Background/Issues & Analysis

A "Condition of the Treasury Report" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of April 3, 2020.

It is important to note that there will always be timing differences with these balances - for example, while all departments take deposits to the bank on a daily basis, there is usually a delay between when the reports are prepared and when they are entered into the system.

¹ Timing difference - awaiting grant reimbursement.

² Timing difference - CWSD is currently reimbursing only once a month due to the Governor's stay-at-home directive. This will correct when the order is lifted and CWSD returns to a normal payment schedule.
