

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** December 17, 2020

Staff Contact: Sheri Russell , Chief Financial Officer

Agenda Title: For Possible Action: Discussion and possible action regarding recommended acceptance of the Carson City Comprehensive Annual Financial Report for the fiscal year ended June 30, 2020. (Sheri Russell, srussell@carson.org)

Staff Summary: NRS 354.624 requires the City to provide for an annual audit of all of its financial statements. In addition, the opinion and findings of the auditor contained in the report of the audit must be presented at a meeting of the governing body of the City held not more than 30 days after the report is submitted to it - the Audit Report was submitted on December 9, 2020. The annual audit must be accepted by the Board of Supervisors prior to filing with the State of Nevada and distribution to outside agencies such as bond holders.

Agenda Action: Formal Action / Motion **Time Requested:** 5 Minutes

Proposed Motion

I move to accept the report as submitted.

INTRODUCTORY SECTION

CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

December 9, 2020

Honorable Mayor,
Members of the Board of Supervisors
and the Citizens of Carson City:

The comprehensive annual financial report of Carson City (the “City”) for the fiscal year ended June 30, 2020, is hereby submitted as mandated by both local ordinances and state statutes. These ordinances and statutes require that Carson City issue annually a report on its financial position and activity, and that this report be audited by an independent firm of certified public accountants.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

BDO USA, LLP (BDO), have issued an unmodified opinion on Carson City’s financial statements for the year ended June 30, 2020. The independent auditor’s report is located at the front of the financial section of this report.

Carson City is required to undergo an annual single audit in conformity with the provisions of Government Auditing Standards and the U.S. Office of Management and Budget (OMB) Compliance Supplement. Information related to this single audit, including the schedule of expenditures of federal awards, the independent auditor's reports on internal controls and compliance, the schedule of findings and questioned costs and the summary schedule of prior audit findings will be issued in a separate report.

Accounting principles generally accepted in the United States of America (GAAP) require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. Carson City’s MD&A can be found immediately following the report of the independent auditors.

The financial reporting entity, Carson City, includes all the funds of the primary government (i.e., the Consolidated Municipality of Carson City as legally defined), as well as all of its component units. Component units are legally separate entities for which the primary government is financially accountable. Blended component units, although legally separate entities, are, in substance, part of the primary government's operations and are included as part of the primary government. Accordingly, the Redevelopment Authority is reported as special revenue, debt service and capital project funds of the primary government. Discretely presented component units are reported in a separate column in the government-wide financial statements to emphasize that they are legally separate from the primary government and to differentiate their financial position and results of operations from those of the primary government. The Carson City Culture and Tourism Authority and Airport Authority are reported as discretely presented component units.

THE CITY AND ITS GOVERNING BODY

Carson City is the capital city of the State of Nevada. Carson City was founded as a trading post in 1858 and incorporated February 25, 1875. Carson City is a combined City and County governmental entity formed by the consolidation of the City of Carson City and Ormsby County on July 19, 1969.

Carson City has a land area of 147 square miles and an estimated population of 56,057 as of June 30, 2020. The City is empowered to levy a property tax on both real and personal property located within its boundaries. Real and personal taxable property located within the City has an estimated market value of \$4,761,565,405 and an assessed value of \$1,666,547,892.

The City operates under what is commonly known as a "council-manager" form of government which was established by charter and adopted by the State Legislature. Under this form of government, Carson City is governed by a mayor and four supervisors who are elected at large, on a non-partisan basis, for overlapping four-year terms. The Board of Supervisors is a policy-making board, appointing a city manager to oversee daily operations.

Carson City provides a full range of services including police and fire protection; sewer and water services; the construction and maintenance of highways, streets and infrastructure; health and welfare; and culture and recreational activities.

The City maintains several budgetary controls to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the City's governing body in accordance with Nevada Revised Statutes Chapter 354, the Local Government Budget and Finance Act. Activities of the general fund, special revenue funds, capital projects funds, debt service funds, enterprise funds and internal service funds are included in the annual appropriated budget. The level of budgetary control (that is, the level of which expenditures cannot legally exceed the appropriated amount) is established by function within an individual fund for governmental funds and the sum of operating and non-operating expenses in the proprietary funds.

LOCAL ECONOMY

Carson City is located in the Northwestern part of the State. Nevada's rate of growth in population had been one of the highest in the nation, ranking 2nd according to 2019 Census Bureau, and with the recent economic growth in our area, this number is expected to continue to increase for the next few years. Carson City's population increased 1.1% when comparing July 1, 2019 to July 1, 2020. During the past year, Carson City experienced growth in the real estate market, not unlike the region, the state, and the nation. According to the Assessor's office, the average sales price of a home this year is \$357,631, slightly down from \$360,857 (0.9% decrease) in the prior year.

Property tax revenue increased from the prior year (5.6%) due to new construction and an increase in assessed valuation for FY 19-20. Taxable sales have been consistently increasing since 2011 and again in 2020 we saw an increase of \$2.9 million (9.3%) in the consolidated tax revenues. Our regions unemployment rate is at 8.8% as of June 30, 2020, which has increased from 4.3% since the prior year; which is due to the coronavirus pandemic. The City has not yet experienced significant financial effects of the non-essential business shut down related to the coronavirus pandemic, which occurred on March 12, 2020, as large amounts of CARES Act federal financial assistance, taxpayer stimulus and unemployment benefits have kept the City's Consolidated Taxes higher than expected. At the end of the current fiscal year, total fund balance of the general fund exceeded the final budget by \$11.3 million. Of this amount, \$1.2 million has been included as a budgetary resource in the subsequent year's budget to pay for much needed capital equipment and deferred maintenance.

The assessed valuation of Carson City increased 6.3% in FY 19-20 and in FY 20-21 the assessed valuation increased by 8.9%. Due to a cap on the growth in property tax for existing property and improvements approved by the 2005 Nevada State Legislature, the real growth in tax revenues is limited. The growth in the tax bill for residential property is limited to 3% annual growth and commercial property can grow by a maximum of 8% per year. Only new construction is outside of this cap for the first year it is on the tax rolls. The difference between the actual tax calculation (assessed valuation (x) tax rate) and the capped tax calculation is termed the “abatement”. In the general fund, this abatement amount will be approximately \$6.20 million in FY 20-21. Due to the property tax caps, property tax revenues are only expected to increase by 4.0% in FY 20-21.

Despite the economic difficulties resulting from the pandemic during most of 2020, there are signs that steady construction activity will continue into 2021. Construction in Carson City has been steadily increasing in both residential and commercial development. Construction started this year or is planned to start next year on site improvements for several new subdivisions in which construction of new houses is expected to begin in 2021, including Lompa Ranch Phase 1, Lompa Ranch apartments, three new phases of Silver Oak, phase 2 of Arbor Villas townhomes, a single-family subdivision on Little Lane, Clearview Ridge, and Andersen Ranch. The home-building industry has indicated to City staff that they continue to sell homes as fast as they can build them and that they expect this to continue in 2021. While commercial development is still average to above average, the City is concerned with what the long-term effect of working at home will have on commercial real estate. Business license collections are down 7.3% from the prior year, as some businesses were unable to weather the non-essential business shut down.

LONG-TERM FINANCIAL PLANNING AND MAJOR INITIATIVES

Unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) in the General Fund at year end was 23.2% of total General Fund expenditures. This amount is significantly above the policy goal set by the Board of Supervisors for budgetary and planning purposes (i.e., one month of general fund expenditures, approximately 8.3%).

Fees charged at the Carson City Landfill were set based upon regional market rates rather than actual costs. The resultant change in rates has produced revenues in excess of expenditures at the Landfill. These excess revenues will be used to help offset overall General Fund ongoing expenditures as well as provide much needed equipment at the Landfill.

The City has entered back into a period of economic growth and development. New residential and commercial development has been extremely strong with new building permits valued at \$183.1 million for fiscal year 2020 compared to just \$42.2 million in 2011.

Pursuant to Nevada Revised Statutes, the City maintains a five-year Capital Improvement Program (CIP) which serves as its planning document to ensure that its facilities, equipment, and infrastructure are well maintained and operating in peak condition. Under the guidance of a CIP Committee, this process gives the City the ability to plan for its capital needs and allocate short-term and long-term resources appropriately. As part of this process, the City identifies and quantifies the operational costs associated with its capital projects and budgets resources accordingly. As the City was preparing the FY 21 budget, the Governor declared a state of emergency in response to the global pandemic caused by the coronavirus (COVID-19) infectious disease outbreak and issued various directives, one of which was a shutdown of non-essential businesses. The City also declared an emergency and, to be fiscally responsible during an unprecedented event, only capital provided by restricted funding sources or previous agreements were approved. The FY 20-21 Capital

Improvement Program includes \$8.6 million in capital projects and equipment replacement for Governmental Activities and \$12.9 million for Business-Type Activities for a total of \$21.5 million. Included in this \$21.5 million is \$2.8 million for the rehabilitation of the Water System and \$8.5 million for sewer line replacement and rehabilitation of the Sewer System, \$1.5 million for stormwater drainage enhancement of the Stormwater System, \$1.8 million for various improvements to the streets, \$1.9 million for Landfill equipment, site improvements and post-closure costs, \$0.8 million in facility improvements such as roof rehabilitation and generators, over \$0.5 million has been budgeted for Park improvements, and \$0.3 million for a telephone system upgrade citywide.

A 1/8 cent increase in sales tax was approved and implemented in October 2014 which is used to pay down capital project bonds. These bonds have been used pursuant to NRS 377B, for projects including, but not limited to, the animal services facility and street and pedestrian improvements in the downtown area which were both completed in FY17, as well as the Downtown Curry Streetscape Project which was completed November 2018. The South Carson Street Corridor Project has been completed, except landscaping which will be completed in the spring. The remaining corridor infrastructure sales tax projects are anticipated to be designed and constructed in future years with the proceeds from the issuance of additional bonds.

Carson City initiated its Asset Management Program in early 2016 in order to make the best possible decisions regarding the building, operating, maintaining, renewing, replacing and disposing of public buildings and infrastructure assets. The goal of Carson City's Asset Management Program is to improve financial performance and reliability, reduce risk, and enhance sustainability for the citizens and residents of Carson City. It is the intent to determine the appropriate amount of funding to accomplish this, and then dedicate this funding each year.

Improvements to the Water Resource Recovery Facility are continuing to the City's outdated facility. There have been multiple phases that have been completed to re-build and re-habilitate our wastewater treatment processes with the City investing approximately \$40 million into this asset. There is one minor final phase that will be constructed in FY 2021/2022 and this is for Electrical Retrofit and Improvements for approximately \$1.1 million. The City Wastewater utility is now focusing on the collection portion of the asset and is planning to re-invest approximately \$2.5 million a year for the next several years to replace and rehabilitate old sewer collection main lines throughout the City, focusing on the oldest and/or worst condition first.

Carson City is undertaking a major re-habilitation of the Quill Ranch Treatment Plant which supplies approximately 4 million gallons per day of treated, potable water to Carson City. Covering the raw water ponds, adding additional pretreatment and disinfection equipment will help with the current compliance issues, providing a more robust, diverse water system for Carson City. This project will be designed in FY 2021/2022 and be constructed in FY 2022/2023 and is anticipated to cost approximately \$11 million.

The Carson Freeway, Phases 2B-1, 2B-2, and 2B-3 are complete as of August 2, 2017, which extended the freeway from Fairview Drive to Highway 50 / S. Carson Street. By agreement with the State, Carson City will defer payment of local fuel taxes until the completion of Phase 2B-4 which will include the S. Carson Street Interchange. The Phase 2B-4 is not currently included in the State's capital improvement plan.

RELEVANT FINANCIAL POLICIES

A minimum unrestricted ending fund balance of 8.33% of total budgeted expenditures shall be included in the General Fund budget each fiscal year. An inability to meet this requirement must be approved by the Board of Supervisors.

For the FY 19-20, the City budgeted an ending fund balance of 8.8% of budgeted expenditures, an increase of 3.5% from the amount budgeted in the prior fiscal year.

OTHER INFORMATION

AWARDS. The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Carson City for its comprehensive annual financial report for the fiscal year ended June 30, 2019. The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized comprehensive annual financial report, whose contents conform to program standards. Such a CAFR must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. Carson City has received a Certificate of Achievement for the last thirty consecutive years. We believe our current report continues to conform to the Certificate of Achievement program requirements, and we are submitting it to GFOA.

ACKNOWLEDGMENTS. The preparation of the comprehensive annual financial report on a timely basis was made possible by the dedicated service of the entire staff of the Finance Department. Each member of the department has my sincere appreciation for the contribution made in the preparation of this report.

In closing, without the leadership and support of the Carson City Board of Supervisors, the continued strengthening of the City's finances and the continued dedication to financial excellence would not have been possible.

Sincerely,

Sheri Russell, CPA

Independent Auditor's Report

Mayor and Other Members of the Board of Supervisors
Carson City, Nevada

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Carson City, Nevada (the City), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Carson City Culture and Tourism Authority and Carson City Airport Authority, which are discretely presented component units of the City, that, when combined, represent all of the assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position, revenues and expenses of the City's discretely presented component units. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts reported for the Carson City Culture and Tourism Authority and Carson City Airport Authority, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City as of June 30, 2020, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 4 to the basic financial statements, the City may be adversely impacted by the outbreak of a novel strain of the coronavirus, known as COVID-19, which was declared a global pandemic by the World Health Organization in March 2020. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 12 through 21, and the schedules required for the City's pension and other postemployment benefit plans on pages 74 through 78 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual fund financial statements and schedules, statistical section, and schedule of business license fees are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The basic financial statements of the City as of and for the year ended June 30, 2019 (not presented herein), were audited by Piercy Bowler Taylor & Kern (“PBTk”), whose partners and professional staff joined BDO USA, LLP as of July 1, 2020, and has subsequently ceased operations, and whose report thereon dated November 12, 2019, expressed unmodified opinions on the respective financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information. The report of PBTk dated November 12, 2019, stated that the individual fund statements and schedules for the year ended June 30, 2019 were subjected to the auditing procedures applied in the audit of the 2019 basic financial statements and certain additional auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare those basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and, in their opinion, was fairly stated in all material respects in relation to the basic financial statements as a whole for the year ended June 30, 2019.

The introductory section, statistical section, and schedule of business license fees have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2020 on our consideration of the City’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City’s internal control over financial reporting and compliance.

BDO USA, LLP

Carson City, Nevada Management's Discussion and Analysis

As management of Carson City, Nevada (City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City as of and for the fiscal year ended June 30, 2020. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages 1-5 of this report.

Financial Highlights

- The assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources at fiscal year-end by \$340,031,051 (*net position*).
- The City's total net position increased by \$26,154,051 (8.3%) due to approximately \$3 million in State funding of road construction, including \$1 million dollars for the TIGER Grant, \$2 million in CARES Act federal financial assistance for the Coronavirus Pandemic, \$1.1 million in State Supplemental Indigent Refunds, \$2.1 million (7.0%) increase in property taxes, and a \$2.9 million (9.3%) increase in consolidated taxes.
- The City's governmental funds reported combined ending fund balances of \$48,656,949, an increase of \$9,754,021 in comparison to the prior year. Approximately 30.2% of this amount (\$14,713,151) is available for spending at the City's discretion (unassigned fund balance).
- Unrestricted fund balance for the General Fund was \$14,713,151, or 20.8% of total General Fund expenditures.
- The City's total bonded debt and notes payable decreased by \$23,642,059 (11.8%) as a result of the \$10.1 million in crossover refunding of the 2010A General Obligation Water Bonds and \$14 million dollars in scheduled principal payments on debt.
- The City's total capital assets increased by \$14,136,265 (2.4%) as a result of the construction of \$5.8 million for South Carson Street Project, \$6.3 million for the Water Transmission Main Phase 2B included in work in progress which have not yet been placed in service, one fire pumper truck and 33 city vehicles, various street projects, sewer line replacements, and other equipment purchases.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the City's assets, liabilities, and deferred inflows / outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, judicial, public works, sanitation, health, welfare, community support, airport, economic opportunity, and culture and recreation. The business-type activities of the City include water, wastewater, ambulance, cemetery, building permits and stormwater.

The government-wide financial statements include not only the City itself (known as the *primary government*), but also a legally separate airport authority and a legally separate culture and tourism authority for which the City is financially accountable. Financial information for these *component units* is reported separately from the financial information presented for the primary government itself. The Redevelopment Authority, although also legally separate, functions for all practical purposes as a department of the City, therefore has been included as an integral part of the primary government.

The government-wide financial statements can be found on pages 22-24 of this report.

Carson City, Nevada Management's Discussion and Analysis

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of the governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains twenty-eight individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund which is considered to be a major fund. Data from the other twenty-seven governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining and individual fund statements and schedules* elsewhere in this report.

The City adopts an annual appropriated budget for its General Fund and for each of its special revenue funds, debt service funds and capital projects funds. A budgetary comparison schedule has been provided for each of the City's governmental funds to demonstrate compliance with this budget. The budgetary comparison statement for the General Fund the major governmental fund is located in the basic financial statements and budgetary comparison schedules for the nonmajor governmental funds are provided in the individual funds statements.

The basic governmental fund financial statements can be found on pages 25-29 of this report.

Proprietary funds. The City maintains two different types of proprietary funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its water, wastewater, ambulance, cemetery, building permit, and stormwater operations. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for its group medical insurance, workers' compensation, insurance and fleet management. Because these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water and wastewater (formerly known as sewer) operations, each of which are considered to be major funds of the City. Conversely, internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Data from the other four enterprise funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor funds is provided in the form of *combining and individual fund statements and schedules* elsewhere in this report. Individual fund data for the internal service funds is provided in the form of *combining and individual fund statements and schedules* elsewhere in this report.

The basic proprietary fund financial statements can be found on pages 30-34 of this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are *not* reflected in the government-wide financial statement because the resources of those funds are *not* available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The basic fiduciary fund financial statements can be found on pages 35-36 of this report.

Carson City, Nevada
Management's Discussion and Analysis

Notes to the financial statements. The notes provide additional information that is essential to a gaining full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 37-73 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report presents *required supplementary information* concerning the Changes in the OPEB Liability, schedule of City's OPEB contributions, schedule of City's proportionate share of the net pension liability, and the Schedule of City's retirement contributions. Required supplementary information can be found on page 74-78 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds, internal service funds, and enterprise funds are presented following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 79-174 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$340,031,051 at the close of the most recent fiscal year.

By far the largest portion of the City's net position (126.4%) reflects its investment in capital assets (e.g., land, buildings, improvements, machinery and equipment, and infrastructure), less any related outstanding debt that was used to acquire those assets. The City uses these capital assets to provide a variety of services to its citizens. Accordingly, these assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources used to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The 2019 information was abstracted from our prior year report.

Carson City, Nevada
Management's Discussion and Analysis

An additional portion of the City's net position (5.6%) represents resources that are subject to external restrictions on how they may be used. This leaves a negative balance of \$109,195,943 for *unrestricted net position*.

At the end of the current fiscal year, the City is able to report positive balances in two of the three categories of net position for the government as a whole, as well as, for its separate governmental activities. Unrestricted net position is reported as a negative balance. The business-type activities reported positive balances in all categories of net position. In the prior fiscal year, the City reported positive balances in all categories with the exception of unrestricted net position.

The City's net position increased \$26,154,051 during the current fiscal year. The increase is attributable to increases in sales, property, consolidated and other taxes, plus grants, investment income and charges for services in Building Permits, Wastewater and Water Funds, as well as decreases in expenses throughout most City funds. The 2019 information was abstracted from our prior year report.

Governmental activities. Governmental activities increased the City's net position by \$15,000,996. This results in a net change (decrease) of \$8,910,015 when compared to the increase of \$23,911,011 in the prior year. Key elements of the change from prior year are as follows:

- \$2.9 million increase in sales and consolidated taxes.
- \$2.1 million increase in property taxes.
- \$2.2 million additional operating grants and contributions due primarily to CARES Federal Assistance due to the COVID-19 Pandemic
- \$4.5 million decrease in capital grants and contributions, as we received over \$5 million from the State for the South Carson Street Project in the prior year.
- \$10.5 million increase in expenses primarily due to the OPEB liability adjustments during the current fiscal year. These estimates are driven by third party assumptions and this year those assumptions increased the OPEB liability and current year expense of the City, which affects all functions of the City. In addition, the current pandemic has increased expenses in public safety, health, and sanitary practices in facilities maintenance.
- \$1.0 million decrease in transfers as in the prior year the general government received a transfer in of \$1.9 million from the ambulance fund for subsidy reimbursements during the great recession, and in the current year, the City forwarded \$905,000 of proceeds from the sale of property to Stormwater Utility Fund for Stormwater improvements included in the South Carson Street project.

Program revenues for governmental activities provided 28.5% of the resources necessary to pay the cost of providing program services. The remaining program costs were financed with general revenues. The largest general revenues are property taxes of \$32,187,748 and consolidated taxes of \$34,571,346.

**Carson City, Nevada
Management's Discussion and Analysis**

Revenues by Source - Governmental Activities

Business-type activities. Business-type activities increased the City's net position by \$11,153,055. This results in a net change (increase) of \$2,912,469 when compared to the increase of \$8,240,586 in the prior year. Key elements of the change from prior year are as follows:

- \$1.2 million increase in operating and capital grants and contributions for the Water and Sewer Utility Funds for several generators throughout the system and developer contributions.
- \$1.0 million increase in transfers as in the prior year the general government received a transfer in of \$1.9 million from the ambulance fund for subsidy reimbursements during the great recession, and in the current year, the City forwarded \$905,000 of proceeds from the sale of property to Stormwater Utility Fund for Stormwater improvements included in the South Carson Street project.

Wastewater and water expenses represent 79.7% of total expenses for business-type activities.

Revenues by Source - Business - type Activities

Financial Analysis of the Government's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either an external party, the City itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the City's Board.

At June 30, 2020, the City's governmental funds reported combined ending fund balances of \$48,656,949, an increase of \$9,754,021 in comparison with the prior year. Approximately 30.2% of this amount (\$14,713,151) constitutes *unassigned fund balance*, which is available for spending at the City's discretion. The remainder of the fund balance is either *nonspendable*, *restricted*, *committed*, or *assigned* to indicate that it is: 1) not in spendable form (\$595,155), 2) restricted for particular purposes (\$23,191,727), 3) committed for particular purposes (\$24,429), or 4) assigned for particular purposes (\$10,132,487).

The General Fund is the chief operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$14,713,151, while total fund balance increased by \$3,174,783. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Unassigned fund balance represents 20.8% of total general fund expenditures, while total fund balance represents 25.3% of that same amount.

The fund balance of the City's general fund increased by \$3,174,783 during the current fiscal year. This results in a net change (increase) of \$705,266 when compared to the increase of \$2,469,517 in the prior year. Key elements of the change from prior year are as follows:

- Consolidated tax revenues increased by \$2.9 million from the prior year. This is revenue passed through from the State, which is the result of an increase in taxable sales as our economy recovers.
- Property tax revenues increased by \$1.4 million from the prior year. This is a result of the increase in assessed values.
- General fund expenditures increased by approximately \$1.0 million (or 1.5%). This increase was mostly due to an increase in salaries and benefits during the current fiscal year as a result of the contract adjustments and merit increases.
- Increases in other financing uses of \$2.8 million due to a reduction in transfer in from the Ambulance Fund

Carson City, Nevada Management's Discussion and Analysis

in the amount of \$1,940,000, as during FY 2019 the Ambulance Fund paid back subsidies from the General Fund and in FY 2020 an increase in transfers out as the City sold a parcel of property and those proceeds were transferred to Stormwater Utility Fund, in the amount of \$905,000, to be added to the South Carson Street project, for stormwater drainage improvements.

Proprietary funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position at the end of the year amounted to \$10,716,832 in the Wastewater Fund and \$10,947,246 in the Water Fund. The Wastewater Fund total net position increased by \$3,669,320 and the Water Fund net position increased by \$4,801,552. Other factors concerning the finances of these two funds have already been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights:

Budgeted appropriations increased \$4,754,827 between the original budget and the final amended budget. The increase can be briefly summarized as follows:

- Carryover of program costs and savings from the prior year budget amounting to \$4,615,055 allocated to various departments.
- \$139,772 increase in various department appropriations offset by increases in charges for services, intergovernmental, and other miscellaneous revenues.

Of the \$139,772 increase, \$4,697 was funded from the Public Guardian gifts and donations, \$5,000 in additional Treasurer's fees, \$33,075 was funded from intergovernmental revenues, \$97,000 was funded from landfill charges for services, and \$4,615,055 was to be budgeted from available fund balance.

The significant differences between the final amended budget and actual amounts are as follows:

- Actual Charges for services were \$79,337 more than the final budget primarily due to an increase in landfill revenues of \$92,479 above the budgeted increase. Largest increase in revenues from the Final Budget is Intergovernmental revenues of \$2.1 million, primarily due to consolidated taxes.
- Actual expenditures by function were less than the final budget as a result of expenditure reductions, employee vacancies and unspent restricted funds that will be carried over to the next fiscal year's budget.

Capital Asset and Debt Administration

Capital assets. The City's investment in capital assets for its governmental and business-type activities as of June 30, 2020, amounts to \$607,613,089 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements, machinery and equipment, infrastructure, water capacity and water rights. The total increase in the City's investment in capital assets for the current fiscal year was 2.4% (a 1.7% increase for governmental activities and a 3.7% increase for business-type activities).

Major capital asset events during the current fiscal year included the following:

- South Carson Street construction and design \$6.5 million.
- East West Transmission Main – Phase II B \$6.3 million.
- Rifle Range improvements \$0.7 million.
- Wastewater Resource Recovery Facility Improvements \$2.1 million.
- Developer Contributions Street and Utility Improvements \$2.2 million.
- Redrill Well #3 \$0.6 million.
- Landfill Loader \$0.5 million
- Airport Road Sewer Main \$0.5 million.

Additional information on the City's capital assets can be found in Note 3-B on pages 49-53 of this report.

Long-term debt. At the end of the current fiscal year, the City had total bonded debt outstanding of \$176,144,113. Of this amount, \$148,767,975 comprises debt backed by the full faith and credit of the government. The remainder of the City's bonded debt represents bonds secured solely by specified revenue sources (i.e., revenue bonds).

Carson City's Outstanding Debt
General Obligation, Revenue Bonds and Notes Payable

	Governmental Activities		Business-Type Activities		Total	
	2020	2019	2020	2019	2020	2019
General obligation						
Bonds	\$47,630,001	\$51,805,001	\$101,137,974	\$125,423,233	\$148,767,975	\$177,228,234
Revenue bonds	11,975,400	13,148,000	-	-	11,975,400	13,148,000
Notes Payable	8,355,738	9,249,938	7,045,000	160,000	15,400,738	9,409,938
Total	\$67,961,139	\$74,202,939	\$108,182,974	\$125,583,233	\$176,144,113	\$199,786,172

The City's total bonded debt and notes payable decreased in 2020 by \$23,642,059 (11.8%) due to the issuance of \$10.2 million in State revolving fund refunding water bonds and normal principal payments. The refunding was a crossover refunding arrangement; therefore, both the issues remained debt of the City until May 2020 when the 2010A Water Bonds was fully redeemed. The City made principal payments of \$13.4 million (7.6% of total debt) during the current year.

The City maintained an "AA-" rating from Standard & Poor's and an "A1" rating from Moody's for general obligation debt.

State statutes limit the amount of general obligation debt a governmental entity may issue to 15.0% of its total assessed valuation. The current debt limitation for the City is \$264,117,744, which is significantly in excess of the City's outstanding general obligation debt.

Additional information on the City's long-term debt can be found in Note 3-D on pages 54-62 of this report.

Carson City, Nevada Management's Discussion and Analysis

Economic Factors and Next Year's Budgets and Rates

- The City's unemployment rate was 8.8% at June 30, 2020, which is an increase from a rate of 4.3% a year ago. The national and state unemployment rates of 11.1% and 15.2%, respectively at June 30, 2020.
- The City's assessed value increased 6.3% in fiscal year 2019-20 to \$1.667 billion and is increasing by 8.9% in fiscal year 2020-21 to \$1.815 billion.
- Consolidated tax revenue was initially projected to increase 0% for fiscal year 2020-21 due to the Coronavirus pandemic. July 2020 shows a 12.2% increase and August 2020 shows a 14.1% increase compared to the same months during fiscal year 2019-20.

All of these factors were considered in preparing the City's budget for the 2021 fiscal year.

During the current fiscal year, unrestricted fund balance in the General Fund increased from \$13,592,767 to \$16,292,082. The City has assigned \$1,231,759 of this amount for eliminating a 2021 fiscal year budget deficiency.

On March 12, 2020, the Governor of Nevada declared a state of emergency in response to the global pandemic caused by the coronavirus (COVID-19) infectious disease outbreak. Subsequently on March 19, 2020, the Carson City Board of Supervisors approved a resolution to declare a state of emergency in Carson City. The Governor required closure of non-essential business as of March 12, 2020 and did not begin to open again until May 18, 2020, albeit with limited capacity and social distancing requirements. Due to this unprecedented event, congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which established the Coronavirus Relief Fund. The City was notified on June 11, 2020 that \$10,211,415 in CARES funding would be allocated from the State of Nevada to the City for allowable Coronavirus expenses. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Carson City Finance Department, 201 N. Carson Street, Suite 3, Carson City, Nevada 89701.

**CARSON CITY, NEVADA
RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES, AND CHANGES IN FUND BALANCES
TO THE STATEMENT OF ACTIVITIES
GOVERNMENTAL FUNDS
FOR THE YEAR ENDED JUNE 30, 2020**

Net Change in Fund Balances - Governmental Funds (page 27)	\$	9,754,021
<p>Amounts reported for governmental activities in the statement of activities (pages 23-24) are different because:</p> <p>Governmental funds report capital outlays as expenditures and the proceeds from the sale of assets as other financing sources. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives and only the gain or loss is recorded when assets are sold.</p>		
Expenditures for capital assets	\$	13,172,030
Contributions of capital assets from business-type activities		24,974
Donated capital assets		1,761,445
Sale/disposition of assets		(585,544)
Less: Current year depreciation		<u>(8,137,071)</u>
		6,235,834
<p>Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in governmental funds.</p>		
Change in unavailable revenue		(641,094)
<p>Bond and note proceeds and capital leases provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bonds and note principal and capital leases is an expenditure in the governmental fund, but the repayment reduces long-term liabilities in the statement of net position. This is the amount by which bonds and notes issued and capital lease financing exceeded repayments and costs of issuance.</p>		
Bonds issued		(675,000)
Capital lease payments		2,375
Principal payments		6,121,800
Payment to escrow agent for refunding		<u>683,154</u>
		6,132,329
<p>Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.</p>		
Accrued interest		35,933
Amortization of loss on bond refunding		(267,030)
Amortization of bond premiums		300,052
Change in long-term landfill closure / post closure		(436,037)
Change in net OPEB liability		(16,719,477)
Change in net pension liability		287,145
Change in deferred outflows of resources		12,593,266
Change in deferred inflows of resources		(2,717,476)
Change in long-term compensated absences		<u>(559,683)</u>
		(7,483,307)
<p>Internal service funds are used by management to charge the costs of certain activities to individual funds. The net income of the internal service funds is reported with governmental activities.</p>		
		<u>1,003,213</u>
Change in Net Assets of Governmental Activities (pages 23-24)	\$	<u><u>15,000,996</u></u>

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

Carson City (the City) is a consolidated municipality governed by an elected mayor and a four-member board, which comprise the Board of Supervisors. The accompanying financial statements present the City and its component units, entities for which the government is considered to be financially accountable. Blended component units, although legally separate entities, are, in substance, part of the City's operations, and, therefore, data from these units are combined with data of the primary government. Each discretely presented component unit, on the other hand, is reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the government. Each blended and discretely presented component unit has a June 30 year end.

FIDUCIARY COMPONENT UNIT. The *Other Post Employment Benefits Trust Fund* accounts for the operations of the Carson City Other Post-Employment Benefits (OPEB) Plan, which is a non-revocable trust administered by the Other Post-Employment Benefits Board of Trustees. The component unit is a legally separate entity from the City. The City is financially accountable for the trust as it appoints the trustees and is able to impose its will on them through the ability to remove appointed members of the board of trustees. The plan includes assets held in trust for City retirees.

BLENDED COMPONENT UNIT. The Redevelopment Authority is governed by a board comprised of the City's elected Board of Supervisors. The ad valorem tax rates and bond issuance authorizations are approved by the Redevelopment Authority and the Board of Supervisors and the legal liability for the general obligation portion of the Authority's debt remains with the City. The financial statements of the Authority are reported as special revenue, debt service and capital projects funds of the City and did not obtain a separate financial audit.

DISCRETELY PRESENTED COMPONENT UNITS. The Carson City Culture and Tourism Authority is responsible for the promotion of tourism in Carson City. The members of the Authority's governing board are appointed by the Board of Supervisors. The Authority is fiscally dependent upon the City since the Board of Supervisors sets the room tax rates and must approve any general obligation debt issuances.

The Carson City Airport Authority is responsible for the operations of the Carson City Airport. The members of the Authority are appointed by the Board of Supervisors. The Authority is fiscally dependent upon the City since the Board of Supervisors is the recognized grantee for any Federal Aviation Administration grants awarded on behalf of the Authority and any property tax levies must be approved by the Board of Supervisors.

Complete financial statements for each of the discretely presented component units may be obtained at the entity's administrative offices.

Carson City Culture and Tourism Authority
1900 South Carson Street
Carson City, Nevada

Carson City Airport Authority
2600 East Graves Lane, Suite 6
Carson City, Nevada

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Government-Wide Financial Statements – The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support. Likewise, the *primary government* is reported separately from certain legally separate *component units* for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Fund Financial Statements – Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. Carson City considers all revenues, except grants, available if they are collected within 60 days of the end of the current fiscal period. Grant revenues are considered available if they are collected within 120 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to Other Post-Employment Benefits (OPEB), retirement, compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, consolidated taxes, franchise fees, motor vehicle fuel taxes, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period.

Shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Grants and similar items are recognized as revenues when eligibility requirements imposed by the provider have been met. All other revenue items are considered to be measurable and available only when cash is received by the City.

The government reports the following major governmental fund:

The *General Fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The government reports the following major proprietary funds:

The *Wastewater Fund* (formerly known as the Sewer Fund) accounts for the activities of the sewer services provided to the residents of Carson City.

The *Water Fund* accounts for the activities of the water services provided to the residents of Carson City.

Additionally, the government reports the following fund types:

Internal service funds account for group medical insurance, workers' compensation, liability and property insurance, and fleet management services provided to other departments or agencies of the government, or to other governments, on a cost reimbursement basis.

The *Fiduciary Funds* consist of the Fiduciary Component Unit – OPEB Trust Fund, Investment Trust Fund and Custodial Funds.

Investment Trust Fund accounts for the external portion of the investment pool administered by the City which includes assets held in trust for the school district.

Custodial Funds account for assets held by the City as an agent for various local governments, special districts and individuals. Included are funds for property taxes, sales taxes, shared revenues and other financial resources for schools, special districts, and other state and city agencies.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are interfund services provided and used and other charges between the City's business-type activities and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds and internal service funds are charges to customers for services. Operating expenses for enterprise funds and internal service funds include salaries and wages, employee benefits, services and supplies, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

D. ASSETS, LIABILITIES, DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES, AND NET POSITION OR EQUITY

1. Deposits and Investments

For purposes of the statement of cash flows presented for proprietary funds, cash equivalents are defined as short-term, highly liquid investments, generally with original maturities of three months or less. Since all cash in proprietary funds is pooled with the rest of the City's cash and is available upon demand, all cash and investments are considered cash equivalents. The City considers cash purchases and sales of the following types of investments as part of its cash management program rather than part of its operating, capital, investing, and financing activities.

Pursuant to NRS 355.170 and 355.167, Carson City may only invest in the following types of securities:

- a) United States bonds and debentures maturing within ten (10) years from the date of purchase.
- b) Certain farm loan bonds.
- c) Bills and notes of the United States Treasury and obligations of an agency or instrumentality of the United States of America or a corporation sponsored by the government maturing within ten (10) years from the date of purchase.
- d) Negotiable and non-negotiable certificates of deposit from commercial banks and insured credit unions or savings and loan associations.
- e) Certain securities issued by local governments of the State of Nevada.
- f) Other securities expressly provided by other Statutes, including repurchase agreements.
- g) State of Nevada Local Government Investment Pool.
- h) Certain bankers' acceptances, commercial paper issued by a corporation organized and operating in the United States, and money market mutual funds.

The Carson City Other Post-Employment Benefits Trust Fund was established in 2016, it participates in the Retirement Benefits Investment Fund and Pursuant to NRS 355.176, the Trust may additionally be invested in corporate stocks, bonds and securities, mutual funds, savings and loan or savings bank accounts, credit union accounts, life insurance policies, annuities, mortgages, deeds of trust or other security interests in real or personal property.

Investments are reported at fair value.

2. Investment Pool Investment Income

Interest income is recorded on the accrual basis in the investment pool. Net realized gains (losses) on investments are the sum of differences between the cost (if purchased during the fiscal year) or the fair value of the investment at the beginning of the year, and the net selling price received for investments that are sold or matured.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

The net increase (decrease) in fair value of investments in the investment pool is the difference between the cost (if purchased during the fiscal year) or the fair value of the investments at the beginning of the year, and the fair value of the investments at the end of the year.

3. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” (i.e., the current portion of interfund loans) or “advances to/from other funds” (i.e., the non-current portion of interfund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.” Operating appropriations and subsidies are accounted for as transfers in the funds involved.

Advances between funds, as reported in the fund financial statements, are offset by nonspendable fund balance in the applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All funds employ the allowance method of recognizing bad debts. Management does not anticipate any material collection losses with respect to its accounts receivable balances in any fund, except the Ambulance Fund; and, therefore, the allowance in those funds is zero.

The Ambulance Fund accounts receivable are presented net of the allowance for uncollectible accounts. Allowance for uncollectible accounts at June 30, 2020 is \$485,294 and represents claims outstanding more than 180 days. Total uncollectible ambulance charges written off during the period amounted to \$1,376,212.

Property taxes are levied as of July 1 on property values assessed the previous December. Taxes may be paid in four installments on the third Monday in August and the first Mondays in October, January, and March. Penalties are assessed if a taxpayer fails to pay an installment within ten days of the installment due date. On the first Monday in June, if the taxes remain unpaid, a Treasurer's Trustee Certificate is issued conveying the property to the Treasurer as Trustee, constituting a lien for back taxes and accumulated delinquency charges. A two year redemption period begins after the certificate placing such property in trust is issued. Redemption may be made by the owner and such persons as described by Statute by paying all back taxes and accumulated penalties, interest, and costs before sale. For property with taxes remaining unpaid at the end of the two year redemption period, Carson City may take a deed to the property and proceed to a tax sale. Secured roll property taxes receivable reflect only those taxes receivable from the delinquent roll years. No provision for uncollectible accounts has been established since management does not anticipate any material collection losses in respect to the remaining balances.

Accounts receivable for the discretely presented component units do not reflect an allowance for uncollectible accounts. The managements of the respective entities do not anticipate any material collection losses with respect to accounts receivable balances.

4. Inventories and Prepaid Items

The City's policy is to value inventories in Governmental Funds at cost using the average cost method, while Proprietary Fund inventories are valued at cost using the weighted average method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. The City uses the consumption method, expenditures/expenses are recorded to the period in which those services were used.

5. Restricted Assets

Certain assets of Carson City's General Fund and Commissary Special Revenue Fund are classified as restricted assets because their use is restricted as the amounts are held for others.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

6. Capital Assets

Capital assets, which include land, construction in progress, buildings, improvements, machinery and equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an estimated useful life of at least one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	40-50
Improvements other than buildings	30-45
Machinery and equipment	5-10
Infrastructure	15-50

7. Long-Term Obligations

In the government-wide financial statements and the proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts, are deferred and amortized over the life of the bonds using the straight-line method which approximates the effective interest rate method. For current and advanced refundings resulting in the defeasance of debt, the difference between the reacquisition price and the net carrying amount of the old debt is deferred as an inflow or an outflow and amortized as a component of interest expense using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures in the year incurred.

It is the City's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. The City pays a portion of the employee's unused sick leave at the time of employee termination if provided for in the applicable Employee Association contract. Vacation pay and sick leave payoff are accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

8. Postemployment Benefits Other than Pension

For purposes of measuring the net Other Postemployment Benefit (OPEB) liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Carson City OPEB Plan (City's Plan) and Public Employees' Benefit Plan (PEBP) include both additions to and deductions from City's Plan and PEBP net positions have been determined on the same basis as they are reported by the City's Plan and PEBP, respectively. For this purpose, both plans recognize benefit payments when due and payable in accordance with the benefit terms. Investments in the Carson City OPEB Trust Fund are reported at fair value.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

9. Pension

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pension, and pension expense, information about the fiduciary net position of the Public Employees' Retirement System of the State of Nevada (PERS) Base Plan (Base Plan) and additions to/deductions from Base Plan's fiduciary net position have been determined on the same basis as they are reported by the Base Plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

10. Deferred Outflows and Deferred Inflows of Resources

Deferred outflow of resources represents a consumption of net position that applies to a future period and so will not be recognized as an outflow or resources (expense/expenditure) until that time. Deferred inflow of resources represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

Items currently presented as deferred outflows and deferred inflows are as follows:

- Unamortized gains or losses resulting from advance bond refunding's are presented as deferred inflows of resources and deferred outflows of resources.
- Delinquent property taxes, delinquent landfill fees and grant reimbursements are presented in the General Fund and Other Governmental Funds as a deferred inflow of resources, specifically unavailable revenue-delinquent property taxes, delinquent landfill fees, and unavailable grant reimbursements. Property tax revenues are considered "delinquent" when the due date of an assessment has passed and any statutory appeal rights have expired. Landfill fees earned but delinquent are considered delinquent if unpaid within 10 days of the due date. Grant reimbursements are recorded as deferred inflows of resources when they are received after October, 31, 2020.
- The City participates in Public Employees' Retirement System of the State of Nevada (PERS) and Judicial Retirement System of Nevada (JRS) and will present the City's portion of these pension liabilities on the Statement of Net Position. In addition, the City will recognize the changes in the employer's proportion and differences between the employer's contributions and the employer's proportionate contributions, changes in actuarial assumptions, and City contributions subsequent to the measurement date as deferred outflows of resources, and actuarial adjustment to contributions, the differences between expected and actual experience, the net difference between projected and actual earnings on pension plans investments as a deferred inflow of resources. Contributions subsequent to the measurement date include the current fiscal year contributions made by the City to PERS and JRS. All other deferred amounts were obtained from the Schedule of Employer Allocations, Schedule of Pension Amounts by Employer, and Related Notes Report prepared by PERS and the GASB 68 Actuarial Valuation for JRS for the Fiscal Year Ended June 30, 2019.
- The City participates in the Public Employees Benefit Plan (PEBP) System of the State of Nevada (PEBP) and the Carson City Other Post-Employment Benefits (OPEB) Trust Fund and will present the City's portion of these OPEB liabilities on the Statement of Net Position. In addition, the City will recognize changes of assumptions and the net difference between projected and actual earnings on investment as deferred outflows of resources, and the City will recognize the difference between expected and actual experience as a deferred inflow of resources. All amounts were obtained from a third-party actuarial report prepared for PEBP and City OPEB Trust for the Fiscal Year End June 30, 2020.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

11. Connection Fees

It is the policy of the Board of Supervisors that new users hooking up to the water and sewer systems pay a "pro rata" share of the cost of the existing systems as calculated on the basis of "Equivalent Residential Customers." To this end, a connection fee is charged for new hookups to the water and sewer systems and the amounts are reported as capital contributions.

12. Equity Classifications

In the government-wide financial statements, equity is classified as net position and displayed in three components:

- Net Investment in Capital Assets – Consists of capital assets, net of accumulated depreciation and reduced by outstanding balances of any bonds, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- Restricted Net Position – Consists of net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; (2) law through constitutional provisions or enabling legislation.
- Unrestricted Net Position – All other net position that do not meet the definition of “net investment in capital assets, net of related debt” or “restricted.”

In the fund financial statements, governmental fund equity is classified as fund balance.

Fund Balance Classification:

In the governmental fund statements, fund balance classifications describe the relative strength of the spending constraints:

- Nonspendable: This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) are legally or contractually required to be maintained intact.
- Restricted: This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors (such as through a debt covenant), grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.
- Committed: This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by formal action of the Board of Supervisors. These amounts cannot be used for any other purpose unless the Board of Supervisors removes or changes the specified use by taking the same type of action (resolution) that was employed when the funds were initially committed.
- Assigned: This classification includes amounts that are constrained by the City’s intended use for a specific purpose but are neither restricted nor committed. The Board of Supervisors, in accordance with the Fund Balance Policy, has delegated the authority to assign fund balance for specific purposes to the City Manager or the Chief Financial Officer. This classification also includes the remaining positive fund balance for all governmental funds except for the General Fund.
- Unassigned: This classification includes the residual fund balance for the General Fund. The General Fund is the only fund that would report a positive amount in unassigned fund balance. The unassigned classification also includes negative residual fund balance of any other governmental fund that cannot be eliminated by offsetting of assigned fund balance amounts.

A minimum unrestricted ending fund balance of not less than 8.33% of total budgeted expenditures shall be included in the General Fund budget each fiscal year. An inability to meet this requirement must be approved by the Board of Supervisors.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Spending Order of Fund Balances:

Fund balance classifications should depict the nature of the net resources that are reported in the governmental fund. Fund balance in individual governmental funds may be comprised of a single classification or many classifications.

When both restricted and unrestricted funds are available for expenditure, it is the City's policy to expend restricted resources first then unrestricted resources.

Unrestricted fund balance includes the committed, assigned, and unassigned classifications. When any of these amounts are available for expenditure, it is the City's policy to expend committed resources first, followed by assigned resources, then unassigned resources.

13. Comparative Data

Comparative total data for the prior year have been presented only for individual funds in the Combined and Individual Fund Statements and Schedules in order to provide an understanding of the changes in financial position and operations for the funds. Also, certain amounts presented in prior year data have been reclassified in order to be consistent with current year's presentation.

14. Use of Estimates

The preparation of these financial statements includes estimates and assumptions made by management that affect the reported amounts. Actual results could differ from those estimates. Significant estimates include the valuation of the net pension liability, OPEB liability, valuation of risk management and other self-insurance liabilities, estimated useful lives of depreciable capital assets and the allowance for uncollectible accounts and notes receivable.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. BUDGETARY INFORMATION

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all governmental and proprietary funds. All annual appropriations lapse at fiscal year-end.

On or before mid-February of each year, all agencies of the City must submit requests for appropriations to the Internal Finance Committee comprised of the City Manager, Finance Director, District Attorney and Human Resources Director in order that a budget may be prepared. Before April 15th, a tentative budget is submitted to the Board of Supervisors, the Redevelopment Authority, and the State of Nevada. The City then holds a series of public hearings and a final budget must be prepared and adopted no later than June 1st.

The appropriated budget is prepared by fund, function and department. The City's department heads may request transfers of appropriations within the department's budget categories. Transfers of appropriations between department categories or functions within a fund may be made with the City Manager's approval. Transfers of appropriations between funds, from contingency accounts, or increases in budget appropriations require the approval of the Board of Supervisors or Redevelopment Authority. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the function level for governmental funds and the sum of operating and nonoperating expenses in the proprietary funds. There are no budgetary restrictions in the debt service funds regarding expenditures related to payments of principal and interest on long-term debt. The Board made several supplemental budgetary appropriations throughout the year.

B. EXCESS OF EXPENDITURES OVER APPROPRIATIONS

The City conformed to all significant statutory constraints on its financial administration during the fiscal year.

**CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020**

C. DEFICIT FUND EQUITY

The Ambulance, Building Permits and the Group Medical Insurance Funds have negative net positions of \$1,467,587, \$5,361 and \$468,291, respectively. These deficit balances are due to large pension and OPEB liabilities added as a result of the implementation of GASB 68, *Accounting and Financial Reporting for Pensions* and GASB 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*.

NOTE 3 - DETAILED NOTES ON ALL FUNDS

A. DEPOSITS AND INVESTMENTS

At year end, the City's carrying amount of deposits was \$5,499,315 and the bank balance was \$6,142,239. All of the bank balance was covered by FDIC, SIPC, or collateralized by the Office of the State Treasurer/Nevada Collateral Pool.

The carrying amount of deposits for Carson City Airport Authority, discretely presented component unit, was \$1,223,759, and the bank balance was \$1,223,030. All of the bank balance was covered by federal depository insurance or by collateral held by the component unit's agent in the component unit's name. As of June 30, 2020, the Carson City Culture and Tourism Authority is investing in the Carson City Investment Pool, their balance is \$1,468,207.

Carson City Other Post-Employment Benefits Trust Fund is authorized to participate in the Carson City Investment Pool for short-term cash flow purposes as of June 30, 2020 the balance is \$64,033. Primary investments are made with the State of Nevada Retirement Benefits Investment Fund, their balance at June 30, 2020 is \$1,829,188.

The City has a formal investment policy to establish guidelines for the prudent investment of City funds. Funds of the City will be invested in compliance with the provisions of Nevada Revised Statutes, Chapters 355.167 through 355.200, and other applicable statutes. Allowable investments are described in Note 1.D.1.

The City categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value:

Level 1 – Inputs are quoted prices in active markets for identical assets;

Level 2 – Inputs are significant other observable inputs; and

Level 3 – Inputs are significant unobservable inputs.

The City does not have any investments that are measured using Level 3 inputs.

As of June 30, 2020, the City had the following recurring fair value measurements:

<u>Government-wide Balances:</u> <u>Investment Type</u>	<u>Total</u>	<u>Fair Value Measurements Using</u>	
		<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>
U.S. Treasuries	\$ 13,707,015	\$ 13,707,015	\$ -
U.S. Agencies	40,811,852	-	40,811,852
Corporate Bonds	29,097,208	-	29,097,208
Money Market Mutual Fund	1,794,531	1,794,531	-
	<u>85,410,606</u>	<u>15,501,546</u>	<u>69,909,060</u>
State of Nevada:			
Local Government Investment Pool	11,104,489	-	-
Public Employees Retirement System:			
Retirement Benefit Investment Fund	1,829,188	-	-
Total	<u>\$ 98,344,283</u>	<u>\$ 15,501,546</u>	<u>\$ 69,909,060</u>

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Investments categorized as Level 1 are valued using prices quoted in active markets for those investments as provided by recognized broker dealers. Investments categorized as Level 2 are based on matrix pricing models that maximize the use of observable inputs for similar securities as provided by recognized broker dealers.

At year end, the City had the following investments and maturities:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Less Than 1</u>	<u>Investment Maturities (in Years)</u>		
			<u>1-5</u>	<u>6-10</u>	<u>10+</u>
U.S. Treasuries	\$ 13,707,015	\$ 7,555,569	\$ 6,151,446	\$ -	\$ -
U.S. Agencies	40,811,852	4,058,640	36,753,212	-	-
Corporate Bonds	29,097,208	7,042,815	22,054,393	-	-
Money Market Mutual Fund	1,794,531	1,794,531	-	-	-
State of Nevada:					
Local Government					
Investment Pool	11,104,489	11,104,489	-	-	-
Public Employees Retirement System:					
Retirement Benefit					
Investment Fund	1,829,188	\$1,829,188	-	-	-
Total	\$98,344,283	\$ 33,385,232	\$ 64,959,051	\$ -	\$ -

Interest Rate Risk. As a means of limiting its exposure to fair value losses arising from rising interest rates, the City’s investment policy states that portfolio maturities must be structured to avoid the forced sale of securities in any but the most severe circumstances. To this end, portfolio management procedures will provide for the projection of a “minimum liquidity requirement” for the City’s operating fund.

The following procedures will be applied:

- **Minimum Liquidity Requirement:** This is defined as the total cash flow needed to pay City obligations for a period of four weeks. All securities to be included in the “minimum liquidity requirement” must mature within 28 days.
- **Intermediate Market Investment:** That portion of City funds remaining after deletion of the “minimum liquidity requirement” may be invested in the intermediate market, defined herein as instruments maturing between zero and ten years.
- **No U.S. bonds, debentures, bills, notes, agency obligations or other securities, including those used as collateral for repurchase agreements, may have a maturity date of more than 10 years from the date of purchase. Securities purchased by money managers under the provisions of NRS 355.171 may have a longer stated maturity date.**

Credit Risk. Funds invested with the State of Nevada Treasurer in the Local Government Investment Pool and Public Employees Retirement System in the Retiree Benefits Investment Fund may be invested as permitted by Nevada Revised Statutes. City policy does not further restrict these investments. As of June 30, 2020, the City’s investments in U.S. Agencies were rated AA- by Standard and Poor’s and A1 by Moody’s Investors Service. The City’s investment in the State of Nevada Local Government Investment Pool is an unrated external investment pool with an average duration of 116 days. Money Market Mutual Funds and Retirement Benefits Investment Fund are not rated. The City’s investments in corporate bonds were rated as follows:

	<u>AAA</u>	<u>AA</u>	<u>A</u>	<u>Not Rated</u>
Moody’s	\$ 2,858,785	\$ 6,833,707	\$ 6,998,469	\$ 12,406,247
S&P	1,800,715	7,135,494	8,691,546	11,469,453

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Concentration of Credit Risk. The City's investment policy states that no more than 20% of the total book value of the portfolio will be invested in a single security type with the exception of U.S. Treasury and government agency securities.

At June 30, 2020, the following investments exceeded 5% of the City's total:

Federal Home Loan Mortgage Corporation	\$ 5,021,226	5.20%
Federal Home Loan Banks	16,102,395	16.68%
Federal Farm Credit Banks	16,135,619	16.72%

A reconciliation of cash and investments for the primary government follows:

Cash on hand	\$ 11,592
Carrying amount of deposits	5,499,315
Carrying amount of investments	<u>98,344,283</u>
	\$ 103,855,190
Less: Carrying amount of deposits held for component unit	<u>(1,468,207)</u>
	<u>\$ 102,386,983</u>
Cash and investments – governmental activities	\$ 48,630,273
Cash and investments – business-type activities	39,446,210
Cash and investments – investment trust fund	10,045,200
Cash and investments – OPEB trust fund	64,033
Cash and investments – custodial funds	868,663
Cash and investments – restricted	<u>3,332,604</u>
	<u>\$ 102,386,983</u>

The State of Nevada Local Government Investment Pool and the Retirement Benefits Investment Fund are external pools administered by the State Treasurer and Public Employees Retirement System, respectively, with oversight by the State of Nevada Board of Finance. Investment in the Local Government Investment Pool and the Retirement Benefits Investment Fund are carried at fair value, which is the same as the value of the pool shares in each pool.

Carson City administers an external investment pool combining Carson City money with involuntary investments from the Carson City School District and voluntary investments from the Carson City Other Post-Employment Benefits Trust Fund. Each participant's share is equal to their original investment plus or minus monthly allocation of interest income and realized and unrealized gains and losses. Interest allocation is calculated monthly and is based on the month end cash balances of each fund participating in the pool. The fair value and interest receivable allocations are calculated at year end and are based on the average monthly cash balance of each fund participating in the pool. The determination of realized gains and losses is independent of the determination of the net change in the fair value of investments and realized gains and losses on investments that were held by the governmental entity during a previous accounting period(s) but sold during the current period were used to compute the change in the fair value of investments for the previous year(s) as well as the current year. The participant's share and redemption value are calculated using the same method. The Board of Supervisors has overall responsibility for investment of City funds, including the Investment Trust Fund, in accordance with NRS 355.175. The Carson City Chief Investment Official is the Carson City Treasurer, under authority delegated by the Board of Supervisors. The City has not provided or obtained any legally binding guarantees during the period to support the value of shares. The external investment pool is not registered with the SEC as an investment company.

Other Commitments:

On June 15, 2017 the board approved an interlocal agreement regarding wholesale water services between the town of Minden and Carson City. A provision in the agreement is that the City will pay \$75,000 per year for the next 20 years, starting July 1, 2018 for a beneficial interest in water rights, a total of \$1,500,000. Minden water rights will not change ownership under this agreement.

On April 1, 1997, the City entered into an agreement with the State of Nevada, Department of Transportation (Highway Agreement No. R159-97-060) to help construct the Carson City Bypass. The City is funding this obligation through a \$.05 increase in the county motor vehicle fuel tax. The City intends to contribute a total of \$19 million plus interest. Though June 30, 2016 the City has contributed \$14,196,189, no contributions have been made since.

In August 2004, the City and the State of Nevada, Department of Transportation (NDOT) added Amendment 1 to the above Agreement. The amendment provides for the following:

- The City shall pay to NDOT an amount of \$15,000,000, with payments beginning upon completion of the funding obligation for Phase I of the freeway as prescribed in Highway Agreement No. R159-97-060 and amended herein, estimated to start in 2011 and finish in 2026. For Phase 2, the City shall pay the tax based on a \$.03 levy in the county motor vehicle fuel tax. The amounts received from the additional \$.02 levy will be used to maintain Carson Street and Fairview Drive as described below.
- It is further agreed that the City will assume ownership and maintenance responsibility for Carson Street from approximately Arrowhead Drive in the north to the intersection of the Carson City Freeway at the Spooner Intersection to the south, upon construction completion to the point when vehicles are using Phase 2.
- The City also agrees to construct Fairview Drive to a minimum of four through lanes with turn lanes, from the terminus of Phase 2A at Fairview Drive to US 395/Carson Street, and to be responsible for maintenance of Fairview Drive.
- NDOT agrees to defer payment by the City of the current \$.05 tax as defined in Highway Agreement No. R159-97-060 from the period beginning July 1, 2005 through June 30, 2008, to allow the City to utilize the payments for the Fairview Drive improvements.

In December 2007, the City and the NDOT added Amendment 2. The amendment provides for the following:

- City agreed to assume ownership and maintenance responsibility of additional State streets in lieu of remaining payment due for Phase 1 in the amount of \$4.8 million dollars.
- Deferred payment of \$.03 tax to July 1, 2009, to allow construction of Fairview Drive.

In 2009, the City and the NDOT added Amendment 3. The amendment provides for the following:

- City agreed to take additional State streets for maintenance and forego pavement rehabilitation by NDOT of Carson Street in lieu of a portion of the remaining payment due for Phase 2 in the amount of \$7.9 million dollars.
- Deferred \$.03 tax payments for remaining \$7.1 million until completion of Phase 2B.

On August 10, 2016 the City and the NDOT added Amendment 4. The amendment provides for the following:

- Clarification that the portions of Snyder Avenue and S. Carson Street (including associated Frontage Road) would be relinquished to the City as previously agreed upon following completion and opening to traffic of Phase 2B-3 of the freeway (expected in 2018). Although the freeway is open to traffic the State has not completed the project.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

- NDOT shall pay Carson City a sum not to exceed \$5.1 million for improvements to include a Complete Streets Project within the relinquished State highways area, which Carson City agrees to have under construction by the end of 2019.
- Clarification of the deferred \$.03 tax payments for the remaining \$7.1 million was included which states that tax payments are deferred until the completion of Phase 2B, including the completion of the interchange at Carson Street/U.S. Highway 50 West at the southern terminus of the Carson City Freeway, (known as Phase 2B-4).

As of June 30, 2020, Phase 2B-4 had not yet been initiated or programmed by the Nevada Department of Transportation and, as such, the \$.03 tax payments mentioned above remain deferred.

C. INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

The composition of interfund balances as of June 30, 2020, is as follows:

Due to/from other funds:

<u>Funds Receivable</u>	<u>Funds Payable</u>	<u>Amount</u>
General Fund	Nonmajor governmental funds	<u>\$ 1,392,401</u>
Nonmajor governmental funds	Nonmajor governmental funds	<u>\$ 108,704</u>

The above interfund balances at June 30, 2020, are generally short-term loans to cover temporary cash deficits in various funds. They are expected to be repaid in the next fiscal year.

Due to/from primary government and component units:

<u>Funds Receivable</u>	<u>Funds Payable</u>	<u>Amount</u>
Component unit – Airport Authority	Primary government – General Fund	<u>\$ 259,640</u>

Interfund transfers:

<u>Transfers out:</u>	<u>Transfers In:</u>			<u>Total</u>
	<u>General Fund</u>	<u>Nonmajor Enterprise Funds</u>	<u>Nonmajor Governmental Funds</u>	
General Fund	\$ -	\$ 915,000	\$12,538,922	\$13,453,922
Nonmajor Governmental Funds	263,012	-	6,410,130	6,673,142
Internal Service Funds	-	143,960	-	143,960
Total Transfers	<u>\$ 263,012</u>	<u>\$1,058,960</u>	<u>\$ 18,949,052</u>	<u>\$20,271,024</u>

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, and (2) use unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.

D. LONG-TERM DEBT

General Obligation Bonds. The City issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have been issued for both governmental and business-type activities. In addition, general obligation bonds have been issued to refund general obligation bonds.

General obligation bonds are direct obligations and pledge the full faith and credit of the City. These bonds generally are issued as serial bonds with equal amounts of principal maturing each year.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

General obligation bonds currently outstanding are as follows:

<u>Purpose</u>	<u>Interest Rates</u>	<u>Amount</u>
Governmental activities	3.00-5.00%	\$ 12,500,000
Governmental activities - refunding	2.00-5.00%	35,130,001
Business-type activities	0.0-5.00%	76,554,229
Business-type activities - refunding	2.0-5.00%	24,583,745

Revenue Bonds. The City also issues bonds where the City pledges income derived from the acquired or constructed assets to pay debt service. Revenue bonds outstanding at year end are as follows:

<u>Purpose</u>	<u>Interest Rates</u>	<u>Amount</u>
Governmental activities: Regional Transportation	2.37-5.00%	\$ 11,975,400

Medium Term Bonds and Notes Payable. On June 9, 2020, the City issued medium-term general obligation refunding bonds of \$7,720,000. The purpose of the refunding is to reduce the interest rate on the Installment Purchase Agreement with the BRIC, 2010D Wastewater Bond, 2014 D Stormwater Bond, 2010B Water Bond and 2014C Water Bond. The City issues notes to provide funds for open space, various improvements, and vehicles and to refund Redevelopment debt. Notes payable outstanding at year end are as follows:

<u>Purpose</u>	<u>Interest Rates</u>	<u>Amount</u>
Governmental activities:		
2020A Medium-term refunding		
BRIC	1.270%	\$ 675,000
Landfill capital equipment	2.230%	740,000
911 Surcharge capital equipment	2.230%	392,000
Installment purchase agreement		
Energy Efficiency	2.190%	866,200
Energy Efficiency (QECB)	4.690%	3,101,538
Citywide capital equipment	2.130%	2,334,000
Fleet communication console	2.130%	247,000
Business-type activities:		
2020A Medium-term refunding		
Wastewater	1.270%	714,000
Water	1.270%	4,322,000
Stormwater	1.270%	2,009,000

Pledged Revenues. The City has pledged specific revenues to repay bonds in governmental and business-type activities.

Governmental activities

The City has pledged 15% of the Consolidated tax revenue receipts for the repayment of various General Obligation Revenue bonds consisting of the Refunding Bonds series 2010, 2013 Installment Purchase Agreement, Refunding Bonds Series 2013A, Medium Term Landfill Capital Acquisition Bonds Series 2014, Medium Term 911 Surcharge Capital Acquisition Bonds Series 2014, the Refunding Capital Improvement Bonds Series 2015C and the Medium-term Refunding series 2020A (BRIC Building Refunding). The total principal and interest remaining to be paid on the bonds is \$30,443,850 payable through fiscal year 2033. For the current year, principal and interest paid for the bonds totaled \$3,290,826 and pledged revenues totaled \$5,185,702.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

The City has pledged future 1/4 cent voter approved (Quality of Life) sales tax revenues to repay \$9,060,000 in Parks Refunding Bonds Series 2010 and Parks Refunding Bonds Series 2013C. Proceeds of the bonds provided financing for new parks facilities, to purchase open space and to improve and equip current parks facilities. The bonds are intended to be paid solely from the 1/4 cent tax revenues and are payable through fiscal year 2030. Annual principal and interest payments on the bonds are expected to require 20% of the pledged revenues. The total principal and interest remaining to be paid on the bonds is \$6,790,926. For the current year, principal and interest paid for the bonds totaled \$711,144 and pledged revenues totaled \$3,484,353.

The City has pledged future 1/8 cent sales tax revenues (NRS 377B), to repay \$8,400,000 in General Obligation V&T Historical Refunding Bonds Series 2014E. The bonds are intended to be paid solely from the 1/8 cent tax revenues and are payable through fiscal year 2026. Annual principal and interest payments on the bonds are expected to require 65% of the pledged revenues. The total principal and interest remaining to be paid on the bonds is \$6,251,250. For the current year, principal and interest paid for the bonds totaled \$1,046,200 and pledged revenues totaled \$1,610,060.

The City has pledged future 1/8 cent sales tax revenue (NRS 377B), to repay \$13,600,000 in General Obligation Infrastructure Sales Tax Bonds 2014F. The bonds are intended to be paid solely from the 1/8 cent tax revenues and are payable through fiscal year Fiscal Year 2045. Annual principal and interest payments on the bonds are expected to require 48% of the pledged revenues. The total principal and interest remaining to be paid on the bonds is \$19,377,700. For the current year, principal and interest paid for the bonds totaled \$774,575, and pledged revenues totaled \$1,609,481.

The City has pledged room tax to repay \$3,350,000 in Room Tax Refunding Revenue Supported Bonds. The bonds are intended to be paid solely from room tax and are payable through fiscal year 2023. Annual principal and interest payments on the bonds are expected to require 21% of the pledged revenues. The total principal and interest remaining to be paid on the bonds is \$1,219,385. For the current year, principal and interest paid for the bonds totaled \$403,455 and pledged revenues totaled \$1,892,353.

The City has pledged motor vehicle fuel tax revenues to repay \$9,055,000 in Highway Revenue (Motor Vehicle Fuel Tax) Improvement Bonds Series 2008, and \$3,332,300 in Refunding Highway Revenue (Motor Vehicle Fuel Tax) Subordinate Lien Refunding Bonds Series 2012, \$6,170,000 in Refunding Highway Revenue (Motor Vehicle Fuel Tax) Subordinate Lien Improvement Bonds Series 2015, and \$5,951,000 in Refunding Highway Revenue (Motor Vehicle Fuel Tax) Refunding Bonds Series 2017. The bonds are secured solely from motor vehicle fuel tax and are payable through fiscal year 2030. Annual principal and interest payments on the bonds are expected to require 53% of the pledged revenues. The total principal and interest remaining to be paid on the bonds is \$13,810,091. For the current year, principal and interest paid for the bonds totaled \$1,580,215 and pledged revenues totaled \$2,958,116.

Business-type activities

The City has pledged future wastewater utility customer revenues, connection fees and investment earnings, net of specified operating expenses to repay \$66,939,020 in sewer utility system general obligation revenue bonds issued between fiscal years 1995 and 2020. The bonds are intended to be paid solely from utility customer net revenues and are payable through fiscal year 2038. Annual principal and interest payments on the bonds are expected to require as much as 100% of the utility's net revenues. The total principal and interest remaining to be paid on the bonds is \$56,964,632. For the current year, principal and interest paid for the bonds totaled \$4,240,131 and net pledged revenues totaled \$8,606,987.

The City has pledged future water utility customer revenues and connection fees and investment earnings, net of specified operating expenses to repay \$86,345,745 in water utility system general obligation revenue bonds issued between fiscal years 1998 and 2020. The bonds are intended to be paid solely from utility customer net revenues and are payable through fiscal year 2040. Annual principal and interest payments on the bonds are expected to require as much as 100% of the utility's net revenues. The total principal and interest remaining to be paid on the bonds is \$65,820,765. For the current year, principal and interest paid for the bonds totaled \$5,301,421 and net pledged revenues totaled \$8,762,251.

The City has pledged future stormwater utility customer revenues and connection fees and investment earnings, net of specified operating expenses to repay \$10,016,738 in storm drainage utility system general obligation revenue bonds issued between fiscal years 2005 and 2020. The bonds are intended to be paid solely from utility customer net revenues and are payable through fiscal year 2038. Annual principal and interest payments on the bonds are expected to require as much as 100% of the utility's net revenues. The total principal and interest remaining to be paid on the bonds is \$9,632,904. For the current year, principal and interest paid for the bonds totaled \$754,263 and net pledged revenues totaled \$1,316,345.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Capital Leases. The City has entered into lease agreements as lessee for financing the acquisition of office equipment. The net present value of minimum lease payments at year end was \$2,433 to be paid in full in 2021.

The assets acquired through capital lease are as follows:

	Governmental Activities
Asset:	
Machinery and equipment	\$ 176,951
Less: Accumulated depreciation	<u>(156,295)</u>
Total	<u>\$ 20,656</u>

Refundings. During the year ended June 30, 2020 the City had the following refunding:

On June 9, 2020, the City issued \$7,720,000 of General Obligation (Limited Tax) Medium-term Refunding Bonds, Series 2020A. The bonds are secured by the full faith and credit of the City, subject to Nevada Constitutional and statutory limitations on the aggregate amount of property taxes that may be levied by and within the City and are additionally secured by pledged utility system revenues. The proceeds will be used for the purpose of paying and discharging the Installment Purchase Obligation, Series 2013A (BRIC Building), maturing on April 1, 2028, Sewer Improvement Bond Series 2010D, maturing on November 1, 2029, Water Improvement/Refunding Bond Series 2010B, maturing on November 1, 2021, Water Refunding Bonds, Series 2014C, maturing on June 1, 2025, and Sewer (Stormwater) Refunding Bonds, Series 2014D, maturing on June 1, 2025. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the government-wide Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$17,792. This amount is being amortized over the remaining life of the new debt, which is the same as the old debt. The refunding resulted in a decrease in total debt service payments over the next 9 years of \$354,346 and an economic gain of \$298,448. The total amount placed in escrow on June 9, 2020 was \$8,195,492. The outstanding principal of the defeased bonds is \$8,177,700 at June 30, 2020.

On August 15, 2018, the City issued \$10,198,745 of Taxable/Tax-Exempt General Obligation (Limited Tax) water Refunding Bonds (Additionally Secured by Pledged Revenues) Series 2018B. The bonds are secured by the full faith and credit of the City, subject to Nevada Constitutional and statutory imitations on the aggregate amount of property taxes that may be levied by and within the City and are additionally secured by pledged water system revenues. The proceeds will be used as part of a crossover refunding arrangement for the purpose of paying and discharging the “General Obligation (Limited Tax) Water Improvement Bonds (Additionally Secured by Pledged Revenues) Series 2010A”, maturing on November 1, 2039. The 2010A Water Bonds were subject to redemption on May 1, 2020. To ensure receipt of the Build America Bond Federal Subsidy through the defeasance date, the proceeds of the refunding were deposited in the crossover escrow account. The 2010A Water Bonds remained a debt of Carson City until May 1, 2020 when it was paid in full by the crossover escrow account and considered defeased and the liability was removed from the Government Wide Statement of Net Position. The reacquisition price was less than the net carrying amount of the old debt by \$11,538. This amount is being amortized over the remaining life of the new debt. The crossover refunding will result in a decrease in total debt service payments over the next twenty years of \$3,445,473 and an economic gain of \$2,214,698. The total amount placed in the crossover refunding escrow at August 15, 2018 was \$10,088,462. Total amount of outstanding debt was defeased on May 1, 2020.

Compensated Absences. The compensated absences liability attributable to governmental activities is liquidated primarily by the General Fund.

Conduit Debt. On March 4, 2002, October 1, 2003, and October 27, 2005, the City issued \$45,185,000, \$95,000,000, and \$15,000,000, respectively, in revenue bonds for Carson-Tahoe Regional Healthcare, a non-profit corporation.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

As of September 1, 2012, the City issued \$52,930,000 in Hospital Revenue Refunding Bonds (Carson Tahoe Regional HealthCare Project) Series 2012 for the sole purpose of refunding \$20,180,000 of the March 4, 2002 Hospital Revenue Bonds (Carson-Tahoe Hospital Project) Series 2002 and \$39,035,000 of the October 1, 2003 Hospital Revenue Bonds (Carson-Tahoe Hospital Project) Series 2003A.

On December 19, 2017, the City issued \$105,000,000 in Hospital Revenue and Refunding Bonds (Carson Tahoe Regional Healthcare Project) Series 2017 to refund \$36,870,000 in Series 2003B bonds, to refund \$11,540,000 in series 2005 bonds, to terminate \$6,242,000 interest rate swap related to Series 2003B, and to use approximately \$61,340,000 (net of bond premium and issuance costs) to finance master campus construction projects and investment in new technology.

The bonds issued pursuant to NRS Chapter 268, are not obligations of the City, nor shall they ever constitute a debt of the City and therefore have been excluded from the City's financial statements. The principal balance outstanding at June 30, 2020, was \$139,950,000.

On November 18, 2020, Carson Tahoe Regional Healthcare issued a taxable term loan agreement to borrow \$40,565,000 for the purpose of defeasing/refunding \$37,615,000 of the outstanding conduit Hospital Revenue Refunding Bonds (Carson Tahoe Regional HealthCare Project) Series 2012.

On June 16, 2020, the City issued \$7,455,000 (Tax Exempt) and \$907,000 (Taxable) in Lease Revenue Refunding Bonds for the Tahoe Regional Planning Agency (TRPA), a neighboring local government. The proceeds were used to finance the cost of the acquisition, construction and equipping an office building for the benefit of the TRPA through the prepayment of certain obligations previously issued by the State of Nevada Department of Business and Industry for the benefit of the TRPA. The bonds issued pursuant to NRS Chapter 268, are not obligations of the City, nor shall they ever constitute a debt of the City and therefore have been excluded from the City's financial statements. The principal balance outstanding at June 30, 2020, was \$8,362,000

GASB Statement No. 88, Disclosure Related to Debt, Including Direct Borrowings and Direct Placements. The City's outstanding notes from direct borrowings related to governmental activities of \$3,967,738 are secured with various pledged assets included real property, fixtures, and equipment and are subject to acceleration of payments due in the current fiscal year upon the occurrence of an event of default. The City's outstanding bonds and notes from direct borrowings related to governmental activities of \$2,664,400 contain interest rate related consequences upon the event of an occurrence of default.

The City's outstanding bonds from direct borrowings related to business-type activities of \$65,107,974 contain subjective acceleration clauses whereby the violation of any material provision of the loan contracts will cause termination of the loans and the loan balances to be immediately due and payable.

None of the City's direct borrowings contain unused lines of credit or terms related to significant termination events with finance-related consequences. None of the City's direct placements contain unused lines of credit, pledged assets, or terms related to significant (1) events of default with finance-related consequences, (2) termination events with finance-related consequences, or (3) subjective acceleration clauses.

E. RESTRICTED ASSETS

The balances of the City's restricted asset accounts in the governmental funds are as follows:

	<u>General</u>	<u>Commissary</u>	<u>Total</u>
Funds held in trust or escrow	\$1,469,126	\$ 34,290	\$1,503,416

F. FUND BALANCES/NET POSITION

Government-wide Financial Statements. The government-wide Statement of Net Position utilizes a proprietary presentation. Net position is categorized as net investment in capital assets, restricted and unrestricted.

Restricted resources have externally imposed (statutory, bond covenant, contract or grant) limitations on their use. Restricted resources are classified either by function, debt service, capital projects, or claims. Resources restricted by function relate to net resources of governmental and enterprise funds whose use is legally limited by outside parties for a specific purpose. Restrictions for debt service represent resources legally restricted by State Statute or bond covenants for future debt service requirements of both principal and interest. Amounts restricted for capital projects consist of unspent grants, donations, and debt proceeds with third party restrictions for use on specific projects or programs. Net position restricted for claims represents the amount legally required to be held for payment of future claims in the workers compensation fund and insurance fund. The government-wide Statement of Net Position reports \$18,498,000 of restricted net resources, all of which is externally imposed. Government-Wide Net Position is reduced due primarily to debt obligations of the various functions when fund financial statements are converted to full accrual.

Unrestricted net position represents available financial resources of the City.

Fund Financial Statements. Governmental fund balances are classified as nonspendable, restricted, committed, assigned and/or unassigned based primarily on the extent to which the City is bound to observe constraints imposed on the use of the resources of the funds.

Fund Balances	General Fund	Other Governmental Funds	Total Governmental Funds

NOTE 4 - OTHER INFORMATION

A. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. General liability insurance has a \$1,000,000 maximum coverage per occurrence, \$1,000,000 personal injury, and a \$2,000,000 general aggregate maximum benefit, with a self-insured retention of \$100,000 per occurrence. For property insurance, the policy limit is \$210,000,000 with a deductible of \$25,000 per occurrence. The earth movement policy limit is \$50,000,000 with a deductible of 2% per unit of insurance or \$100,000 minimum per location. The flood property policy limit is \$50,000,000 with a deductible of \$100,000 per location. The flood property – high hazard zone policy limit is \$5,000,000 with a \$250,000 per occurrence deductible. Other coverage currently held by the City, including airport liability, auto physical damage, boiler and machinery and bonds on public officials, are insured with deductibles varying from \$10,000 to \$50,000.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

As of July 1, 2010, the City formed its own self-insured workers compensation program. This program exposes the City to various risks of loss related to large claims based on the health of their work force; therefore, an excess loss policy provides coverage. Statutory limits for worker's compensation coverage are \$1,000,000 for employer's liability limits with self-insured retentions of \$2,000,000 for police and fire employees and \$750,000 for all other employees, per accident. The City's total net position of the Worker's Compensation Fund was \$1,152,717 at June 30, 2020.

The City is a defendant in various litigations arising in the normal course of its activities. A provision for loss, net of estimated insurance recoveries, is provided when it is probable that a loss has occurred, and the amount of loss can be reasonably estimated. When a loss is only estimable within a reasonable range, the lower end of the range is recorded and typically established in consultation with the District Attorney and the City's insurance provider. Estimates are based on anticipated costs of alternative courses of action, up to and including the possibility of a matter going to trial. Liabilities include an amount for claims that have been incurred but not reported (IBNRs). Claims liabilities are calculated considering the effects of inflation, recent claim settlement trends, including frequency and amount of payouts, and other economic and social factors.

The liabilities for claims and judgments are reported in the Workers' Compensation and Insurance Funds. Changes in the balances of claims liabilities during the past two years are as follows:

	Current Portion	Long-Term Portion	Totals	
			2020	2019
Unpaid claims, beginning of fiscal year	\$ 704,839	\$ 2,214,296	\$2,919,135	\$1,897,555
Claims and changes in estimates	1,415,575	(1,258,437)	157,138	1,607,781
Claim payments	<u>(1,328,646)</u>	<u>-</u>	<u>(1,328,646)</u>	<u>(586,201)</u>
Unpaid claims, end of fiscal year	<u>\$ 791,768</u>	<u>\$ 955,859</u>	<u>\$1,747,627</u>	<u>\$2,919,135</u>

Settlements have not exceeded coverages in any of the past three fiscal years.

On March 12, 2020, the Governor of Nevada declared a state of emergency in response to the global pandemic caused by the coronavirus (COVID-19) infectious disease outbreak. Subsequently on March 19, 2020, the Carson City Board of Supervisors approved a resolution to declare a state of emergency in Carson City. The Governor required closure of non-essential business as of March 12, 2020 and did not begin to open again until May 18, 2020, albeit with limited capacity and social distancing requirements. Due to this unprecedented event, congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which established the Coronavirus Relief Fund. The City was notified on June 11, 2020 that \$10,211,415 in CARES funding would be allocated from the State of Nevada to the City for allowable Coronavirus expenses. The City received the first half of the allocation on July 28, 2020, and the second half on September 28, 2020, subsequent to the fiscal year end. Expenses related to the pandemic can be claimed from March 1, 2020 through December 30, 2020, but any unspent funds at December 30, 2020 would need to be returned. Business license revenue is down 7.3% from FY 2019 due to the non-essential business shut down and slow reopening. Several small businesses had to close their doors or lay off employees. Sales taxes continue to come in over-budget, the City ended FY 2020 9.3% over FY 2019. Property taxes were 5.5% above FY 2019. Small businesses and commercial real estate may suffer in FY 2021 given the economic climate and how companies have adapted to working from home; therefore, the City reduced the FY 2021 budget to account for these concerns. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the City's financial condition, liquidity and future results of operations. The City's management continues to assess the effects of the pandemic on the City's ongoing operations, workforce, suppliers, customers, constituents, and overall financial condition.

B. LANDFILL CLOSURE AND POSTCLOSURE COSTS

The City operates a Municipal Solid Waste Landfill. The operation of this landfill is regulated by both federal and state governments under Subtitle D (40 CFR Part 258) and NRS 444.556. Recognition of liability for closure and post closure care costs is based on landfill capacity used to date. This liability at June 30, 2020, \$4,331,957 is reported in governmental activities. It is estimated that the landfill will be used for an additional thirty-one years and that at June 30, 2020, approximately 45.03% of its capacity had been utilized. The City passes the EPA "financial assurance test" for local governments, and will self-assure payment for its obligations for closure, post closure, and corrective care costs. The estimated total current cost of closure and post closure care, \$9,620,157 has been calculated in 2020 dollars in accordance with current federal and state regulations and will be adjusted each year for changes resulting from inflation, deflation or technology.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

C. CONTINGENT LIABILITIES

The City is a defendant in various lawsuits. Although the outcome of these lawsuits is not determinable, it is the opinion of the District Attorney, the City's counsel, that resolution of these matters will not have a material adverse effect on the financial condition of the City.

D. OTHER POSTEMPLOYMENT BENEFITS (OPEB)

Plan Descriptions. The City contributes to a single-employer defined benefit healthcare and life insurance plan, the City's Retiree Subsidy Plan (City's Plan), and a closed agent multiple-employer defined healthcare plan. The Trust was established by the Carson City Board of Supervisors on June 4, 2015 and is governed by a three-member Board of Trustees appointed by the Board of Supervisors in which at least one person who has combination of education and experience of at least five (5) years in finance or economics; a public office or employee of the City who manages the fiscal affairs of the City; and a current beneficiary of the Trust. The City also has some employees hired prior to December 1, 2008 who are eligible to participate in the State of Nevada Public Employees' Benefits Program (PEBP), which is now a closed agent multiple plan administered by a ten member governing board appointed by the Governor. Both plans provide medical, dental, vision, accidental death and dismemberment, and life insurance benefits to eligible retired City employees and beneficiaries.

Benefit Provisions. for the City's Plan are established pursuant to NRS 287.023 and amended through Board resolution and contracts between the City and the various bargaining units. The City explicitly subsidizes the healthcare premiums pursuant to the City's Plan and contracts negotiated with various bargaining units. The City currently contributes toward the cost of coverage as follows:

- Firefighters who retire under Nevada PERS after July 1, 2002, sheriff's department employees who retire under Nevada PERS after June 30, 2010, and Carson City Employee Association (CCEA – Classified Employees) who retire under Nevada PERS after July 1, 2013, at age 47 or older and with 20 or more years of service receive a percentage of the medical, dental, vision and life insurance premiums for themselves and their dependents. The City pays 90% of the retiree group health premium until age 65, then 50% of the retiree's Medicare supplement medical premium. The City pays 50% of dependent coverage until age 65, then 25% of the dependent's Medicare supplement medical premium.
- Unclassified Employees who retire under Nevada PERS after July 1, 2013, at age 47 or older and with 15 or more years of service receive a percentage of their medical, dental, vision and life insurance premiums for themselves and their dependents. If an employee has more than 15 years of service, the City pays 75% of the retiree group health premiums and 25% of their dependent's premium. Employees with over 20 years of service the City pays 90% of the retiree group health premiums and 50% of their dependent's premium. Once the retiree reaches age 65, the City pays 50% of the retiree's and 25% of their dependent's supplement medical premium.
- Employees that retired from the City prior to the above contract changes who had at least 10 years of service (including firefighters and sheriff's department retirees not yet eligible or not qualifying for the benefits above) received a subsidy of \$6 per month for each year of service toward the cost of their coverage. Retirees were allowed to elect to continue coverage for their spouse and other eligible dependents, however, had to do so at their expense.

Under state law, retiree loss experience is pooled with active loss experience for the purposes of setting rates in the City's Plan. The difference between the true claims cost and the blended premium is an implicit rate subsidy that creates an OPEB liability for the City.

The City serves as a secondary carrier for retirees eligible for Medicare. Expenditures for post-employment healthcare and life insurance are recognized each month when premiums are paid.

Benefits provided for PEBP participants are established pursuant to NRS 287.023 and are subject to amendment by the State of Nevada each biennium. Pursuant to NRS 287.023 (as amended during the 2007 session of the Nevada Legislature), through November 29, 2008, retirees had the option to participate in the City's Plan for post-employment healthcare and life insurance benefits or to join PEBP offered by the State of Nevada. However, subsequent to November 29, 2008, retirees no longer have the option of joining PEBP, yet still retain the option to participate in the City's Plan. Local governments are required to pay the same portion of cost of coverage for those persons joining PEBP that the State of Nevada pays for those persons retired from state service who have continued to participate in the plan.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Employees covered by benefit terms: At June 30, 2020, the following employees were covered by the benefit terms:

	PEBP	Carson City OPEB
Inactive employees or beneficiaries currently receiving benefit payments	189	163
Inactive employees entitled to but not yet receiving benefit payments	-	-
Active employees	-	595
	189	758

Contributions. As of July 1, 2015, the Board of Supervisors established the Carson City Other Post-Employment Benefits Trust Fund. The City intends to fund the Trust annually at a rate of approximately 1% of covered payroll, over normal costs. The net OPEB liability attributable to governmental activities is liquidated primarily by the General Fund. For Carson City OPEB Plan participants the amount of the subsidy has been described in the Benefit Provisions section of this note. Subsidy payments are transferred to the Carson City OPEB Trust monthly, and the Trust receives PERS deductions for the Employee paid portion of their premiums monthly as well. During the annual budget process, it is determined what amount will be contributed to the Trust as an extra employer contribution. At June 30, 2020, the City Contributed \$1,130,419 to the Carson City OPEB Trust.

The City is required to provide a subsidy for their retirees that have elected to join PEBP. The PEBP subsidy is paid on the pay-as-you-go basis. Contribution requirements for plan members and the participating employers are assessed by the PEBP Board annually. The contributions required for PEBP subsidies depend on the date of retirement of prior years of PERS service for employees earned while working for the City. These subsidies are then allocated and billed to all applicable former employers of the retiree. The City's portion of the monthly subsidies ranged from \$0.80 to \$1,094.58 during the 2020 fiscal year. At June 30, 2020, the City Contributed \$417,248 to PEBP.

Net OPEB Liability. The City's net OPEB liability was measured as of June 30, 2020, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of June 30, 2019. Underlying employee data was also as of June 30, 2019 and assumptions were rolled forward to determine the OPEB liability as of June 30, 2020.

Actuarial Methods and Assumptions. The total OPEB liability in the June 30, 2019, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

	City Plan	PEBP Plan
Actuarial valuation date	6/30/19	6/30/19
Actuarial cost method	Entry age normal cost	Entry age normal cost
Amortization method	Level percentage of pay	Level percentage of pay
Asset valuation method	Market Value	N / A
<u>Actuarial assumptions:</u>		
Inflation rate	2.75%	2.75%
Projected salary increases	4.0%	N/A
Investment rate of return	7.5%	N/A
Healthcare inflation rate	Medical – 6.0% *	Medical – 6.0% *
* Pre-Medicare – decreasing 0.25% each year until ultimate trend rate of 5% is reached. Post-Medicare 4.5%		

Mortality rates were based on the RP-2014 Combined Healthy Table (set-back 1 year for females). These rates were then adjusted to anticipate future mortality improvement by applying MacLeod Watts Scale 2018 on a generational basis from 2015 forward.

The actuarial assumptions used in the June 30, 2020, valuation were based on the most recently published report of the Nevada Public Employees Retirement System, dated June 30, 2015.

The long-term expected rate of return on the Carson City OPEB Trust Fund investment was determined using the expected yield of 7.5% published by Nevada's Retirement Benefits Investment Fund (RBIF) in their audited financial statement as of June 30, 2019. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Domestic Equity – S&P 500	42%	5.50%
International Equity – MSCI EAFE Index	18%	5.50%
US Bond Index	28%	0.75%
Private Markets	12%	6.65%
	100%	

Discount Rate. The discount rate used to measure the total PEBP Liability, which is on a pay-as-you-go basis is 2.45% and 3.51% for Fiscal Year Ended, June 30, 2020 and June 30, 2019, respectively. The rate is based on the Fidelity 20-year AA Municipal Bond Index.

For the City Plan the discount rate was based on a crossover test is 2.47% and 3.53% for Fiscal Year ended June 30, 2020 and June 30, 2019, respectively. The projection of cash flows used to determine the discount rate assumed that City Contributions would only equal approximately 1% of total salaries annually and does not meet the total actuarially determined contribution rate. Based on this assumption, the OPEB plan's fiduciary net position is not projected to meet all projected OPEB payments for current and inactive employees at this time. Therefore, the crossover test was applied to all periods of projected benefit payments to determine the total OPEB Liability. The crossover test blended the expected Trust rate of return as well as the Fidelity 20-year AA Municipal Bond index.

Changes in the Net OPEB Liability.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Sensitivity Tests. Sensitivity of the net OPEB liability to changes in the discount rate and healthcare cost trend rates are included in the table below. The table presents the net OPEB liability of the City as well as what the City's net OPEB liability would be if it were calculated using a discount rate that is 1 percentage-point lower or 1 percentage-point higher than the current discount rate:

PEBP City Plan	1% Decrease 1.45% 2.53%	Discount Rate 2.45% 3.53%	1% Increase 3.45% 4.53%
Net PEBP Liability	\$ 8,531,804	\$ 7,551,910	\$ 6,737,937
Net OPEB Liability	104,417,052	84,769,054	69,801,929

Sensitivity of net OPEB liability to changes in the healthcare cost trend rates. The following presents the net OPEB liability of the City, as well as what the City's net OPEB Liability would be if it were calculated using healthcare cost trend rates that are 1 percentage-point lower (5.5% decreasing to 4%) or 1 percentage point higher (7.5% decreasing to 6%) that the current healthcare cost trend rates:

	1% Decrease (5.0% decreasing to 4%)	Health Care Trend Rates (6.0% decreasing to 5%)	1% Increase (7.0% decreasing to 6%)
Net PEBP Liability	\$ 6,809,868	\$ 7,551,910	\$ 8,425,056
Net OPEB Liability	68,463,051	84,769,054	110,636,156

PEBP Plan Fiduciary Net Position. Detailed information about the plan's fiduciary net position is available in separately issued financial reports as follows:

PEBP: The Nevada PEBP Master Plan Document and audited Financial Statements can be obtained by writing to the Nevada Public Employees' Medical Program, 901 South Stewart Street, Suite 101, Carson City, NV 89701.

OPEB Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB. For the year ended June 30, 2020, the City recognized OPEB expense of \$1,092,294 for PEBP and \$6,677,714 for the City Plan. At June 30, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	PEBP		City Plan	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in assumptions or other inputs	\$ -	\$ -	\$ 12,730,085	\$ 688,583
Plan experience	-	-	44,628	5,741,422
Investment experience	-	-	22,454	-
Total	\$ -	\$ -	\$ 12,797,167	\$ 6,430,005

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ending June 30:	<u>City Plan</u>
2021	\$ 746,730
2022	746,731
2023	745,361
2024	745,745
2025	820,138
Thereafter	<u>2,562,457</u>
	<u>\$ 6,367,162</u>

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of the events in the future. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. The required schedule of funding progress presented as required supplementary information provides multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

E. DEFINED BENEFIT PENSION PLAN

Plan Description. Carson City contributes to the Public Employees' Retirement System of the State of Nevada (PERS) and Judicial Retirement System of the State of Nevada (JRS). PERS is a cost-sharing, multiple-employer, defined benefit public employees' retirement systems, PERS includes both Regular and Police/Fire members. JRS is an agent multiple-employer defined benefit pension plan and includes only Justices of the peace and municipal judges, Carson City only has one judge participating in this plan. PERS was established by the Nevada Legislature in 1947, effective July 1, 1948. PERS is administered to provide a reasonable base income to qualified employees who have been employed by a public employer and whose earnings capacities have been removed or substantially impaired by age or disability. JRS was established in 2001 by the Nevada Legislature (NRS 1A.160) and is governed by the Public Employees' Retirement Board.

Benefits Provided. Benefits, as required by the Nevada Revised Statutes (NRS or statute), are determined by the number of years of accredited service at time of retirement and the member's highest average compensation in any 36 consecutive months with special provisions for members entering PERS on or after January 1, 2010. Benefit payments to which participants or their beneficiaries may be entitled under the plan include pension benefits, disability benefits, and survivor benefits.

Monthly benefit allowances for members are computed as 2.5% of average compensation for each accredited year of service prior to July 1, 2001. For service earned on and after July 1, 2001, this multiplier is 2.67% of average compensation. For members entering PERS and JRS on or after January 1, 2010, there is a 2.5% multiplier. PERS offers several alternatives to the unmodified service retirement allowance which, in general, allow the retired employee to accept a reduced service retirement allowance payable monthly during his or her lifetime and various optional monthly payments to a named beneficiary after his or her death.

Post-retirement increases are provided by authority of NRS 286.575 - .579.

Vesting. Regular members are eligible for retirement at age 65 with five years of service, at age 60 with 10 years of service, or at any age with thirty years of service. Regular members entering PERS on or after January 1, 2010, are eligible for retirement at age 65 with five years of service, at age 62 with 10 years of service, or any age with thirty years of service. Police/Fire members are eligible for retirement at age 65 with five years of service, at age 55 with ten years of service, at age 50 with twenty years of service, or at any age with twenty-five years of service. Police/Fire members entering PERS on or after January 1, 2010, are eligible for retirement at 65 with five years of service, at age 60 with ten years of service, at age 50 with twenty years of service, or at any age with thirty years of service. Only service performed in a position as a police officer or firefighter may be counted towards eligibility for retirement as Police/Fire accredited service.

The normal ceiling limitation on monthly benefits allowances is 75% of average compensation for PERS and JRS. However, a PERS member who has an effective date of membership before July 1, 1985, is entitled to a benefit of up to 90% of average compensation. Both Regular and Police/Fire members become fully vested as to benefits upon completion of five years of service.

Contributions. The authority for establishing and amending the obligation to make contributions and member contribution rates, is set by statute. New hires, in agencies which did not elect the Employer-Pay Contribution (EPC) plan prior to July 1, 1983, have the option of selecting one of two contribution plans. Contributions are shared equally by employer and employee. Employees can take a reduced salary and have contributions made by the employer (EPC) or can make contributions by a payroll deduction matched by the employer.

PERS' and JRS' basic funding policies provide for periodic contributions at a level pattern of cost as a percentage of salary throughout an employee's working lifetime in order to accumulate sufficient assets to pay benefits when due.

PERS and JRS receives an actuarial valuation on an annual basis indicating the contribution rates required on an actuarial reserve basis. Contributions made are in accordance with the required rates established by the Nevada Legislature. These statutory rates are increased/decreased pursuant to NRS 286.421, NRS 286.450 and NRS 1A.180(1).

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

The actuary funding method used is the Entry Age Normal Cost Method. It is intended to meet the funding objective and result in a relatively level long-term contribution requirement as a percentage of salary.

For the fiscal year ended June 30, 2019 the Statutory Employer/employee matching rate was 14.50% for Regular and 20.75% for Police/Fire. The Employer-pay contributions (EPC) rate was 28% for Regular and 40.5% for Police/Fire. For the fiscal year ended June 30, 2020 the Statutory Employer/employee matching rate was raised to 15.25% for Regular and 22.00% for Police/Fire. The Employer-pay contributions (EPC) rate was 29.25% for Regular and 42.5% for Police/Fire. For the fiscal years ended June 30, 2019, the Statutory Employer-pay contributions (EPC) rate was 15.95% for justices of the peace and other municipal judges, and for June 30, 2020 the EPC rate increased to 16.00%.

The City's contributions were to PERS was \$6,543,876 and \$7,037,319 for the years ended June 30, 2019 and 2020, respectively, and contributions to JRS were \$23,437 and \$26,876 for the years ended June 30, 2019 and 2020, respectively

PERS Investment Policy. PERS' policies which determine the investment portfolio target asset allocation are established by the PERS Board, who represent both PERS and JRS. The asset allocation is reviewed annually and is designed to meet the future risk and return needs of the System.

The following was the PERS Board adopted policy target asset allocation as of June 30, 2019:

Asset Class	PERS Target Allocation	PERS Long-Term Geometric Expected Real Rate of Return	JRS Target Allocation	JRS Long-Term Geometric Expected Real Rate of Return
Domestic Equity	42%	5.50%	49%	6.60%
International Equity	18%	5.50%	21%	7.37%
Domestic Fixed Income	28%	0.75%	30%	0.36%
Private Markets	12%	6.65%	0%	0.00%

As of June 30, 2019, PERS' and JRS' long-term inflation assumption was 2.75%.

Net Pension Liability. At June 30, 2020, the City reported a liability for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's allocation percentage of the net pension liability was based on the City's total contributions due on wages paid during the measurement period. The City's proportion of the net pension liability is based on employer contributions relative to the total employer contributions for all employers participating in PERS and JRS for the period ended June 30, 2019. At June 30, 2019, the City's proportion of PERS was 0.68789%, including Carson City Culture and Tourism Authority (A Component Unit of Carson City) and the Carson City Water Sub-Conservancy District (A Custodial Fund of Carson City). Once these external entities were removed, Carson City's proportion is 0.67794%, which is a decrease of .00228 from its proportion measured as of June 30, 2018. JRS net pension liability increased \$2,435, to \$56,288 as of June 30, 2019 from \$53,853 as of June 30, 2018.

Pension Liability Discount Rate Sensitivity. The following presents the net pension liability of the City as of June 30, 2019, calculated using the discount rate of 7.50%, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.50%) or 1-percentage-point higher (8.50%) than the current discount rate:

	1% Decrease in Discount Rate (6.50%)	Discount Rate (7.50%)	1% Increase in Discount Rate (8.50%)
PERS Net Pension Liability	\$142,860,391	\$92,264,449	\$50,206,444
JRS Net Pension Liability	129,782	56,288	(6,090)

Pension Plan Fiduciary Net Position. Detailed information about the pension plan's fiduciary net position is available in the PERS and JRS Comprehensive Annual Financial Report, available on the PERS website or may be obtained from the Public Employees' Retirement System, 693 West Nye Lane, Carson City, Nevada 89703.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Actuarial Assumptions. The City’s net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation Rate	2.75%
Investment Rate of Return	7.50%
Productivity Pay Increase	0.5%
Projected Salary Increases	Regular: 4.25% to 9.15%, depending on service
	Police/Fire: 4.55% to 13.9%, depending on service
	Justices: 3.0% to 8.0% depending on service
	Rates include inflation and productivity increases
Other Assumptions	Same as those used in the June 30, 2019 funding actuarial valuation

Mortality rates for non-disabled male regular members were based on the Headcount-Weighted RP-2014 Employee and Healthy Annuitant Tables projected to 2020 with Scale MP-2016 (Set forward one year for spouses and beneficiaries). Mortality rates for retirees less than age 50 are based on the Headcount-Weighted RP-2014 Employee Mortality Tables. The mortality table used in the actuarial valuation to project mortality rates for all disabled members is the Headcount-Weighted RP-2014 Disabled Retiree Mortality Table, set forward six years.

Actuarial assumptions used in the June 30, 2019, valuation were based on the results of the experience review completed through 2016.

The discount rate used to measure the total pension liability was 7.50% as of June 30, 2019 and 2018. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, the pension plan’s fiduciary net position at June 30, 2019, was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability as of June 30, 2019.

Pension Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions. For the year ended June 30, 2020, the City recognized pension expense of \$8,912,835 for PERS and \$589 for JRS. At June 30, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	PERS		JRS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 3,466,423	\$ 2,652,661	\$ -	\$ 14,568
Changes in assumptions or other inputs	3,761,957	-	115	-
Net difference between projected and actual earnings on pension plan investments	-	4,598,596	-	5,983
Changes in the employer’s proportion and differences between the employer’s contributions and the employer’s proportionate contributions	-	2,829,734	13,205	-
City contributions subsequent to the measurement date	7,037,319	-	26,876	-
Total	\$ 14,265,699	\$ 10,080,991	\$ 40,196	\$ 20,551

\$7,064,195 has been reported as deferred outflows of resources related to pensions resulting from Employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the fiscal year ending June 30, 2021.

The average of the expected remaining service lives of all employees that are provided with pensions through PERS (active and inactive employees) determined at July 1, 2015 (the beginning of the measurement period ended June 30, 2019) is 6.18 years and JRS is 5 years.

CARSON CITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

Other estimated amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ending June 30:	<u>PERS</u>	<u>JRS</u>
2021	\$ (414,614)	\$ 972
2022	(2,476,470)	(4,825)

	<u>\$ (2,866,286)</u>	<u>\$ (7,231)</u>

Additional Information. Additional information is available on the PERS website at www.nvpers.org under Quick Links – Publications.

F. TAX ABATEMENTS

The City has entered into a revenue sharing agreement in accordance with the provisions of Nevada Revised Statutes (NRS) Chapter 279, the Redevelopment of Communities, in order to stimulate economic growth. The City currently has five agreements in place. Abatements are calculated on the Basic City-County Relief Tax and the Supplemental City-County Relief Tax (“sales taxes”) collected in Carson City for each business. The Southgate Big 5 agreement is for the expansion of an existing business, which provides that the business will not receive abatements on a certain base amount of sales tax, but the City will reimburse 50% of sales taxes paid as abatements, for a 15 year period, on any sales taxes paid beyond that base amount. Southgate Big Lots, Carson Home Furnishings and Sportsman’s Warehouse were new businesses that moved into Carson City, for which the City agreed to reimburse 50% of sales taxes paid as abatements on all sales for a 15-year period. Abatements are paid at the request of the business and upon the receipt of their Sales Tax forms.

The City entered into a revenue sharing agreement with Carson City Toyota in accordance with the provisions of NRS 279, the Redevelopment Communities, for a commitment to continue business operations in the South Carson Street Redevelopment Project Area No. 2 until May 1, 2029. For this commitment, the City agrees to reimburse 10% of sales taxes paid which are generated within Carson City through May 14, 2029.

The City entered into a revenue sharing agreement with Carson City Nissan in accordance with the provisions of NRS 279, the Redevelopment Communities, for a commitment to continue business operations in South Carson Street Redevelopment Project Area No. 2 until December 31, 2037 and hire at least 30 full time employees. For this commitment, the City agrees to reimburse 30% of sales taxes paid which are generated within Carson City, until the earlier of December 31, 2032 or the aggregate rebate has reached \$3 million.

<u>Name</u>	<u>Base Amount</u>	<u>Percentage of Abatement</u>	<u>Calendar 2019 Abatement Paid</u>	<u>Expiration Date</u>
Carson City Toyota	-	10%	\$ 206,283	5/14/2029
Nissan – Chris Russell	-	30%	15,038	12/31/2032
Southgate – Big 5	\$ 20,831	50%	3,006	10/21/2025
Southgate – Big Lots	-	50%	30,519	10/21/2025
Carson Home Furnishings	-	50%	20,749	12/31/2029
Sportsman’s Warehouse	-	50%	<u>98,526</u>	12/31/2029
			<u>\$ 374,121</u>	

As of December 12, 2018, Redwood Materials Inc. was granted a partial personal property tax abatement (50%) based on the provisions of NAC 701A.280, for a duration of 10 years, for FY 20 the amount abated for personal property taxes was \$5,503. In addition, Redwood Materials, Inc. was granted a 50% abatement of modified business tax for a period of four years and a reduction of sales and use taxes to 2% for two years, for FY 20 State Reported abatements of \$4,657 for modified business taxes and \$105,130 in sales and use taxes.

Baker Electric Inc. was granted a reduction of sales and use taxes to 2% for two years, for FY 20 State reported an abatement of \$80,433 in sales and use taxes.

** PEBP is funded through pay-as-you-go basis, therefore the actuary did not determine any prefunding for this plan. The plan is closed, and is paying out it's final retirees, therefore, there is no covered payroll.

Valuation Date: 6/30/19

Actuarially determined contribution rates are calculated as of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age normal cost
Amortization method	Level percentage of payroll, closed
Amortization period	30 years (N/A for PEBP)
Asset valuation method	Market value of assets (N/A for PEBP)
Inflation	2.75 percent
Healthcare cost trend rates	6.0 percent initial, decreasing .25 percent per year to an ultimate rate of 5.0
Salary increases	4.0 percent, average, including 3.0 percent wage inflation (N/A for PEBP)
Investment rate of return	7.5% 6/30/18 and 6/30/19 (N/A for PEBP)
Retirement age	In 2019 actuarial valuation, expected retirement ages of general employees were based on the most recently published report of the Nevada Public Employees Retirement System, dated June 30, 2015.
Mortality	Mortality rates were based on Nevada PERS 2017 valuation, based on the RP-2014 Healthy Annuitant Table (set-forward 1 year). These rates were then adjusted to anticipate future mortality improvement by applying MacLeod Watts Scale 2017 on a generational basis from 2015 forward.
Discount Rate	2.47% and 3.53% for FY 2020 and 2019, respectively

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

Nonmajor Funds

Senior Citizens Center Fund - This Fund is used to account for the 1984 voter-approved tax override of five cents to provide for the construction, furnishing, equipment, operation, and ongoing maintenance of Senior Citizens facilities in Carson City.

Cooperative Extension Fund - This Fund was established in accordance with Nevada Revised Statute 549.020 and is used to account for the City's share of the Cooperative Extension work which is funded by a one cent to five cent tax rate subject to Board of Supervisor approval.

Traffic Transportation Fund - This Fund was established in accordance with the Carson City Charter Section 2.240 and is used to account for monies received for parking fees and fines and may be expended only for the establishment, repair, and control of parking meters, facilities for parking, and any other appurtenances necessary for traffic control.

Supplemental Indigent Fund - This Fund is used to account for additional indigent expenditures other than General Fund requirements and for the collection and payment to the State of Nevada for the auto accident indigent ad valorem tax levy.

Library Gift Fund - This Fund was established in accordance with Nevada Revised Statute 379.106 and is used to account for all gifts to the Ormsby Public Library.

Business Development Fund – This Fund was established to account for the annual \$200,000 donation from the Hop and Mae Foundation and other program revenues received for the purpose of a program for economic development in Carson City.

Landscape Maintenance Fund - This Fund was established to account for the special assessments paid by the residents of the Schulz Ranch Development to provide for the City maintenance of landscape improvements contained within the borders of the Landscape Maintenance District.

Administrative Assessments Fund - This Fund was established by NRS 176.059 and is used to account for the City's share of assessments on misdemeanor convictions.

911 Surcharge Fund - This Fund was established in accordance with Nevada Revised Statute 244A.7643 and is used to account for the 911 surcharge monies that may be expended only for the enhancement or improvement of the telephone system for reporting an emergency in Carson City County.

Capital Projects Fund - This Fund is used to account for the additional ad valorem tax imposed in accordance with Nevada Revised Statute 354.598155 for the purpose of renovating or replacing major assets.

SPECIAL REVENUE FUNDS Continued

Street Maintenance Fund - This Fund is used to account for the one-quarter percent (0.25%) retail sales and use tax for the sole purpose of maintaining and repairing public roads within Carson City; the one cent per gallon motor vehicle fuel tax approved by the voters in 1986 for the purpose of repairing or restoring existing paved roads, streets, and alleys; and the 3.60 and 1.75 cents per gallon motor vehicle fuel taxes collected in accordance with Nevada Revised Statutes 365.180 and 365.190.

Redevelopment Administration Fund - This Fund is used to account for the operations of the Redevelopment Agency, which has been combined with Carson City for financial statement purposes.

Carson City Transit Fund - This Fund is used to account for transit grants, fares, donations, and additional City funding to be used for the sole purpose of providing public transportation services within Carson City.

Commissary Fund - This Fund is used to operate a commissary to allow the Sheriff to sell to the prisoners food, beverages, toiletries, and similar items as the Sheriff may approve. The Sheriff must expend the profits from the operation of the commissary only for the welfare and benefit of the prisoners in the jail.

V & T Special Infrastructure Fund – This fund is used to account for the 0.125% sales tax revenue that is pledged for the payment of principal and interest on the bonds known as the V & T Historical Bonds.

Campo Fund - This fund is used to account for revenues received and expenditures incurred related to the administration of Federal Highway Administration and Federal Transit Administration Metropolitan Planning activities.

Airport Fund - This Fund is used to account for Federal Aviation Administration grants awarded to the City.

Regional Transportation Fund - This Fund is used to account for the nine cent per gallon County fuel tax imposed in accordance with Nevada Revised Statute 373.030. The monies are to be used for the purpose of street and highway construction.

Quality of Life Fund - This Fund is used to account for a voter approved one-quarter percent (0.25%) sales tax for the purpose of acquiring open space and the construction and maintenance of park and trail facilities.

Grant Fund - This fund is used to account for state and federal grants.

Arts & Culture Fund – This fund is to account for transient lodging tax dedicated to funding the employment and administration of the Arts and Culture Coordinator, the associated costs in diversifying cultural offerings that allow Carson City to compete in the culture tourism market, and all operational costs associated with the implementation of the Carson City Arts and Culture Master Plan.

CAPITAL PROJECTS FUNDS

Capital Projects Funds are used to account for the acquisition and construction of major capital facilities other than those financed by Proprietary Funds.

Nonmajor Funds

Extraordinary Maintenance Fund - This Fund is used to account for expenditures in accordance with NRS 354.6105 for the extraordinary maintenance, repair, or improvement of capital projects or facilities that replace capital projects of the City.

Residential Construction Fund - This Fund is used to account for the one percent tax on the valuation of each building permit issued or \$1,000 per residential dwelling unit, whichever is less, to be used for the purpose of providing neighborhood parks and park facilities in accordance with Nevada Revised Statute 278.4983.

Infrastructure Fund This Fund accounts for one-eighth of one percent (.125) increase in Sales Taxes pursuant to Nevada Revised Statute 377B. Proceeds from this tax must be spent in accordance with the Plan set forth, which includes payment of principal and interest on notes, bonds or other securities issued to provide money for the cost of the capital projects, facilities, and activities described in the Plan.

Redevelopment Revolving Fund - This Fund is used to account for construction projects of the Redevelopment Agency.

ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises—where the intent of the government's board is that the costs of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the government's board has decided that periodic determination of net income is appropriate for accountability purposes.

Major Funds

Sewer Fund - This Fund is used to account for the revenues and expenses of sewer services provided to the residents of Carson City.

Water Fund - This Fund is used to account for the revenues and expenses of water services provided to the residents of Carson City.

Nonmajor Funds

Ambulance Fund - This Fund is used to account for the operations of the ambulance service provided by the Carson City Fire Department.

Stormwater Drainage Fund – This Fund is used to account for the revenues and expenses of the stormwater management program.

Cemetery Fund - This Fund is used to account for the costs of providing interment services and perpetual care of the City's cemetery.

Building Permits Fund - This Fund is used to account for the revenues and expenses of the Building Permit Program.

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency of a government to other departments or agencies on a cost reimbursement basis. Accounting for Internal Service Funds as a proprietary fund type is designed to accumulate the total cost (including depreciation) of providing a particular service. Costs for services are reimbursed by the departments or agencies to which the services are provided.

Group Medical Insurance Fund - This Fund is used to account for monies collected from City departments and employees to be expended for claims for medical services provided to employees and their dependents.

Workers' Compensation Fund - This Fund is used to account for monies collected for the insurance program from City departments to be expended for payment of claims, as required by law, to employees injured by accident while at work.

Insurance Fund - This Fund is used to account for monies collected from City departments for liability and property insurance.

Fleet Management Fund – This fund is used to account for monies collected from City departments for fleet maintenance operations.

FIDUCIARY FUNDS

Fiduciary Funds are used to account for assets held by the government in a trustee or agency capacity.

Investment Trust Fund - This Fund is used to account for the external investment pool administered by Carson City. The pool has one involuntary participant, the Carson City School District Debt Service Fund. These statements can be found in the City's basic financial statements.

Other Post-Employment Benefits (OPEB) Trust Fund – This Fund accounts for the operations of the Carson City Other Post-Employment Benefits Plan, which is a non-revocable trust administered by the Other Post-Employment Benefits Board of Trustees. The plan includes assets held in trust for City retirees.

Custodial Funds – These funds account for assets held by the City as an agent for various local governments, special districts and individuals. Included are funds for property taxes, sales taxes, shared revenues and other financial resources for schools, special districts, and other state and city agencies. The following information is presented to describe each of the City's Custodial Funds:

Eagle Valley Water District Fund - This Fund is used to account for the collection and payment of ad valorem taxes on behalf of the District.

Sub-Conservancy District Fund - This Fund is used to account for the collection and payment of ad valorem taxes on behalf of the District.

Fish and Game Fund - This Fund is used to account for monies withdrawn from the wildlife account within the State General Fund and transferred to the City for disposition by the City's Advisory Board to manage wildlife.

Controller Trust Fund - This Fund is used to account for unclaimed payroll warrants and accounts payable warrants during the required statutory period, which have been returned to the City until claimed or remitted to the State of Nevada Unclaimed Property Division.

State of Nevada Fund - This Fund is used to account for the collection and payment of the State of Nevada's share of ad valorem taxes, District and Justice Court fees, marriage fees, or fees otherwise mandated by statute, and collected by the City.

FIDUCIARY FUNDS
Continued

Forfeiture Account Fund - This Fund is used to account for currency that is seized by the Sheriff's Office and will remain in the Fund until the court determines if the currency is subject to forfeiture.

Carson City School District Debt Service Fund - This Fund is used to account for ad valorem taxes and interest earned thereon, specifically apportioned and appropriated for the retirement of long-term general obligation principal and interest of the School District.

Carson City School District Operating Fund - This Fund is used to account for the collection of and remittance to the school district of ad valorem taxes.

Downtown Neighborhood Improvement District – This Fund is used to account for the collection of special assessment taxes paid by the Downtown Neighborhood Improvement District for the purpose of paying for maintenance of the Downtown Streetscape Enhancement Project.

Source: Carson City Assessor

Pursuant to NRS 361.227, real property is valued at taxable value, determined by calculating the full cash value (market value) of land and estimated replacement cost of improvements less appropriate depreciation. Taxable assessed value is 35% of estimated actual value. Real property is reappraised at least every five years. Property not reappraised is revalued annually using various approved methods.

(1) Per hundred dollars of assessed valuation.

COMPLIANCE SECTION

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Mayor and Other Members of the Board of Supervisors
Carson City, Nevada

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Carson City, Nevada (the City) as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 9, 2020. Our report includes a reference to other auditors who audited the financial statements of the Carson City Culture and Tourism Authority and Carson City Airport Authority, as described in our report on the City's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
