Background/Issues & Analysis

The partnership supports students in Carson City in multiple ways:

- Promotes reading and learning through books, databases, programs, and library resources.
- Promotes the exploration and development of STEAM skills (Science, Technology, Engineering, Arts, & Math).
- Promotes digital literacy through online and digital resources available at the library.
- Promotes connectivity and access to wireless access with the library.

Additionally, the Library hosts two part-time student interns to work in the Digitarium to support the interns in gaining professional skills in customer services, digital production, inventory and equipment maintenance, time management and general workplace skills.

Applicable Statute, Code, Policy, Rule or Regulation
