My name is Morgan Canfield, and I needed a Covid test. I called the Carson City Health and Human Services Covid Hotline and wanted to share my positive experience. The person I spoke with at the hotline was extremely nice, explained the process and tried to address any concerns as best she could. Another person called me the next day to schedule the appointment and she was also extremely nice. The person that conducted the test was also very nice and even made my eyes water with the nose tickle swab. Its nice to see a professional job done while maintaining kindness. Keep up the good work!

Thank you,

Morgan

Regarding upcoming meeting in Carson now:

1. Big huge fan of wildfire reduction program.
2. What is discussion about long term motels about?
3. WHY are we giving money to a wealthy Catholic church?
4. Could we not use some grant money for some public art? A symbol of Carson City that people compete to paint like in other cities? A few more sculptures on the highway? A purchase of a piece of land for a sculpture garden that all could enjoy?

Thank you for all you do,

It is simply NOT the time to spend more. Put any excess into a rainy day fund for now. Financial future is simply too uncertain. There us talk of increased fees and taxes making this a terrible emotionally, fiscally, and politically blind action.

With the pasting of the Mayor the existing Board needs to take action to fill the vacancy. Per the Charter they will need to take action per the Charter as stated in Sec. 2.030

Sec. 2.030 Board of Supervisors: Vacancies. Except as otherwise provided in [NRS 268.325](#):

1. A vacancy in the office of Supervisor must be filled by appointment by a majority of the members of the Board within 30 days after the occurrence of the vacancy or after three regular or special meetings, whichever is the shorter period of time. A person may be selected to fill a prospective vacancy in the Board before the vacancy occurs. In such a case, each member of the Board, except any member whose term of office expires before the occurrence of the vacancy, may participate in any action taken by the Board pursuant to this section. The appointee must have the qualifications required by section 2.010.

2. No such appointment extends beyond the first Monday in January after the next general election, at which election a new Supervisor must be elected to fill the unexpired term.

Additionally - please read this into the minutes of the meeting

James Shirk OPINION - The citizens are entitled to have 5 individuals on the Board to serve the community. Without filling the seat citizens are not represented properly.

Additionally - Carson City District Attorney needs to inform the citizens what action will be taken and when.

Thank you for you time.
