

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** September 2, 2021

Staff Contact: Jason D. Woodbury, District Attorney

Agenda Title: For Possible Action: Discussion and possible action: (1) regarding a business impact statement concerning a proposed ordinance amending Carson City Municipal Code ("CCMC") 8.04.020, defining and prohibiting indecent conduct in public; and (2) to introduce, on first reading, a proposed ordinance amending CCMC 8.04.020, defining and prohibiting indecent conduct in public. (Jason D. Woodbury, jwoodbury@carson.org)

Staff Summary: This is the first reading of a proposed ordinance which, if enacted, would amend CCMC 8.04.020, defining and prohibiting indecent conduct in public. NRS 237.080 requires a business impact statement to be prepared whenever an ordinance by the adoption of which the governing body of a local government exercises legislative powers. The business impact statement finds that the proposed ordinance will not impose a direct and significant economic burden upon a business or directly restrict the formation, operation or expansion of a business.

Agenda Action: Ordinance - First Reading **Time Requested:** 10 minutes

Proposed Motion

1. I move to approve the business impact statement as presented.
2. I move to introduce, on first reading, Bill No. _____.

Background/Issues & Analysis

The offense of indecent conduct is currently defined and prohibited by CCMC 8.04.020. The proposed ordinance amends CCMC 8.04.020 to more clearly articulate the definition of indecent conduct in a format that complies with the ordinance drafting protocols being utilized by the Carson City District Attorney's office.

As an exercise of legislative powers, the introduction and adoption of an ordinance by the governing body of a local government such as the Board of Supervisors requires the preparation of a business impact statement in accordance with NRS Chapter 237. But because there are no trade associations or businesses that are likely to be affected by the ordinance and therefore there is no person or entity to whom notice could be given regarding the introduction of this ordinance, the contents of the business impact statement are mostly inapplicable. However, a completed business impact statement has been prepared and is attached to this agenda item in compliance with the statutory procedural requirement.
