Subject: Proposed apartment at Stafford and Silver Sage
Date: Tuesday, April 18, 2023 1:52:48 PM

This message originated outside of Carson City's email system. Use caution if this message contains attachments, links, or requests for information.

I disagree with allowing the construction of an apartment building at the Stafford and Silver Sage location. I believe like-kind residences would be more appropriate--one-story duplexes such as adjoining properties. This area of town has been developed as single family or duplexes and townhomes over the past 50+ years and should remain zoned as such.
