Re: Proposal for On-Call Geospatial Services, 2020-2021

Dear Matt:

Per your request, I am submitting this proposal for providing GIS consulting services on behalf of Michael Baker International, Inc. (Michael Baker). This proposal is for a time and material contract with a not-to-exceed budget of \$125,000. The rate table for this project was approved by the Board in June 2019 and will be applicable throughout the contract.

We will provide services related to on-call GIS consulting as requested by Carson City Public Works, including, but not limited to, asset inventory, condition assessment, data development, quality control initiatives, scripting, GIS programming, map production (electronic and hard copy), and spatial analysis. A scope of work and cost proposal will be provided for each task assignment under this time and material contract for your review and approval.

I have attached a summary of some of the tasks we have completed for Carson City Public Works over the past few years, along with our ongoing and planned tasks for the upcoming fiscal year.

Please contact me at 775-771-8784 or at [pboardman@mbakerintl.com](mailto:pboardman@mbakerintl.com) if you have any questions.

We look forward to working with and supporting Carson City Public Works in the upcoming year.

Sincerely,

Polly Boardman, PMP  
Associate Vice President

### Completed Task Examples performed by Michael Baker:

- 1. S. Carson Street Right-of-Way Research:** Michael Baker created polygonal representations of NDOT ROW along S. Carson St. to determine if NDOT documents were sufficient for inclusion in the GIS and also to visually represent NDOT land ownership along South Carson St.
- 2. Water Allocation Will Serve List Review:** We cleaned up the "Will Serve" excel spreadsheet of water allocations to better link incomplete building projects with water allocations.
- 3. Three-Year GIS Strategic Plan:** Michael Baker researched, met with stakeholders, conducted surveys, and wrote a GIS 3-Year Strategic Plan for Carson City. This report offers guidance to Carson City GIS stakeholders on the future direction of GIS resource planning and direction.
- 4. Building Footprint Updates to Aerial Photography:** We created and are currently maintaining the building footprint GIS layer on an annual basis. Footprints are aligned to the parcel fabric and imagery. Building footprints can aid in taxation calculations, unauthorized building additions, and planning.
- 5. Stormwater Infrastructure Asset Inventory:** We combed through construction drawings to add storm water features and attributes to the enterprise geodatabase. Michael Baker also performed

edits and attribute updates on other utilities as needed, for integration with the City's Asset Management system.

6. **Utility Maintenance Standard Operating Procedure Documentation:** Includes SOP Creation and maintenance for Utility Editing, Fire Utilities, Sewer, Reclaimed Water, Stormwater, Water and Utility Grid Editing. Proper documentation of methods and tools is essential for data integrity.
7. **Utility Map Grid Update:** Michael Baker updated utility grids and used definition queries to quickly create runbooks for all utilities under one grid feature class. We also streamlined processes to create efficiencies and insure reproducibility.
8. **GIS Open Data Site Setup and Configuration:** We set up and are currently maintaining an ArcGIS Hub page to host Carson City Open Data, including data preparation and loading. The Open Data site reduces the number of public requests for GIS data and the need for person to person interaction, thus serving the community in a quick and efficient manner.
9. **Capital Project Planning App Configuration:** A series of web applications was designed to allow users to create, plan, and track projects though project lifecycle, with added Smartsheet integration. The Capital Project Planning Applications streamline project planning through applications designed to allow all stakeholders to collaborate, review, and monitor projects at any point in the project lifecycle.

#### Ongoing Tasks in Support of Public Works

1. **Parcel Fabric Maintenance:** Michael Baker performed document research and collection, pilot project area deliverable and review, rebuilt 3,500 parcels using COGO, tied parcels into the parcel fabric, attributed APNs, and performed quality assessment on 15,500 parcels already incorporated into parcel fabric. Ongoing updates to the parcel fabric are performed within a 3-5 day window of receiving the source documents for new developments. Esri's parcel fabric tools allow Carson City to store assessor data and recorded map data in the same model, reducing the number of competing parcel data sets used in a local government.
2. **Zoning Boundary Maintenance:** We performed a comprehensive realignment of the GIS zoning boundaries and will maintain them in accordance with the parcel fabric. Alignment keeps data standardized, reduces discrepancies, and keeps data current so that researched questions may be answered quickly and accurately.
3. **Land Use Boundary Maintenance:** We aligned the GIS planned land use boundaries with the parcel fabric and will continue to maintain boundary alignment. Alignment keeps data standardized, reduces discrepancies, and keeps data current so research questions may be answered quickly and accurately.
4. **Recorded Map Indexing:** We created a spatial record of the parcel footprints for recorded maps from the City, and this is continually updated with development and parcel updates. This spatial

record allows users to determine which recorded maps pertain to a specific area without having to open each map individually.

5. **Utility Runbook Updates and Publishing:** Michael Baker created and currently maintains the utility runbooks for Water, Sewer, Storm Water, Reclaimed Water and Fire Hydrants. These runbooks provide standardized maps for utility managers and engineers and are available for quick reference.
6. **Fire Hydrant Flow Test Data Entry:** We populate and enter test results and flow test forms into the GIS. Consolidating this and other data into the GIS creates efficiencies so users do not have to refer to multiple sources.
7. **Map Exhibits for District Attorney:** We create map exhibits for the District Attorney's court cases, when needed. GIS data can be extended to other departments who need map representations or figures as visual aid.
8. **Esri Community Maps Submission:** We prepared, uploaded, and continually refresh selected Open Data layers to the Esri Community Maps program. Sharing standardized data with the GIS community allows users to extend the usefulness of the data, keeps data standard and current, and frees up staff who might normally be responding to a GIS request.
9. **Asset Inventory Updates from As-Built Drawings:** We performed a pilot project that included updates from as-built maps that include file number and install dates. The plan is to update install dates and file numbers for Sewer, Storm Water, and Water feature classes. This effort consolidates data into one central location, providing efficiency and standardization.
10. **COVID-19 Case Data Formatting:** At the beginning of the pandemic, we formatted COVID-19 case data for the Carson City Epidemiologist to prep for automated input into public-facing COVID-19 case web portal. This effort provides a quick reformatting of data so staff can provide it to the public efficiently and accurately.

#### Planned Tasks for 2020-2021 Contract Year

1. **GIS Quality Control Dashboard:** This application will allow a quick view of GIS data for the Asset Manager and GIS editors to track data quality issues and correct them.
2. **Hazard Mitigation Plan Update GIS Support:** In 2021, Carson City will be performing the 5-year update of its Hazard Mitigation Plan, which includes the update of various GIS data layers, maps, and figures.
3. **Comprehensive Asset Installation Date Review and Update:** To better estimate asset useful life and forecast asset replacement, a comprehensive review of construction date from as-built drawings will be used to update various asset classes in the GIS database.
4. **911 Commonplace to GIS Address Data Review:** This effort will provide mission critical data to emergency operations staff for dispatch and response, by ensuring that business name and address data is cross-checked to the City's GIS address database.

7.1.1 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

7.1.2 **CITY** reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for **SERVICES** actually completed. If termination occurs under this provision, in no event shall **CONSULTANT** be entitled to anticipated profits on items of **SERVICES** not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. **CONSULTANT** shall require that all subcontracts which it enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subconsultant to make claims against **CONSULTANT** for damages due to breach of contract, of lost profit on items of **SERVICES** not performed or of unabsorbed overhead, in the event of a convenience termination.

**7.2 Termination for Nonappropriation:**

7.2.1 All payments and **SERVICES** provided under this Contract are contingent upon the availability of the necessary public funding, which may include various internal and external sources. In the event that Carson City does not acquire and appropriate the funding necessary to perform in accordance with the terms of the Contract, the Contract shall automatically terminate upon **CITY'S** notice to **CONSULTANT** of such nonappropriation, and no claim or cause of action may be based upon any such nonappropriation.

**7.3 Cause Termination for Default or Breach:**

7.3.1 A default or breach may be declared with or without termination.

7.3.2 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

7.3.2.1 If **CONSULTANT** fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or any **SERVICES** called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

7.3.2.2 If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by **CONSULTANT** to provide the goods or **SERVICES** or any services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

7.3.2.3 If **CONSULTANT** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

**PROFESSIONAL SERVICES CONSULTANT AGREEMENT**  
**Contract No. 20300031**  
**Title: On-Call Geographic Information System Services**

7.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONSULTANT'S** ability to perform; or

7.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONSULTANT**, or any agent or representative of **CONSULTANT**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

7.3.2.6 If it is found by **CITY** that **CONSULTANT** has failed to disclose any material conflict of interest relative to the performance of this Contract.

7.4 Time to Correct (Declared Default or Breach):

7.4.1 Termination upon a declared default or breach may be exercised only after providing 7 (seven) calendar days written notice of default or breach, and the subsequent failure of the defaulting or breaching party, within five (5) calendar days of providing that default or breach notice, to provide evidence satisfactory to the aggrieved party demonstrating that the declared default or breach has been corrected. Time to correct shall run concurrently with any notice of default or breach and such time to correct is not subject to any stay with respect to the nonexistence of any Notice of Termination. Untimely correction shall not void the right to termination otherwise properly noticed unless waiver of the noticed default or breach is expressly provided in writing by the aggrieved party. There shall be no time to correct with respect to any notice of termination without cause or termination for nonappropriation.

7.5 Winding Up Affairs Upon Termination:

7.5.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this **Subsection 7.5** (Winding Up Affairs Upon Termination) survive termination:

7.5.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; and

7.5.1.2 **CONSULTANT** shall satisfactorily complete SERVICES in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**; and

7.5.1.3 **CONSULTANT** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**; and

7.5.1.4 **CONSULTANT** shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance **Section 19** (CITY OWNERSHIP OF PROPRIETARY INFORMATION).

7.6 Notice of Termination:

7.6.1 Unless otherwise specified in this Contract, termination shall not be effective until seven (7) calendar days after a party has provided written notice of default or breach, or notice of without cause termination. Notice of Termination may be given at the time of notice of default or breach, or notice of without cause termination. Notice of Termination may be provided separately

at any time after the running of the 7-day notice period, and such termination shall be effective on the date the Notice of Termination is provided to the party unless a specific effective date is otherwise set forth therein. Any delay in providing a Notice of Termination after the 7-day notice period has run without a timely correction by the defaulting or breaching party shall not constitute any waiver of the right to terminate under the existing notice(s).

#### 8. REMEDIES:

Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorney's fees and costs. The parties agree that, in the event a lawsuit is filed and a party is awarded attorney's fees by the court, for any reason, the amount of recoverable attorney's fees shall not exceed the rate of \$125 per hour. CITY may set off consideration against any unpaid obligation of **CONSULTANT** to **CITY**.

#### 9. LIMITED LIABILITY:

**CITY** will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise expressly provided for elsewhere in this Contract. Damages for any **CITY** breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to **CONSULTANT**, for the fiscal year budget in existence at the time of the breach. **CONSULTANT'S** tort liability shall not be limited.

#### 10. FORCE MAJEURE:

Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

#### 11. INDEMNIFICATION:

11.1 To the extent permitted by law, including, but not limited to, the provisions of NRS Chapter 41, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this Section.

11.2 As required by NRS 338.155, if this Contract involves a "public work" construction project as defined above, **CONSULTANT** shall defend, indemnify and hold harmless the **CITY**, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including without limitation, reasonable attorney's fees, to the extent that such liabilities, damages, losses, claims, actions or proceedings are caused by the negligence, errors, omissions, recklessness or intentional misconduct of the **CONSULTANT** or the employees or agents of the **CONSULTANT** in the performance of the Contract. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this section. However, with respect to any anticipated benefits to **CITY** resulting from the Scope of Work, **CONSULTANT** shall not be responsible or liable to **CITY** for any warranties, guarantees, fitness for a particular purpose or loss of anticipated profits resulting from any termination of this Contract. Additionally, **CONSULTANT** shall not be responsible for acts and decisions of third parties, including governmental agencies, other than **CONSULTANT'S** subcontractors, that impact project completion and/or success.

11.3 Except as otherwise provided in **Subsection 11.5** below, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with:

11.3.1 a written request for a legal defense for such pending claim(s) or cause(s) of action; and

11.3.2 a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

11.4 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

11.5 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

#### 12. **INDEPENDENT CONTRACTOR:**

12.1 **CONSULTANT**, as an independent contractor, is a natural person, firm or corporation who agrees to perform SERVICES for a fixed price according to his or its own methods and without subjection to the supervision or control of the CITY, except as to the results of the SERVICES, and not as to the means by which the SERVICES are accomplished.

12.2 It is mutually agreed that **CONSULTANT** is associated with CITY only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted SERVICES pursuant to this Contract. **CONSULTANT** is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract.

12.3 Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for CITY whatsoever with respect to the indebtedness, liabilities, and obligations of **CONSULTANT** or any other party.

12.4 **CONSULTANT**, in addition to **Section 11** (INDEMNIFICATION), shall indemnify and hold CITY harmless from, and defend CITY against, any and all losses, damages, claims, costs, penalties, liabilities, expenses arising out of or incurred in any way because of, but not limited to, **CONSULTANT'S** obligations or legal duties regarding any taxes, fees, assessments, benefits, entitlements, notice of benefits, employee's eligibility to work, to any third party, subcontractor, employee, state, local or federal governmental entity.

12.5 Neither **CONSULTANT** nor its employees, agents, or representatives shall be considered employees, agents, or representatives of CITY.

#### 13. **INSURANCE REQUIREMENTS (GENERAL):**

13.1 **NOTICE: The following general insurance requirements shall apply unless these general requirements are altered by any specific requirements set forth in CITY'S solicitation for bid document, the adopted bid or other document incorporated into this Contract by the parties.**

13.2 **CONSULTANT**, as an independent contractor and not an employee of CITY, must carry policies of insurance in amounts specified and pay all taxes and fees incident hereunto. CITY shall have no liability except as specifically provided in this Contract.

13.3 **CONSULTANT** shall not commence work before: (1) **CONSULTANT** has provided the required

evidence of insurance to CITY Purchasing and Contracts, and (2) CITY has approved the insurance policies provided by CONSULTANT.

13.4 Prior approval of the insurance policies by CITY shall be a condition precedent to any payment of consideration under this Contract and CITY'S approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of CITY to timely approve shall not constitute a waiver of the condition.

13.5 *Insurance Coverage (13.6 through 13.23):*

13.6 **CONSULTANT** shall, at **CONSULTANT'S** sole expense, procure, maintain and keep in force for the duration of this Contract the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by CITY, the required insurance shall be in effect prior to the commencement of work by **CONSULTANT** and shall continue in force as appropriate until the later of:

13.6.1 Final acceptance by CITY of the completion of this Contract; or

13.6.2 Such time as the insurance is no longer required by CITY under the terms of this Contract.

13.6.3 Any insurance or self-insurance available to CITY under its coverage(s) shall be in excess of and non-contributing with any insurance required from **CONSULTANT**. **CONSULTANT'S** insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by CITY, **CONSULTANT** shall provide CITY with renewal or replacement evidence of insurance no less than thirty (30) calendar days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by this Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as **CONSULTANT** has knowledge of any such failure, **CONSULTANT** shall immediately notify CITY and immediately replace such insurance or bond with an insurer meeting the requirements.

13.7 *General Insurance Requirements (13.8 through 13.23):*

13.8 **Certificate Holder:** Each certificate shall list Carson City c/o Carson City Purchasing and Contracts, 201 N. Carson Street, Suite 2, Carson City, NV 89701 as a certificate holder.

13.9 **Additional Insured:** By endorsement to the general liability insurance policy evidenced by **CONSULTANT**, The City and County of Carson City, Nevada, its officers, employees and immune contractors shall be named as additional insureds for all liability arising from this Contract.

13.10 **Waiver of Subrogation:** Each liability insurance policy, except for professional liability, shall provide for a waiver of subrogation in favor of City.

13.11 **Cross-Liability:** All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.

13.12 **Deductibles and Self-Insured Retentions:** Insurance maintained by **CONSULTANT** shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by CITY. Such approval shall not relieve **CONSULTANT** from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed \$5,000.00 per occurrence, unless otherwise approved by CITY.

13.13 **Policy Cancellation:** Except for ten (10) calendar days' notice for non-payment of premium, premium, **CONSULTANT** or its insurers must provide thirty (30) calendar days prior written notice to Carson City Purchasing and Contracts if any policy will be canceled, non-renewed or if required coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by mail to Carson City Purchasing and Contracts, 201 N. Best as "A-VII" or better.

13.15 **Evidence of Insurance:** Prior to commencement of work, **CONSULTANT** must provide the following documents to Carson City Purchasing and Contracts, 201 North Carson Street, Suite 2, Carson City, NV 89701:

13.17 **Additional Insured Endorsement:** An Additional Insured Endorsement (CG20 10 or C20 26), signed by an authorized insurance company representative, must be submitted to Carson City Purchasing and Contracts to evidence the endorsement of **CITY** as an additional insured per **Subsection 13.9** (Additional Insured).

13.18 **Schedule of Underlying Insurance Policies:** If Umbrella or Excess policy is evidenced to comply with minimum limits, a copy of the Underlying Schedule from the Umbrella or Excess insurance policy may be required.

13.19 **Review and Approval:** Documents specified above must be submitted for review and approval by **CITY** Purchasing and Contracts prior to the commencement of work by **CONSULTANT**. Neither approval by **CITY** nor failure to disapprove the insurance furnished by **CONSULTANT** shall relieve **CONSULTANT** of **CONSULTANT'S** full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of **CONSULTANT** or its subcontractors, employees or agents to **CITY** or others, and shall be in addition to and not in lieu of any other remedy available to **CITY** under this Contract or otherwise. **CITY** reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

#### 13.20 **COMMERCIAL GENERAL LIABILITY INSURANCE:**

**CONSULTANT** shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 each occurrence.

**CONSULTANT** warrants that it will perform all SERVICES required hereunder in accordance with the prevailing standard of care by exercising the skill and care normally required of individuals performing the same or similar SERVICES, under the same or similar circumstances, in the State of Nevada.

#### 25. PROPER AUTHORITY:

The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. **CONSULTANT** acknowledges that this Contract is effective only for the period of time specified in this Contract.
