# STAFF REPORT

**Report To:** Board of Supervisors **Meeting Date:** July 16, 2020

**Staff Contact:** Carol Akers and Sheri Russell, Chief Financial Officer

**Agenda Title:** For Possible Action: Discussion and possible action regarding fiscal year (FY) 2021

Temporary Staffing Services via joinder contracts through the State of Nevada with Marathon Staffing Group, Inc., Manpower, Acro Service Corporation and Talent

Framework, LLC, for an annual amount of \$717,946 with a \$282,054 contingency for a total not to exceed amount of \$1,000,000, to be funded from various City Department's/Elected

Office's hourly and project accounts (File No 20300051). (Carol Akers,

CAkers@carson.org and Sheri Russell, SRussell@carson.org)

Staff Summary: The State of Nevada issued a Request for Proposal for Temporary Employment Services in November 2016 and awarded contracts to four companies. Staff has reviewed the contracts and recommends joining on all four contracts. This will provide a wide selection of temporary staffing needed throughout the City for FY 2021. The request for a \$282,054 contingency is to cover any unforeseen needs throughout the year. Typically, staff would seek a 10% contingency; however, this year it is unknown how many temporary employees the Carson City Health and Human Services Department will require due to COVID-19 contact tracing and testing efforts which depend on the number of positive cases. Therefore, this is a one-time contingency request of approximately 40%. Please note that health contact tracing and testing efforts due to COVID-19 will be federally funded by the CARES Act.

Agenda Action: Formal Action / Motion Time Requested: 5 minutes

# **Proposed Motion**

I move to approve the joinder contracts as presented.

# **Board's Strategic Goal**

**Efficient Government** 

# Previous Action

None

# Background/Issues & Analysis

Previous annual requests for temporary staffing have been: \$1,250,000 (in FY 2020); \$1,700,000 (in FY 2019); and \$2,200,000 (in FY 2018).

Contracts being utilized through the State of Nevada:

Contract # 18405 Marathon Staffing Group Inc.

Contract # 18404 Manpower

Contract # 18408 Acro Service Corporation

Contract # 18406 Talent Framework LLC

http://purchasing.nv.gov/Contracts/Documents/TemporaryEmploymentServices/

All four State Contracts have a term date of March 31, 2021. A new RFP is anticipated to be released by the State of Nevada Purchasing Division in October 2020. The new contracts will be brought back to the Board for approval for the remaining fiscal year.

# Applicable Statute, Code, Policy, Rule or Regulation

NRS 332.195

# **Financial Information**

Is there a fiscal impact? Yes

If yes, account name/number: See attached spreadsheet.

Is it currently budgeted? Yes

**Explanation of Fiscal Impact:** Each department will manage their accounts. FY 2021 expenditures will not exceed \$1,000,000. Current total budget is \$717,946, plus an additional \$282,054 in contingency for any unforeseen needs throughout the year. The contingency request is approximately 40%, which is higher than usual; however, it is unknown how many temporary employees will be necessary for contract tracing and testing efforts due to COVID-19. This is a one-time request as COVID-19 activities will be federally funded by the CARES Act, which was not included in the FY 2021 Budget but will be added during the first round of augmentations for FY 2021. Any additional changes would be transferred from savings in other accounts or brought before this Board during budget augmentations if increases are necessary.

# **Alternatives**

Do not approve joinder contracts and provide alternative direction to staff.

<sup>\*</sup> Contingency is close to 40% - however due to COVID-19, the CARES Act and other COVID-19 related funding, we have grant funding available for contract tracing and administration of the grants, so part time Marathon help will be needed; however, the number of part time employees will be dependent upon the number of ongoing cases. We are requesting the flexibility to hire based on the needs using the available grant dollars as the funding is available for limited timeframes (Less than one year).

WHEREAS, NRS 333.700 authorizes elective officers, heads of departments, boards, commissions or institutions to engage, subject to the approval of the Board of Examiners (BOE), services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor is both necessary and in the best interests of the State of Nevada.

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

 REQUIRED APPROVAL. This Contract shall not become effective until and unless approved by the Nevada State Board of Examiners.

# 2. **DEFINITIONS**.

- A. "State" means the State of Nevada and any State agency identified herein, its officers, employees and immune contractors as defined in NRS 41.0307.
- B. "Independent Contractor" means a person or entity that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract.
- C. "Fiscal Year" is defined as the period beginning July 1st and ending June 30th of the following year.
- D. "Current State Employee" means a person who is an employee of an agency of the State.
- E. "Former State Employee" means a person who was an employee of any agency of the State at any time within the preceding 24 months.
- 3. **CONTRACT TERM.** This Contract shall be effective as noted below, unless sooner terminated by either party as specified in *Section 10*, *Contract Termination*. Contract is subject to Board of Examiners' approval (anticipated to be March 14, 2017).

Effective from:	April 1, 2017	To:	March 31, 2021
<u> </u>		<u></u>	

- 4. NOTICE. Unless otherwise specified, termination shall not be effective until 30 calendar days after a party has served written notice of termination for default, or notice of termination without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, posted prepaid on the date posted, and addressed to the other party at the address specified above.
- 5. INCORPORATED DOCUMENTS. The parties agree that this Contract, inclusive of the following attachments, specifically describes the scope of work. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA:	REQUEST FOR PROPOSAL 2029 AND AMENDMENTS #1
ATTACHMENT BB:	INSURANCE SCHEDULE
ATTACHMENT CC:	CONTRACTOR'S RESPONSE

A Contractor's attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract.

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in *Section 5, Incorporated Documents* at a cost as noted below:

Total Contract or installments payable at:	Invoices will be paid upon receipt of invoice and using agency's approval, invoices will be paid within 30 days. Agency Recruitment Invoices: will be paid per temporary employee hourly pay rate plus 23.6% Agency Recruitment Administrative Markup Fee. Contractor Recruitment Invoices: will be paid per temporary employee hourly pay rate plus 31% Contractor Recruitment Administrative Markup Fee Both markup fees include a 17.9% Employers Tax Contribution and 3.3% for Benefit Cost. Temporary employees may be required to drive State vehicles and contractor must maintain the \$1,000,000.00 automobile liability on their insurance policy to cover this requirement.
--	--

Total Contract Not to Exceed:	\$7,000,000.00 for the contract term.

The contractual authority, as identified by the not to exceed amount, does not obligate the State of Nevada to expend funds or purchase goods or services up to that amount; the purchase amount will be controlled by the individual using agency's purchase orders or other authorized means of requisition for services and/or goods as submitted to and accepted by the contractor.

The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the result of legislative appropriate may require.

- 7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.
- 8. BILLING SUBMISSION: TIMELINESS. The parties agree that timeliness of billing is of the essence to the Contract and recognize that the State is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

#### 9. INSPECTION & AUDIT.

- A. <u>Books and Records</u>. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all State and federal regulations and statutes.
- B. <u>Inspection & Audit</u>. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant State agency or its contracted examiners, the department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the state Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this Section.
- C. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the state, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is schedule or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

#### 10. CONTRACT TERMINATION.

- A. <u>Termination Without Cause</u>. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties, or unilaterally by either party without cause.
- B. State Termination for Non-Appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the state Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason for the contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- C. <u>Cause Termination for Default or Breach</u>. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:
  - If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
  - 2) If any State, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
  - 3) If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
  - 4) If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
  - 5) If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

- 6) If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- D. <u>Time to Correct</u>. Termination upon declared default or breach may be exercised only after service of formal written notice as specified in *Section 4*, *Notice*, and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.
- E. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:
  - The parties shall account for and properly present to each other all claims for fees and expenses and pay those
    which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold
    performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time
    of termination;
  - Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
  - 3) Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
  - 4) Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with Section 21, State Ownership of Proprietary Information.
- 11. **REMEDIES**. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that the Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptcy Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.
- 12. LIMITED LIABILITY. The State will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the Contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.
- 13. **FORCE MAJEURE**. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.
- 14. INDEMNIFICATION. To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.
- 15. INDEPENDENT CONTRACTOR. Contractor is associated with the state only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the state whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the State shall have no obligation with respect to: (1) withholding of income taxes, FICA or any

Revised: 10/11 BOE Page 4 of 9

other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the state; (4) participation or contributions by either Contractor or the State to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, nor representatives shall be considered employees, agents, or representatives of the State and Contractor shall evaluate the nature of services and the term of the Contract negotiated in order to determine "independent contractor" status, and shall monitor the work, relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

16. INSURANCE SCHEDULE. Unless expressly waived in writing by the State, Contractor, as an independent contractor and not an employee of the state, must carry policies of insurance and pay all taxes and fees incident hereunto. - 19. **SEVERABILITY.** If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
- 20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations nor duties under this Contract without the prior written consent of the State.
- 21. STATE OWNERSHIP OF PROPRIETARY INFORMATION. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

ATTACHMENT AA:	REQUEST FOR PROPOSAL 3296 AND AMENDMENT #1
ATTACHMENT BB:	INSURANCE SCHEDULE
ATTACHMENT CC:	CONTRACTOR'S RESPONSE

All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

#### 9. INSPECTION & AUDIT.

- A. <u>Books and Records</u>. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all State and federal regulations and statutes.

All subcontracts shall reflect requirements of this Section.
- C. <u>Period of Retention</u>. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the state, or from the date of termination of the Contract, whichever is later. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the state Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason for the contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- C. <u>Cause Termination for Default or Breach</u>. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:
  - 1) If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

  - 3) If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
  - 4) If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or

- 5) If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
- 6) If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- D. <u>Time to Correct</u>. Termination upon declared default or breach may be exercised only after service of formal written notice as specified in *Section 4*, *Notice*, and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.
- E. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:
  - The parties shall account for and properly present to each other all claims for fees and expenses and pay those
    which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold
    performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time
    of termination;
  - 2) Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
  - 3) Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
  - 4) Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with Section 21, State Ownership of Proprietary Information.
- 11. **REMEDIES**. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that the Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptey Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.
- 12. LIMITED LIABILITY. The State will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the Contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.
- 13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.
- 14. INDEMNIFICATION. To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

The contractual authority, as identified by the not to exceed amount, does not obligate the State of Nevada to expend funds or purchase goods or services up to that amount; the purchase amount will be controlled by the individual using agency's purchase orders or other authorized means of requisition for services and/or goods as submitted to and accepted by the contractor.

The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the result of legislative appropriate may require.

All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

All subcontracts shall reflect requirements of this Section.
- C. <u>Period of Retention</u>. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract.   - 3) If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
  - 4) If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or

- 5) If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
- 6) If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

- E. <u>Winding Up Affairs Upon Termination</u>. In the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:
  - The parties shall account for and properly present to each other all claims for fees and expenses and pay those

  - 3) Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
  - 4) Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with Section 21, State Ownership of Proprietary Information.
- 11. **REMEDIES.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that the Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptcy Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.

In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.
- 14. INDEMNIFICATION. To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.
