

# School Resource Officer “SRO” Program

February 2020

## Program Objectives

source: MOU

The primary goal of this program is to achieve greater physical and psychological security and safety for students and employees within School District through a balanced approach of education, enforcement, and community relationships.

## Strategies

- **Reduce the number of incidences of violence and weapons on or at school property**
- **Reduce truancy occurrence rates and juvenile arrests community-wide.**

*Safer schools, safer kids...*

## SRO Triad Concept
