Background/Issues & Analysis

A "Condition of the Treasury Report" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of May 22, 2020.

It is important to note that there will always be timing differences with these balances - for example, while all departments take deposits to the bank on a daily basis, there is usually a delay between when the reports are prepared and when they are entered into the system.

¹ Timing difference for grant reimbursements; also JAC has not been collecting bus fares since March 23, 2020, due to COVID-19.

² Timing difference - CWSD is currently reimbursing only once a month due to the Governor's stay-at-home directive.

This will correct when the order is lifted and CWSD returns to a normal payment schedule.
