Good morning Board of Supervisors and City Manager Ms. Paulson:

Please remove the 2 items below (items 8B and 8C) from the consent agenda to Board interview/discussion/vote so we, the public, have a chance to hear directly from the candidates who have been selected by the Board of Supervisors for these very important Commissions. Board needs to go through the same interview process as they do for other commissions and boards.

The candidates have stated their case in their applications but we need transparency in the decision making process of the Board of Supervisors in an open meeting. I want to present my concerns about the candidates for these positions at the meeting.

Please enter this email into the public record of the Board of Supervisors meeting dated Jan 19th.

Thank you,
Bepsy Strasburg

Dear Board of Supervisors; City Manager Ms. Paulson:

Please remove the 2 items below (items 8B and 8C) from the consent agenda for this Thursday, January 19, 2023.

As opposed to other committee appointments, this doesn't appear to include the candidates having to speak at the board meeting in an interview before being appointed?

I feel the Board needs to go through the same interview process as they do for other commissions and boards, and that the Citizens of Carson City should be able to have some input, or be able to give their opinions as to these appointments via public comment.

I remember the BOS meeting dated 12/1/2022 wherein Ms. Chavez was happy to apply for the Open Space Committee but was not selected? I'm sure she will be a great asset, and I was pleased to see the Mayor tell her she'd be happy to find a spot for her, however I'd like to know what her qualifications are? It was stated in the Nevada Appeal that the requirements are: experience in financial services, public accounting or governmental auditing. I don't remember her mentioning any of that on 12/1/2022.

I would like this email to be a part of the public record of the Board of Supervisors meeting dated Jan 19th.

Sincerely,

Lisa Partee
