

STAFF REPORT

Report To: Board of Supervisors **Meeting Date:** August 4, 2022
Staff Contact: Carol Akers, Purchasing & Contracts Administrator and Sheriff Ken Furlong

Agenda Title: For Possible Action: Discussion and possible action regarding authorization to purchase WRAP Technologies' ("WRAP") BolaWrap Remote Restraint Devices ("BolaWrap Device") and related accessories for the Carson City Sheriff's Office ("CCSO") through Proforce Law Enforcement ("PLE") for a total amount not to exceed \$53,898.50. (Carol Akers, Cakers@carson.org and Sheriff Ken Furlong, KFurlong@carson.org)

Staff Summary: The BolaWrap Device uses less lethal force to wrap the arms and/or legs of a subject from a distance, allowing law enforcement officers to effectively tie a subject's arms or legs from a relatively safe distance and to limit mobility and the ability to raise a weapon. CCSO is unaware of any devices on the market that are similar to the BolaWrap Device, and PLE is the sole authorized distributor for WRAP. This purchase was approved as part of the Fiscal Year ("FY") 2023 Capital Improvement Program ("CIP").

Agenda Action: Formal Action / Motion **Time Requested:** Consent

Proposed Motion

I move to approve the purchase authority as requested.

Board's Strategic Goal

Safety

Previous Action

May 19, 2022 – The Board of Supervisors approved the final budget for FY 2023, including the CIP.

Background/Issues & Analysis

The BolaWrap Device fires a less lethal projectile. The projectile is Kevlar cordage with a small barb on each end. As the projectile strikes the lower legs or arms, the cordage quickly wraps around the subject, tying them up and restricting their ability to run or move. If, for example, a subject armed with a knife is making threats, the BolaWrap Device could be fired from a relatively safe distance to wrap the subject's arms and minimize the ability to swing the knife.

The BolaWrap Devices have cartridges that eject the wrap for a one-time use. Replacement cartridges will need to be purchased; the cartridges have a 5-year shelf life.
