Cheryl;

R Supply Co would like to negotiate an additional year for contract #0304-088. We provide utility materials to the city under this contract. We propose to hold current pricing until such a time as we incur a manufacturer increase. At that time, we will provide Carson City Purchasing with a letter to substantiate the increase. We will then adjust pricing to reflect the same mark up/profit level as set forth in the original bid.

Also, our company has been acquired by Ferguson Enterprises. We are now officially: R Supply Co, a Ferguson subsidiary. All phones and faxes remain the same. Our physical address is still 1095 S Rock Blvd Reno, Nv 89502. All payment remittances however, should be sent to: FEI 3210 file #30129 PO Box 60000 San Francisco, Ca 94160-0001. I have included an information sheet reflecting the change.

DATE: May 26, 2004

SUBJECT: Bid No. 0304-088 Water Inventory Parts

Staff has reviewed the two bids submitted from R Supply Co., Inc. and Western Nevada Supply Company.

The R Supply Co. did submit a complete bid package and the items bid do meet with the minimum specifications as required and detailed out in the bid documents.

Western Nevada Supply Company's bid package was incomplete (missing exhibit 2.6, 2.9 and 6.3) and does not provide us with the technical specifications to verify that the items met the minimum specifications. However, a faxed received from Jim Duncan of Western Nevada Supply Company states that they "did not provide brand and part #'s, if bidding the exact items in your specs".

We recommend award to Western Nevada Supply Company for the thirty-three (33) items listed below as they provided the lowest bid price with the condition that they supply us an original signed statement as faxed to us on May 25, 2004, stating that the products they bid are the exact items in the specs:
