CLINICAL SERVICES DIVISION

HIGHLIGHTS

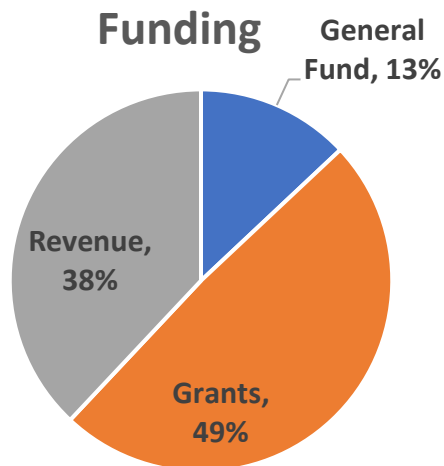

The clinic is working to restructure billing processes after the reduction in Title X (Family Planning) funding and a need to review revenue cycles for optimization.

The Title X program will revisit funding allocations during their "non-compete" application in December 2022. Our Title X Representative stated that unless more funding is released federally, CCHHS will not be funded after March 31, 2023.

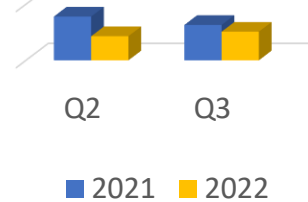

Implemented new Interpretation Service to be compliant with Affordable Care Act regulations.

Ryan White Treatment Adherence Program

- Policy
- Staff are advocating for

continued funding of the Youth Vaping Prevention Fund – a state fund made possible by AB263 during the 2019 Legislature - taxing of vaping devices and products.

• Multi-Unit Housing

- Staff are updating the multi-unit housing list to identify locations that have smoke-free policies which will be highlighted on the CCHHS website.

Staff will be gathering information on which complexes have smoke-free policies. For those without smoke-free policies, staff will offer assistance to develop the policies and assist with the implementation process, along with offering to provide signage for any complex interested.

- A toolkit has been developed for owners and property managers on how to implement a voluntary smoke-free policy.

• Challenge

- Getting back in the high school to conduct tobacco/vaping classes to students in Carson City.

HUMAN SERVICES DIVISION

Job Fair - September 9, 2022 at Carson City Community Center
61 employers attended; 137 individuals looking for employment.

Feedback received from a jobseeker was it was nice to meet face to face with potential employers since there is a stigma placed on senior jobseekers and she felt she overcame that barrier with in-person conversations.

As a result of the feedback received during the job fair on September 9th, staff surveyed the employers that attended asking if there was a desire to participate in a job fair for part-time employees. CCHHS partnered with the Carson City Senior Center to host a Part-time Job Fair at the Senior Center.
15 employers and 63 jobseekers.

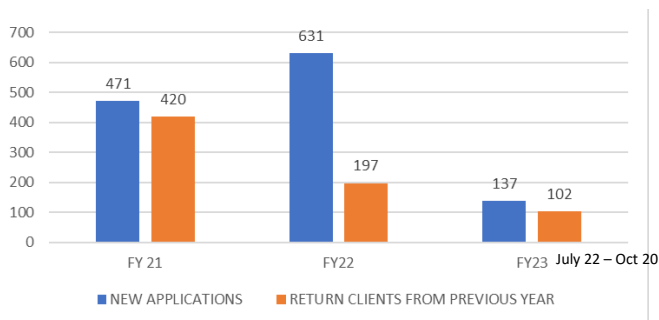

Staff obtained two 2-bedroom apartments for transitional living/rapid rehousing.

- General Funds – 28%
- Grants – 72%* - *Includes the Indigent Accident Funds

- There are **134 individuals** (average) in the Medicaid County Match program (long term care) since July 1, 2022.

PUBLIC HEALTH PREPAREDNESS DIVISION

Emergency & Disaster Preparation

- Quad-County Public Health Preparedness (PHP) used federal funds to purchase a multipurpose tent and HVAC system to serve as a mobile medical facility, field vaccination facility, or even a facility to assist with prescreening patients prior to hospital entry. This facility is designed to handle the weather of Northern Nevada.
- Quad-County PHP staff are revamping the Western NV Medical Reserve Corps operational capabilities. This includes building situation-specific trainings for volunteers to include mass care sheltering and points of dispensing (POD) activities. This is being funded by a Medical Reserve Corps RISE award through National Association of County and City Health Officials.
- Quad-County PHP, along with other CCHHS Divisions, have worked with a contractor to complete the agency COVID-19 After-Action Report.

Community Vaccinations

- Q1: Hosted 13 flu vaccination clinics administering 468 flu vaccines.
- Q2: Hosted 45 flu vaccination clinics administering 2,232 flu vaccines.
- Total flu vaccinations administered by CCHHS is about 10% lower than in 2021.
- Q2: Hosted 12 COVID bivalent booster vaccination clinics administering 447 COVID booster vaccines.

Staff Challenges

- As COVID response decreases, staff are leaving to pursue other work that does not involve COVID.
- The search for a new Public Health Preparedness Manager began in Q1 and continues as the search has been unsuccessful to date.

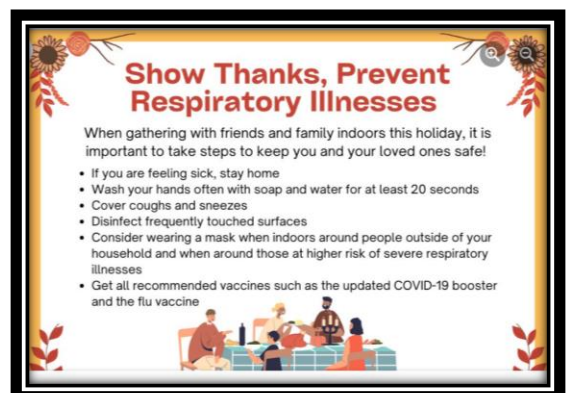

Health Care Emergency & Disaster Preparation

- The Quad-County PHP team is collaborating with the healthcare coalition in Washoe County, hospitals in Washoe County, hospitals in the Quad-County Region, epidemiologists, and the Nevada Hospital Association to discuss the drastic increase in respiratory illnesses including RSV, Influenza, and COVID-19. Discussion is centered around potentially instituting Crisis Standards of Care.
- The Quad-County Healthcare Ready and Response Coordinators are keeping the Coalition apprised of the Monkeypox situation and sharing information. Even though the number of monkeypox cases identified in the Quad-County region was low, we are keeping healthcare providers apprised of changes.

Budget

- General Funds – None
- Grants – 100%
- Revenue – Collected from health insurance companies and individuals for influenza vaccinations. (Community Vaccination Revenue)

The Community Health Needs Assessment is complete. It is on our website. A press release from Carson Tahoe Health went out December 12th.

NEXT STEPS:

Community Health Improvement Plan

The **overarching priorities** are:

- Access to Basic Needs
- Mental and Emotional Health
- Access to Healthcare for Specific Populations
- Substance Use Prevention, Treatment and Recovery

NORTHERN NEVADA BEHAVIORAL HEALTH POLICY BOARD – AB9

- ✓ Authorize a regional behavioral health policy board (“board”) to employ certain staff
- ✓ Require DPBH to provide certain assistance to a board
- ✓ Authorize boards to engage in certain activities
- ✓ Prescribe certain duties of the boards
- ✓ Require each mental health consortium to submit a long-term strategic plan to the respective board

SUMMARY—Revises provisions governing regional behavioral health policy boards.
(BDR 39-385)

FISCAL NOTE: Effect on Local Government: May have Fiscal Impact.

Effect on the State: Yes.

AN ACT relating to behavioral health; authorizing a regional behavioral health policy board to employ certain staff; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to provide certain assistance to a regional behavioral health policy board; authorizing a regional behavioral health policy board to engage in certain activities; prescribing certain duties of a regional behavioral health policy board; requiring each mental health consortium to submit a long-term strategic plan to the respective regional behavioral health policy boards; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law divides this State into five behavioral health regions and creates a regional behavioral health policy board for each region. (NRS 433.428, 433.429) Existing law requires each policy board to perform certain duties related to the oversight of behavioral health services in the behavioral health region and make certain recommendations concerning such services. (NRS 433.4295) **Section 2** of this bill authorizes a policy board to employ such staff as is necessary to

carry out the responsibilities of the policy board. **Section 2** requires the Division of Public and Behavioral Health of the Department of Health and Human Services to provide any additional personnel, facilities, equipment and supplies required by the policy board to perform its duties.

Section 3 of this bill authorizes a policy board to: (1) enter into certain contracts and agreements; (2) apply for and accept gifts, grants, donations and bequests; and (3) award competitive grants to governmental entities and nonprofit organizations for the provision of behavioral health services. **Section 3** also authorizes a policy board to participate in other activities as necessary to address the behavioral health needs of the behavioral health region, carry out its duties or improve behavioral health services in the behavioral health region. **Section 3** additionally prescribes requirements governing the accounting of gifts, grants, donations and bequests accepted by a policy board. **Section 4** of this bill makes a conforming change to indicate the proper placement of **sections 2 and 3** in the Nevada Revised Statutes. **Section 5** of this bill requires a policy board to: (1) coordinate with the Department to increase awareness of issues relating to behavioral health and avoid duplication of efforts; and (2) evaluate and monitor behavioral health services provided to recipients of Medicaid and recipients of insurance provided pursuant to the Children's Health Insurance Program by managed care organizations in the behavioral health region.

Existing law establishes certain mental health consortiums within this State to develop and carry out a long-term strategic plan for the provision of mental health services to children with emotional disturbance in the jurisdiction of the consortium. (NRS 433B.333-433B.339) Under existing law, each mental health consortium is required to submit its long-term strategic plan to the Director of

the Department of Health and Human Services. (NRS 433B.335) **Section 6** of this bill requires each consortium to also submit its long-term strategic plan to each policy board whose behavioral health region is within the jurisdiction of the respective consortium. **Section 3** authorizes a policy board to perform certain activities to carry out such a long-term strategic plan.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 433 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. *A policy board may employ such staff as is necessary to carry out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act.*

2. The staff of a policy board may:

(a) Coordinate and maximize the integration of services and programs for mental health and substance use disorder, including, without limitation, opioid use disorder, within the behavioral health region;

(b) Encourage cooperation between state, local and tribal governmental entities and other persons and entities that provide behavioral health services in the behavioral health region;

(c) Identify the behavioral health needs of the community within the behavioral health region, evaluate the quality of behavioral health services in the behavioral health region, resolve

problems relating to such needs and services and develop plans and objectives relating to such needs and services;

(d) Meet with providers of behavioral health services within the behavioral health region and participate in the development and implementation of long-range plans for the provision of behavioral health services in the behavioral health region;

(e) Develop cooperative working relationships with law enforcement agencies, providers of social services, advocacy agencies, providers of behavioral health services and other relevant persons and entities within the behavioral health region; and

(f) Perform such other duties as are assigned by the policy board.

3. The Division shall provide any additional personnel, facilities, equipment and supplies required by the policy board to carry out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act.

Sec. 3. 1. A policy board may:

(a) Enter into contracts and agreements for the purpose of carrying out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act or the long-term strategic plan prepared pursuant to NRS 433B.335 by the mental health consortium that has jurisdiction over the behavioral health region.

(b) Apply for and accept gifts, grants, donations and bequests from any source for the purpose of carrying out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act or the long-term strategic plan prepared pursuant to NRS 433B.335 by the mental health consortium that has jurisdiction over the behavioral health region.

(c) Award competitive grants to regional, local or tribal governmental entities and nonprofit organizations that provide behavioral health services within the behavioral health region. The policy board shall:

(1) Ensure that each governmental entity or nonprofit organization that receives a grant pursuant to this paragraph funds and provides behavioral health services in an equitable manner;

(2) Ensure that each provider of behavioral health services funded pursuant to this paragraph holds any required license, certificate or registration and is otherwise properly qualified to provide such services under Nevada law; and

(3) Require each governmental entity or nonprofit organization that receives a grant pursuant to this paragraph to submit to the policy board an annual report describing all behavioral health services funded by the grant and all expenditures of money from the grant.

(d) Participate in other activities as necessary to:

(1) Address the needs identified in the annual report submitted to the Commission pursuant to NRS 433.4295 or the long-term strategic plan prepared pursuant to NRS 433B.335 by the mental health consortium that has jurisdiction over the behavioral health region;

(2) Carry out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act or the long-term strategic plan prepared pursuant to NRS 433B.335 by the mental health consortium that has jurisdiction over the behavioral health region; or

(3) Improve the provision of behavioral health services in the behavioral health region or otherwise address the needs of the behavioral health region with regard to such services.

2. Any money accepted pursuant to subsection 1:

(a) Must be deposited in the State Treasury and accounted for separately in the State General Fund; and

(b) Except as otherwise provided by the terms of a specific gift, grant, donation or bequest, must only be expended under the direction of the policy board that accepted the money to carry out the provisions of NRS 433.425 to 433.4295, inclusive, and sections 2 and 3 of this act.

3. The Administrator shall administer the account maintained pursuant to subsection 2 for each policy board.

4. The interest and income earned on the money in an account maintained pursuant to subsection 2, after deducting any applicable charges, must be credited to the account. Any money remaining in the account at the end of the fiscal year does not revert to the State General Fund, and the balance in the account must be carried forward to the next fiscal year. All claims against the account must be paid as other claims against the State are paid.

Sec. 4. NRS 433.425 is hereby amended to read as follows:

433.425 As used in NRS 433.425 to 433.4295, inclusive, *and sections 2 and 3 of this act*, unless the context otherwise requires, the words and terms defined in NRS 433.426 and 433.427 have the meanings ascribed to them in those sections.

Sec. 5. NRS 433.4295 is hereby amended to read as follows:

433.4295 1. Each policy board shall:

(a) Advise the Department, Division and Commission regarding:

(1) The behavioral health needs of adults and children in the behavioral health region;

(2) Any progress, problems or proposed plans relating to the provision of behavioral health services and methods to improve the provision of behavioral health services in the behavioral health region;

(3) Identified gaps in the behavioral health services which are available in the behavioral health region and any recommendations or service enhancements to address those gaps;

(4) Any federal, state or local law or regulation that relates to behavioral health which it determines is redundant, conflicts with other laws or is obsolete and any recommendation to address any such redundant, conflicting or obsolete law or regulation; and

(5) Priorities for allocating money to support and develop behavioral health services in the behavioral health region.

(b) Promote improvements in the delivery of behavioral health services in the behavioral health region.

(c) Coordinate and exchange information with the other policy boards to provide unified and coordinated recommendations to the Department, Division and Commission regarding behavioral health services in the behavioral health region.

(d) Review the collection and reporting standards of behavioral health data to determine standards for such data collection and reporting processes.

(e) To the extent feasible, establish an organized, sustainable and accurate electronic repository of data and information concerning behavioral health and behavioral health services in the behavioral health region that is accessible to members of the public on an Internet website

maintained by the policy board. A policy board may collaborate with an existing community-based organization to establish the repository.

(f) To the extent feasible, track and compile data concerning persons placed on a mental health crisis hold pursuant to NRS 433A.160, persons admitted to mental health facilities and hospitals under an emergency admission pursuant to NRS 433A.162, persons admitted to mental health facilities under an involuntary court-ordered admission pursuant to NRS 433A.200 to 433A.330, inclusive, and persons ordered to receive assisted outpatient treatment pursuant to NRS 433A.335 to 433A.345, inclusive, in the behavioral health region, including, without limitation:

- (1) The outcomes of treatment provided to such persons; and
- (2) Measures taken upon and after the release of such persons to address behavioral health issues and prevent future mental health crisis holds and admissions.

(g) If a data dashboard is established pursuant to NRS 439.245, use the data dashboard to review access by different groups and populations in this State to behavioral health services provided through telehealth, as defined in NRS 629.515, and evaluate policies to make such access more equitable.

(h) Identify and coordinate with other entities in the behavioral health region and this State that address issues relating to behavioral health , *including, without limitation, the Department*, to increase awareness of such issues and avoid duplication of efforts.

(i) *Evaluate and monitor behavioral health services provided to recipients of Medicaid and recipients of insurance provided pursuant to the Children's Health Insurance Program by*

managed care organizations in the behavioral health region and identify gaps in such services and barriers to the effective provision of such services.

(j) In coordination with existing entities in this State that address issues relating to behavioral health services, submit an annual report to the Commission which includes, without limitation:

- (1) The specific behavioral health needs of the behavioral health region;
- (2) A description of the methods used by the policy board to collect and analyze data concerning the behavioral health needs and problems of the behavioral health region and gaps in behavioral health services which are available in the behavioral health region, including, without limitation, a list of all sources of such data used by the policy board;
- (3) A description of the manner in which the policy board has carried out the requirements of paragraphs (c) and (h) and the results of those activities; and
- (4) The data compiled pursuant to paragraph (f) and any conclusions that the policy board has derived from such data.

2. A report described in paragraph ~~(4)~~ (j) of subsection 1 may be submitted more often than annually if the policy board determines that a specific behavioral health issue requires an additional report to the Commission.

3. As used in this section, “managed care organization” has the meaning ascribed to it in NRS 695G.050.

Sec. 6. NRS 433B.335 is hereby amended to read as follows:

433B.335 1. Each mental health consortium established pursuant to NRS 433B.333 shall prepare and submit to the Director of the Department *and each regional behavioral health policy*

board created pursuant to NRS 433.429 for a behavioral health region that is within the jurisdiction of the consortium a long-term strategic plan for the provision of mental health services to children with emotional disturbance in the jurisdiction of the consortium. A plan submitted pursuant to this section is valid for 10 years after the date of submission, and each consortium shall submit a new plan upon its expiration.

2. In preparing the long-term strategic plan pursuant to subsection 1, each mental health consortium must be guided by the following principles:

(a) The system of mental health services set forth in the plan should be centered on children with emotional disturbance and their families, with the needs and strengths of those children and their families dictating the types and mix of services provided.

(b) The families of children with emotional disturbance, including, without limitation, foster parents, should be active participants in all aspects of planning, selecting and delivering mental health services at the local level.

(c) The system of mental health services should be community-based and flexible, with accountability and the focus of the services at the local level.

(d) The system of mental health services should provide timely access to a comprehensive array of cost-effective mental health services.

(e) Children and their families who are in need of mental health services should be identified as early as possible through screening, assessment processes, treatment and systems of support.

(f) Comprehensive mental health services should be made available in the least restrictive but clinically appropriate environment.

(g) The family of a child with an emotional disturbance should be eligible to receive mental health services from the system.

(h) Mental health services should be provided to children with emotional disturbance in a sensitive manner that is responsive to cultural and gender-based differences and the special needs of the children.

3. The long-term strategic plan prepared pursuant to subsection 1 must include:

(a) An assessment of the need for mental health services in the jurisdiction of the consortium;

(b) The long-term strategies and goals of the consortium for providing mental health services to children with emotional disturbance within the jurisdiction of the consortium;

(c) A description of the types of services to be offered to children with emotional disturbance within the jurisdiction of the consortium;

(d) Criteria for eligibility for those services;

(e) A description of the manner in which those services may be obtained by eligible children;

(f) The manner in which the costs for those services will be allocated;

(g) The mechanisms to manage the money provided for those services;

(h) Documentation of the number of children with emotional disturbance who are not currently being provided services, the costs to provide services to those children, the obstacles to providing services to those children and recommendations for removing those obstacles;

(i) Methods for obtaining additional money and services for children with emotional disturbance from private and public entities; and

(j) The manner in which family members of eligible children and other persons may be involved in the treatment of the children.

4. On or before January 31 of each even-numbered year, each mental health consortium shall submit to the Director of the Department and the Commission:

(a) A list of the priorities of services necessary to implement the long-term strategic plan submitted pursuant to subsection 1 and an itemized list of the costs to provide those services;

(b) A description of any revisions to the long-term strategic plan adopted by the consortium during the immediately preceding year; and

(c) Any request for an allocation for administrative expenses of the consortium.

5. In preparing the biennial budget request for the Department, the Director of the Department shall consider the list of priorities and any request for an allocation submitted pursuant to subsection 4 by each mental health consortium. On or before September 30 of each even-numbered year, the Director of the Department shall submit to each mental health consortium a report which includes a description of:

(a) Each item on the list of priorities of the consortium that was included in the biennial budget request for the Department;

(b) Each item on the list of priorities of the consortium that was not included in the biennial budget request for the Department and an explanation for the exclusion; and

(c) Any request for an allocation for administrative expenses of the consortium that was included in the biennial budget request for the Department.

6. On or before January 31 of each odd-numbered year, each consortium shall submit to the Director of the Department and the Commission:

(a) A report regarding the status of the long-term strategic plan submitted pursuant to subsection 1, including, without limitation, the status of the strategies, goals and services included in the plan;

(b) A description of any revisions to the long-term strategic plan adopted by the consortium during the immediately preceding year; and

(c) A report of all expenditures made from an account maintained pursuant to NRS 433B.339, if any.

Sec. 7. 1. This section becomes effective upon passage and approval.

2. Sections 1 to 6, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

(b) On July 1, 2023, for all other purposes.
