Question applies to multiple boards

Why would you like to serve on this Board/Committee/Commission?

I was an executive board member of the Renton Downtown partnership, a main-street 501-C3 organization in Renton, WA. I love being involved in my local community. I've lived in Carson City for about 3 years, northern Nevada for 20+. I love this community and I want to put my skills to use for it. I am currently a Divisional Compliance Manager for a large retail pharmacy. I have 210+ stores spread across five states. My role includes food safety, hazardous waste, associate safety, Board of Pharmacy, and DEA inspections. This gives me a general understanding of quite a few different local laws and ordinances. I truly want to give back to a community which has done so much for me.

Question applies to multiple boards

Why would you like to serve on this Board/Committee/Commission?

I moved to the Carson Valley from the Chicago area in 1995 with my wife and three children. All graduated from Western Nevada Community College and the University of Nevada in Reno and two went on to graduate from University of Nevada Medical School and plan on returning to northern Nevada once they have finished their respective residencies. We have watched the city and county change over the last 28 years and have owned a home in Carson City for the last five. I believe my past and current experience would be very on point with "managing the managers" as an audit committee usually does.

Chapter 2.14 - CARSON CITY AUDIT COMMITTEE

Sections:

2.14.010 - Introduction.

As the demand for enhanced accountability and the increased examination of an adequate system of internal controls occurs in the public sector due to the Sarbanes-Oxley Act, so does the significance and importance of an audit committee.

The independence and objectivity between the Carson City audit committee and the city's management team ensures that internal controls are a key management objective of the city's operation. The Government Finance Officers Association and the Institute of Internal Auditors encourage the effective use of an audit committee in the public sector and considers this committee an integral element of public accountability and governance. The Carson City audit committee plays a key role with respect to integrity of the city's financial information; its systems of internal controls, the legal and ethical conduct of management and employees, and is an invaluable tool for ensuring that those responsible for financial management (management, auditors, and governing boards) meet the respective responsibilities for internal control compliance and financial reporting. Additionally, the Carson City audit committee provides a vehicle for open communications between the board of supervisors, the city management team, internal audit, and the independent external auditors.

(Ord. 2008-10 § 3, 2008)

2.14.020 - Purpose of the Carson City audit committee.

The role of the Carson City audit committee is to maintain oversight of the auditing function, both internal and external resulting in increased integrity and efficiency of the audit processes for the city and the city's system of internal controls and financial reporting. The committee has three primary characteristics for it to successfully fill its obligations:

1. Independence. The Carson City audit committee will be independent both in fact and in appearance and requires processes to be in place to ensure such independence is maintained at all times.
2. Communication. The Carson City audit committee will maintain an open line of communication with the board of supervisors, city management, internal and external auditors; providing direction for the city's audit function and a framework of accountability.
3. Accountability. The Carson City audit committee contributes to the integrity of the financial reporting process and reinforces the culture of a strong system of internal controls throughout the city.

The Carson City audit committee shall provide oversight to the city's internal controls by assuring that the system of internal controls established by management are reviewed on a regular and systematic basis for functionality and effectiveness. The Carson City audit committee's duties shall include, but are not limited to, development of the risk assessment and annual work plan, review of all individual audit reports, review of the annual report of audits completed, review the status of corrective actions, the annual budget, and the performance of the internal auditor. Upon completion of these reviews, the Carson City audit committee will make appropriate recommendations to the board of supervisors.

(Ord. 2008-10 § 4, 2008)
