

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** January 6, 2022

Staff Contact: Carol Akers, Purchasing & Contracts Administrator and Darren Schulz, Public Works Director

Agenda Title: For Possible Action: Discussion and possible action regarding a determination that MKD Construction, Inc. ("MKD") is the lowest responsive and responsible bidder pursuant to Nevada Revised Statutes ("NRS") Chapter 338 and whether to award Contract No. 21300232 to MKD for the Highway 50 East Water Main Replacement Project ("Project") for a total amount not to exceed \$328,878. (Carol Akers, CAkers@carson.org and Randall Rice, RRice@carson.org)

Staff Summary: This Project consists of installing 660 linear feet of 8-inch water main, four water meter services, two fire hydrants and one air release valve, relocating a fire hydrant and fire service, concrete work, temporary asphalt patching, removing the existing 6-inch water main, and associated work. The not to exceed amount of \$328,878 comprises the base bid amount of \$298,980, plus a 10% contingency of \$29,898. The engineer's estimate was \$324,000. This Project was approved as part of the Fiscal Year ("FY") 2022 Capital Improvement Plan.

Agenda Action: Formal Action / Motion **Time Requested:** Consent

Proposed Motion

I move to award the contract as presented.

Board's Strategic Goal

Sustainable Infrastructure

Previous Action

The final budget for FY 2022, including the Capital Improvement Program, was approved by the Board of Supervisors on May 20, 2021.

Background/Issues & Analysis

This Project includes installing approximately 660 feet of new 8-inch PVC water main along a southern section of Highway 50. The Nevada Department of Transportation ("NDOT") is planning on installing a new multi-use path in the same vicinity in the late spring. Carson City Staff found it to be prudent and cost effective to replace the old steel water main before NDOT installed the new multi-use path. This should avoid the higher cost and inconvenience of removing and reinstalling a new multi-use path when the City would need to repair/replace the water main. The City will temporarily patch the trench after the new water main is installed and then NDOT will install its new multi-use path shortly after. The City is replacing the water main that is within the limits of the proposed NDOT multi-use path. The City anticipates coordinating with NDOT to replace additional water mains when NDOT repairs or replaces future multi-use paths and sidewalks in the area.

A notice to contractors regarding the opportunity to bid on this project was published in the Reno Gazette Journal and posted on NGEM on November 9, 2021. Four bids were opened at approximately 11:30 a.m. on

December 7, 2021, via online Cisco Webex bid opening. Present during the bid opening were: Jessica Moomey, Herback General Engineering LLC; Sharon Scott, MKD; Mike Borden, Peek Brothers Construction; Kimberly Dixon and C. Hamlin, F.W. Carson Co.; Michael Friend, Carson City Public Works; and Carol Akers, Carson City Purchasing and Contracts Administrator.

The City received the following bids:

Bidders	Base Bid
MKD	\$298,980.00
Herback General Engineering LLC	\$332,195.00
F.W. Carson Co.	\$430,880.07
Peek Brothers Construction	\$439,485.00

Staff recommends award to MKD as the lowest responsive and responsible bidder pursuant to NRS Chapter 338.

6.1.2 CITY reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for WORK actually completed. If termination occurs under this provision, in no event shall CONTRACTOR be entitled to anticipated profits on items of WORK not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. CONTRACTOR shall require that all subcontracts which it enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subcontractor to make claims against CONTRACTOR for damages due to breach of contract, lost profit on items of WORK not performed, or unabsorbed overhead, in the event of a convenience termination.

Contract No: 21300232

Title: Highway 50 East Water Main Replacement Project

6.3.2.3 If **CONTRACTOR** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

6.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONTRACTOR'S** ability to perform; or

6.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONTRACTOR**, or any agent or representative of **CONTRACTOR**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

6.3.2.6 If it is found by **CITY** that **CONTRACTOR** has failed to disclose any material conflict of interest relative to the performance of this Contract.

6.3.2.7 **CITY** may terminate this Contract if **CONTRACTOR**:

6.3.2.7.1 Fails to maintain bonding, Nevada State Contractors' Board License, State Industrial Insurance requirements or insurance policies for limits as defined in this Contract; or

6.3.2.7.2 Persistently or materially refuses or fails to supply properly skilled workers or proper materials; or

6.3.2.7.3 Fails to make payment to subcontractors for materials or labor in accordance with the respective agreements between **CONTRACTOR** and the subcontractors; or

6.3.2.7.4 Disregards laws, ordinances, or rules, regulations or order of a public authority having jurisdiction; or

6.3.2.7.5 Otherwise makes a material breach of a provision of this Contract; or

6.3.2.7.6 **CONTRACTOR** fails to maintain safe working conditions.

6.3.3 When any of the Subsection 6.3.2.7.1 through 6.3.2.7.6, inclusive, cause reasons exist, and without prejudice to any other rights or remedies of **CITY**, **CITY** may terminate this Contract at any time after giving **CONTRACTOR** and **CONTRACTOR'S** Surety seven (7) calendar days written notice of default or breach and intent to terminate and **CONTRACTOR'S** subsequent failure to timely correct as provided below, and subject to any prior rights of the Surety, **CITY** may:

6.3.3.1 Take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by **CONTRACTOR**;

is finished.

6.3.4.2 If the unpaid balance of the Contract Amount exceeds the cost of finishing the WORK including expenses made necessary thereby, such excess shall be paid to **CONTRACTOR**. If the costs of finishing the WORK exceed the unpaid balance, **CONTRACTOR** shall pay the difference to **CITY**. The amount to be paid to **CONTRACTOR** or **CITY**, as the case may be, shall survive termination of this Contract.

6.3.4.3 In the event of such cause termination, all monies due **CONTRACTOR** or retained under the terms of this Contract shall be held by **CITY**, however, such holdings will not release **CONTRACTOR** or its Sureties from liability for failure to fulfill this Contract. Any excess cost over and above the Contract Amount incurred by **CITY** arising from the termination of the operations of this Contract and the completion of the WORK by **CITY** as provided above shall be paid for by any available funds held by **CITY**. **CONTRACTOR** will be so credited with any surplus remaining after all just claims for such completion have been paid.

6.4 If at any time before completion of the WORK under this Contract, the WORK shall be stopped by an injunction of a court of competent jurisdiction or by order of any competent government authority, **CITY** may give immediate notice to **CONTRACTOR** to discontinue the WORK and terminate this Contract. **CONTRACTOR** shall discontinue the WORK in such manner, sequence, and at such times as **CITY** may direct. **CONTRACTOR** shall have no claim for damages for such discontinuance or termination, nor any claim for anticipated profits on the WORK thus dispensed with, nor for any claim for penalty, nor for any other claim such as unabsorbed overhead, except for the WORK actually performed up to the time of discontinuance, including any extra WORK ordered by **CITY** to be done.

6.5 Time to Correct (Declared Default or Breach):

6.5.1 Termination upon a declared default or breach may be exercised only after providing 7 (seven) calendar days written notice of default or breach, and the subsequent failure of the defaulting or breaching party, within five (5) calendar days of providing that default or breach notice, to provide evidence satisfactory to the aggrieved party demonstrating that the declared default or breach has been corrected. Time to correct shall run concurrently with any notice of default or breach and such time to correct is not subject to any stay with respect to the nonexistence of any Notice of Termination. Untimely correction shall not void the right to termination otherwise properly noticed unless waiver of the noticed default or breach is expressly provided in writing by the aggrieved party. There shall be no time to correct with respect to any notice of termination without cause, termination for nonappropriation or termination due to court injunction or order of a competent government authority.

6.6 Winding Up Affairs Upon Termination:

6.6.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this **Subsection 6.6** survive termination:

6.6.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; and

6.6.1.2 **CONTRACTOR** shall satisfactorily complete WORK in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**; and

6.6.1.3 **CONTRACTOR** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**; and

CONSTRUCTION INDEPENDENT CONTRACTOR AGREEMENT

Contract No: 21300232

Title: Highway 50 East Water Main Replacement Project

6.6.1.4 **CONTRACTOR** shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance with **Section 21**.

6.7 Notice of Termination:

6.7.1 Unless otherwise specified in this Contract, termination shall not be effective until seven (7) calendar days after a party has provided written notice of default or breach, or notice of without cause termination. Notice of Termination may be given at the time of notice of default or breach, or notice of without cause termination. Notice of Termination may be provided separately at any time after the running of the 7-day notice period, and such termination shall be effective on the date the Notice of Termination is provided to the party unless a specific effective date is otherwise set forth therein. Any delay in providing a Notice of Termination after the 7-day notice period has run without a timely correction by the defaulting or breaching party shall not constitute any waiver of the right to terminate under the existing notice(s).

BID PROPOSAL

Local Preference Affidavit

(This form is required to receive a preference in bidding)

I, Michael J. Grock, on behalf of the Contractor, MKD Construction, Inc., swear and affirm that in order to be in compliance with NRS 338.147 and NRS 338.1389 and be eligible to receive a preference in bidding on Bid No. **21300232**, Project Name "**Highway 50 East Water Main Replacement Project**", certify that the following requirement will be adhered to, documented and attained on completion of the contract. Upon submission of this affidavit on behalf of MKD Construction, Inc., I recognize and accept that failure to comply with any requirements is a material breach of the contract and entitles the City to damages. In addition, the Contractor may lose their preference designation and/or lose their ability to bid on public works for one year, pursuant to NRS 338. 147 and NRS 338.1389:

- 1. The Contractor shall ensure that 50 percent of the workers employed on the job possess a Nevada driver's license or identification card;
- 2. The Contractor shall ensure all vehicles used primarily for the public work will be registered and (where applicable) partially apportioned to Nevada;
- 3. The Contractor shall ensure at least 50 percent of the design professionals who work on the project (including sub-contractors) have a Nevada driver's license or identification card.
- 4. The Contractor shall ensure payroll records related to this project are maintained and available within the State of Nevada.

***Note that specific sections of NRS 338 detailing the continued procedures associated with the use of the "bidder's preference" have been amended by the passage of Assembly Bill 172 effective 7/1/13, requiring this affidavit and subsequent record keeping and reporting by the General Contractor using the preference program and awarded this project . These requirements are not applicable to Contractors who do not use the "Bidder's Preference" eligibility certificate in their bid.**
