Background/Issues & Analysis

A "Condition of the Treasury Report" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of February 5, 2021.

It is important to note that there will always be timing differences with these balances - for example, while all departments take deposits to the bank on a daily basis, there is usually a delay between when the reports are prepared and when they are entered into the system.
