

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** February 18, 2021

Staff Contact: Carol Akers, Purchasing and Contracts Administrator and Rich Hardcastle, Fleet Manager

Agenda Title: For Possible Action: Discussion and possible action regarding the purchase of four vehicles for the Carson City Fire Department (“CCFD”), utilizing the State of Nevada’s competitive bid list and a cooperative purchasing agreement through HGACBuy, for a total not to exceed amount of \$391,319.29. (Carol Akers, CAkers@carson.org and Rich Hardcastle, RHardcastle@carson.org)

Staff Summary: CCFD is requesting the replacement of vehicles due to the age or condition of the vehicles. The vehicles requested to be replaced are at the end of their useful lives and it is not cost-effective to continue to maintain these vehicles. These requested purchases were planned for and are funded as part of the approved Fiscal Year (“FY”) 2021 Capital Improvement Vehicle Replacement Program or funded by grants.

Agenda Action: Formal Action / Motion **Time Requested:** 5 minutes

Proposed Motion

I move to approve the purchases as presented.

Board's Strategic Goal

Efficient Government

Previous Action

On December 3, 2020 the Board of Supervisors approved the purchase of 32 vehicles for a total not to exceed amount of \$2,594,450.39.

The revised Capital Improvement Program for FYs 2021-2025 was approved on September 17, 2020.

The partial Capital Improvement Program was approved on May 7, 2020.

Background/Issues & Analysis

Please refer to the attached spreadsheet for all replacement information. These proposed purchases were approved as part of the FY 2021 vehicle replacement program. The vehicles being replaced are at the end of their useful lives and will be sent to auction for sale.

One of the vehicles is an ambulance. On December 30, 2020, the Internal Finance Committee recommended approval to purchase a new ambulance, instead of refurbishing the existing one, using additional funds from CC Fire Fleet CIP Ambulance Enterprise Fund 5012525.

The FD Fuels Program will be using funding received through the NV Division of Forestry Grant approved by the Board of Supervisors on October 15, 2020 for the purchase of a new Ford F550.

All quotes have been verified and all vendors have confirmed they will honor quotes as provided.

Comments:

Rich,

Here is the quote for the Double cab (called Extended cab prior) Robert sent you. It is correct, but was missing some info I usually include for your FYI, including the 1% state admin fee. He included it but not break it out for you so the price is correct with everything.
