducted to review the information and identify issues to be addressed for next steps for the project.</p>	<b>\$17,600</b>
<p><b>II. Future Flow Development and Brunswick Reservoir &amp; Irrigation Disposal Requirements</b></p> <ul style="list-style-type: none"> <li>• Manhard will develop a range of future effluent reuse flow estimates based on wastewater master plan, future City population growth and other possible predictive sources. The range of flows will be correlated to reservoir storage and irrigation requirements.</li> <li>• The springs versus lining issue will be reviewed and summarized.</li> </ul> <p><b>Deliverables:</b> Summary memo and associated spread sheets. A meeting with City staff will be conducted to review the information and identify issues to be addressed for next steps for the project.</p>	<b>\$12,800</b>
