

# **Restore Carson City**

## **Carson City's Transition Plan**

Prepared for Board of Supervisors April 15, 2021

### **Monitoring**

Over the next several months and following the transition to local government, the City will continue to monitor the State's County Tracker to ensure the City stays within acceptable ranges. Testing and contact tracing efforts will continue. In addition, the City will monitor hospital capacity. Long term facilities and group homes are performing their own testing; however, Carson City Health and Human Services (CCHHS) will continue to investigate positive cases. Carson City Jail and Juvenile Detention have protocols in place and CCHHS will continue to assist, if needed, and will investigate positive cases. CCHHS will continue to partner with Friends in Service Helping (FISH) to assist any homeless individuals who test positive to find a place to quarantine. CCHHS will continue to work closely with Carson City School District and private schools regarding positive cases and will provide assistance as needed.

The City has procured a surplus of PPE and sanitation supplies both for City Departments and local businesses free of charge. The City will coordinate with the Nevada Division of Emergency Management to obtain additional supplies from their surplus. With receipt of the new American Rescue Plan funding, the City will continue to purchase PPE and sanitation supplies for distribution, if needed.

### **Mitigation Measures**

Following the May 1<sup>st</sup> transition, Carson City will work towards re-opening up to 100 percent provided social distancing requirements can be met. The City has prepared an occupancy and requirements matrix for industries and activities. All businesses and events will be required to follow the Governor's directives which remain in place regarding wearing face masks, social distancing and hygiene considerations. Carson City will limit the size of gatherings and events, as well as youth and adult recreational sports, to 250 maximum people through May 31, 2021 and will continue to follow the State's guidance and planning process for both. Additionally, those industries governed by State Agencies must operate in accordance with the requirements of the appropriate Board. Vaccination efforts will continue to be a community priority. As vaccine allocations increase, the City is working closely with the Quad Counties and various partners to administer to the public as quickly as possible.

Carson City has and will continue to enforce the directives within City operations to ensure the wellbeing of our employees and the public that they serve. Critical/essential employees may continue to work in the office. However, employees that remain at work in City offices will need to be masked up at all times unless they are in their private office alone or have an exemption pursuant to the Governor's Directives. Meetings will continue to be held virtually, if feasible, and will only occur in person if social distancing requirements can be met.

### **Enforcement Measures**

Carson City has established a COVID Education & Compliance Program and hired a COVID Education & Compliance Coordinator. Since December 8, 2020, the COVID Education &

Compliance Coordinator has visited over 700 businesses. As Carson City re-opens, the COVID Education & Compliance Coordinator will continue to inspect businesses which may be out of compliance based on contact tracing information, prior history, and working in consultation with OSHA and the Nevada Department of Business and Industry.

Carson City has also established a COVID Compliance Task Force in order to create a comprehensive and coordinated approach between all compliance mechanisms. The Task Force will continue to meet as needed to discuss efforts to further engage businesses in compliance efforts. The Task Force is comprised of the following individuals:

- Mayor Lori Bagwell
- City Manager Nancy Paulson
- Deputy City Manager Stephanie Hicks
- Health and Human Services Director Nicki Aaker
- CCHHS Epidemiologist Dustin Booth
- Fire Chief/Emergency Manager Sean Slamon
- Deputy Emergency Manager Jason Danen
- Undersheriff Jerome Tushbant
- Community Development Director Lee Plemel
- Carson City Chamber of Commerce Director Ronni Hannaman
- Nevada Builders Alliance CEO Aaron West
- Western Nevada College President Vincent Solis
- Carson City COVID Education & Compliance Coordinator Robert Rikalo

## **Public Information**

Carson City disseminates public information through two different media campaigns. The Carson City Health and Human Services (CCHHS) Public Information Officer (PIO) will continue to create community education materials regarding public health measures, testing and vaccines, monitor social media and ensure messaging aligns with the Governor's directives and the needs of the community. Additionally, through the City Manager's Office, the Digital Media Coordinator, will assist in preparing videos and messaging through elected officials and other City figures regarding public health measures and business compliance as well as disseminate CCHHS messaging through the City's other social media accounts.

## **Resource Needs**

According to the COVID-19 Mitigation Taskforce, the Nevada National Guard, FEMA, and USDA will be available to assist with testing and vaccination events, along with data entry through September 13, 2021. This is a resource that is critical to the City's successful recovery and we appreciate the State's effort to secure these resources.

Carson City is prepared to administer 7,000 vaccinations per week to the Quad-Counties. However, CCHHS is currently only receiving approximately 2,000 to 2,700 vaccine allocations per week. According to Becker's Hospital Review's data on March 18, 2021 (Accessed March 19, 2021 from <https://www.beckershospitalreview.com/public-health/states-ranked-by-percentage-of-covid-19-vaccines-administered.html>), Nevada is ranked 42 for vaccine allocation based on the estimated 2018 population. Therefore, additional vaccine allocations are needed to meet the demand and be able to vaccinate all population groups.

Industry/Activity	Indoor/Outdoor Occupancy	City Industry Requirements*	State Requirements
Public Gatherings & Events	Indoors - 50% occupancy or 250 people max whichever is less & meets social distancing requirements. Outdoors – 250 max & meets social distancing.	Public gathering plans meeting City checklist must be submitted 30 days in advance. All other City approval or permitting applies. Public gatherings & events prior to June 1, 2021 will be limited to 250 individuals.	Statewide mask mandate, social distancing & hygiene considerations remain in effect.
Libraries, Museums, Art Galleries, Aquariums & Zoos	Up to 100% occupancy that meets social distancing requirements.	All interactive and/or hands on exhibits, high touch areas must be frequently cleaned. Restaurants/food courts should adhere to requirements in place for those types of establishments.	Statewide mask mandate, social distancing & hygiene considerations remain in effect.
Retail Stores & Indoor Malls	Up to 100% occupancy that meets social distancing requirements.	Self-service food and drink areas must be cleaned frequently.	Statewide mask mandate, social distancing & hygiene considerations remain in effect.

Nancy Paulson, City Manager  
City Hall/201 N. Carson Street #2  
Carson City, Nevada 89701

April 13, 2021

Dear Mrs. Paulson,

Thank you for the opportunity to be part of developing and reviewing the Restore Carson City Transition plan. The purpose of this letter is to provide my endorsement to the Plan. If you require anything else, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Richard W. Stokes".

Richard Stokes  
Superintendent, Carson City School District

April 6, 2021

Nicki Aaker, Director  
Carson City Health and Human Services  
900 E. Long Street  
Carson City, NV. 89706

In the "Nevada's Roadmap to Recovery Transition Plan" released by Governor Steve Sisolak on March 15, 2021, county governments were directed to develop local mitigation and enforcement planning processes and have these plans endorsed by the Nevada Hospital Association (NHA), among others. While the NHA is not a governmental entity and is not going to usurp the authority of local elected officials, we do, however, appreciate the ability to review your local plans and provide endorsement when warranted.

For a local transition plan to receive the endorsement of our organization, certain elements must be included. These specific elements include:

- An emphasis on vaccinating the public.
- A plan to monitor hospital status for both possible COVID-19 patient saturation and the adequacy of patients' access to care.
- Monitoring local PPE sufficiency.
- Social distancing enforcement efforts.

**After a thorough review of the Carson City plans, the Nevada Hospital Association is providing the required endorsement. We look forward to working with you as the state transitions to normalcy.**

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Lake", is written over a faint, illegible printed name.

Christopher K. Lake, PhD.

Executive Director, Community Resilience

## COVID-19 Vaccination for Carson City, Douglas, Lyon, and Storey Counties

Data are as of 4/8/2021 and are considered preliminary.

Moderna and Pfizer COVID-19 vaccines require two doses to achieve immunity whereas Johnson and Johnson (J&J) require one dose. Doses completed indicates patients have received all required doses in the series to achieve immunity

Data are based on week, records with incorrect vaccination dates prior to December 14, 2020 are excluded from this analysis.

### Quad Counties Total by Week

Week Administered	NSIP Allocated		Federal Allocation (Pharmacy, Tribal, FQHC)	
	Administered 1st Dose	Administered 2nd Dose	Administered 1st Dose	Administered 2nd Dose
Dec 14 - 20	515	0	20	0
Dec 21 - 27	695	0	266	0
Dec 28 - Jan 3	1,493	0	206	0
Jan 4 - 10	2,334	495	978	12
Jan 11 - 17	1,195	2	848	243
Jan 18 - 24	3,728	484	1,393	158
Jan 25 - 31	1,379	1,157	1,736	731
Feb 1 - 7	1,510	2,191	1,513	765
Feb 8 - 14	1,637	2,190	1,315	486
Feb 15 - 21	402	285	1,492	1,232
Feb 22 - 28	2,676	3,284	924	1,375
Mar 1 - 7	3,150	1,517	1,144	773
Mar 8 - 14	2,987	1,560	1,043	1,293
Mar 15 - 21	5,930	374	1,313	1,299
Mar 22 - 28	6,085	2,478	1,317	694
Mar 29 - 04	1,255	2,785	1,995	912

### Administered County

County Administered	NSIP Allocated		Federal Allocation	
	Administered 1st Dose	Administered 2nd Dose	Administered 1st Dose	Administered 2nd Dose
Carson City	37,622	18,167	11,153	6,164
Douglas	2,024	1,171	3,145	1,554
Lyon	448	40	4,549	2,716
Total	40,094	19,378	18,847	10,434

### Total Vaccinations by Patient Resident County

County	Doses Initiated	Doses Completed
Carson City	19,502	12,191
Douglas	16,475	10,770
Lyon	13,946	8,755
Storey	412	285
Total	50,335	32,001
