Background/Issues & Analysis

The monthly statement of the Treasurer is attached, containing a summary of all receipts, apportionments to, payments from and balances in all funds and separate accounts for the month of February 2023, as required by NRS 354.280. Detailed information is available at the Treasurer's Office or the Carson City Finance Department. It is important to note that there will always be timing differences with these balances. For example, while all departments submit deposits to the bank on a daily basis, there is usually a delay between when the reports are prepared and when they are entered into the system.
